

## **Disaster Management Planning at District Level**

**Collector & District Magistrate  
Sri Potti Sriramulu Nellore District  
Andhra Pradesh**

# DISTRICT PROFILE

## Nellore

- One of the coastal districts in the State with a coastline of 167 Kms.
- Population 31.05 Lakh
- Area 13,376 Sq Kms
- Penna and Swarnamukhi rivers are passing through the district.
- On account of its geographical location the district is prone to cyclones, heavy rains and floods.
- During 2014 to 2022 district experienced four times floods, two cyclone, six times drought.
- Recent floods due to heavy rains in Nov, 2021.

# RISK GOVERNANCE

## DDMA

- District Disaster Management Authority (DDMA) was constituted (G.O Ms.No.1436, Rev (DM) dept. dt.14.11.2007)
- Accordingly, DDMA set up under the chairmanship of Collector & District Magistrate, Co-Chairperson – Chairman of Zilla Parishad.
- Members are Superintendent of Police, Project Director - DRDA, CEO Zilla Parishad, DM & HO
- Joint Collector – Member Convener
- Shall meet once in quarter

## DDMP

- District Disaster Management Plan (DDMP) prepared in 2017-18 with 4 volumes
  - General Plan and HRVA
  - Prevention, Preparedness, Disaster Risk Reduction and CCA,
  - Emergency Response and Recovery Plan
  - Annexure & Resource inventory

- Updation is under process for the year 2021-22 in consultation with UNICEF.
- The revision includes Forest fire and Chemical Disasters (NDMA suggestion) updated

8	Cropped area affected	Ha.	14,265.70
	Agriculture (in Ha)	Ha.	11,784.00
	Horticulture (in Ha)	Ha.	2,481.70

# DISASTER RESPONSE

## EOCs

- District Emergency Operation Center at District Hqrs, 13 mandal emergency operation centers (MEOCs) operational
- 27 Multipurpose Cyclone Centers (MPCS) buildings available
- 2 Fish Landing Centers (FLCs) and one Tourist Location (TL) equipped with alert sirens for alert/warning at the time of disasters.
- The A.P. SDMA has released a bulletin from SEOC that depression over Southwest Bay of Bengal is formed and is very likely to continue to move West-Northwestwards and cross North Tamilnadu and adjoining South A.P. Coasts.
- Toll free number 1077 call center has been established at Collectorate to operate round the clock and it has been widely publicized in all print and electronic media requesting the public to call at any emergency situation for rescue and relief related grievances.
- After receipt of above said bulletin the entire machinery, such as RDOs, Special Officers, Tahsildars, Medical Officers, Engineering, Police, Fire Departments in the District have been alerted to keep close watch, monitor the situation particularly in vulnerable, low-lying, flood prone areas to prevent loss of human lives, cattle, water sources etc. They have been directed to follow the guidelines of District Disaster Management Plan scrupulously.
- SPSR Nellore District has received 70 CMs of heavy rainfall in 3 spells in the month of November 2021 and unprecedented floods were experienced in the District.
- Heavy downpour in upper catchment river area and huge inflows into Somasila Dam from upstream resulting upto 5.8 lakh cusecs excess discharge from Somasila into Penna river. Due to heavy rainfall and has caused flooding of all the penna riverine mandals.

# DISASTER RESPONSE

- Capacity and status of inflows / outflows of major reservoirs has been monitored continuously.
- Evacuation of 1,50,000 persons has been taken up.
- Nearly 6,000 employees have been deployed from all departments for attending rescue and relief operations in the flood affected areas.
- Deployment of NDRF / SDRF teams have been arranged at vulnerable points in advance.
- 104 relief camps, 219 health camps have been organized.
- Focused on immediate relief to the affected families by distributing essential commodities such as rice, redgram dal, potatoes, palmolin oil, onions etc.,
- Ex-gratia has been provided to the families of deceased persons as per the guidelines of the Government.
- Measures have been taken up to bury dead animals. Veterinary camps organized at all required places and vaccination of livestock has been taken up.
- Temporary restoration of roads, irrigation sources, RWS schemes has been taken up in a war foot basis.
- Immediate restoration of electricity has been arranged.
- Assessment of damages to Handloom sector and provided yarn/material to weavers.
