

DISTRICT DISASTER MANAGEMENT PLAN - 2024

PUDUKKOTTAI DISTRICT

DISTRICT DISASTER MANAGEMENT PLAN - 2024

CONTENTS

S.No.	Topic	Page No
I.	DISTRICT PROFILE	
1.	Introduction	1
2.	Disaster Management Plan	1-2
3.	Budget	3-11
	(a) Land pattern	11
	(b) Land Resources	11
	(c) Taluk wise land Area details	11
4.	District Revenue Administration	12
5.	List of Divisions and Taluks	12
6.	Revenue Villages in Each Taluk	13-23
7.	Local Administration	24
8.	Rivers Flowing through the District	25
9.	Details Of Tanks Maintained by GA Canal / PWD / TPs / VPs / Corporation/ Municipality	26-28
10.	List Of Taluk Wise Raingauge Stations, Automatic Raingauge Stations and Automatic Weather Stations	29-34
11.	Rainfall Details	35-37
II.	HAZARD VULNERABILITY, CAPACITY AND RISK ASSESSMENT	
1.	List of Coastal Villages likely to be affected by Cyclone	38
2.	Major and Minor Disaster	38
3.	List of Vulnerable Villages (with Map)	39-43
4.	Source of Flooding	44
5.	Name of the bridges over the rivers	44
6.	Profile of past Experience (Flood)	44
6.1	Gaja Cyclone -2018 (Damages, Rescue and Relief Works)	45-46

6.2	Covid-19		47-48	
6.3	Nivar Cyclone, BuraviCyclone, North East Monsoon, South West Monsoon and Unseasonal Rain Damages Particulars		49-52	
6.4	Major Accident Hazard (MAH) Industries		53-68	
7.	I.	Incident Response System & Committee (Team)	69	
	II.	Heat Waves (DO's & DONT'S)	69-72	
	III	Waves	73-75	
	IV.	I.	Drought	76
		II.	Kudimaramathu	76
		III.	G.O(Ms)No.50: Industries (MMC.1) Department	77-81
		IV.	THAI (Tamilnadu Improvement) Scheme	81-82
		V.	CBDRM	82
		VI.	M.G.N.R.E.G.S	83
		VII.	Dry land Farming	83
VIII.		TN-IAMWARM	84	
III.	PREVENTION AND MITIGATION MEASURES			
1.	Disaster Management Organization		85	
2.	IDRN (India Disaster Resource Network)		85	
3.	Sendai Framework for Disaster Risk Reduction		86-90	
4.	District advisory committee (Official members & Non-Official members)		90-92	
5.	Community awareness and involvement (Community & other stakeholders' participation)		93-94	
6.	Mitigation Measures Undertaken		94	
7.	Disaster Management – Preparedness		95	
8.	Mock Drills & Training		95-96	
9.	Disaster Warning System		97-98	
10.	Institutional Arrangements For Disaster Management Trigger Mechanism and Operational Direction		99	
11.	Relief and Rescue Operations		99-100	
12.	Inter Departmental Zonal Teams & Committee		100-118	

13.	Damages Assessment and immediate Restoration and Rehabilitation	119
IV.	RECOVERY AND RECONSTRUCTION PLAN OF VARIOUS DEPARTMENTS	
1.	Revenue and Disaster Management Department	119-120
2.	Police Department	120-123
3.	Fire and Rescue Services Department	124-125
4.	Rural Development Department	125-127
5.	Public Works Department	128
6.	Highways & Rural works department	128-134
7.	Civil Supplies Department	135
8.	Agriculture Department	135-138
9.	Corporation / Municipality and Town Panchayat	139-142
10.	Medical and Public Health Department	142-168
11.	Animal Husbandry Department	169-184
12.	TANGEDCO	185-195
13.	Transport Department	195-196
14.	Fisheries Department (List of Swimmers & Boats)	196-200
15.	Education Department	201
16.	Information and Public Relation	202
17.	Co-ordination with other agencies NCC and Home Guards	203
V.	INVENTORY AND STOCK CAPACITY BUILDING	
1.	List Of Equipment Inventory's	204-226
2.	List of Thirumana Mandapam	227-237
3.	List of Public Buildings	238-241
4.	List of School buildings that can be used as temporary shelters at the time of floods.	242-249
5.	List of Multi Purpose Evacuation Shelters in Coastal Areas	250
6.	List of Fair Price Shops with locations	251
7.	List Of First Responders Guards / NGOs	252

	7.(a) Snake Catchers Cum Responders Of Fire And Rescue Services	253	
	7.(b) List of First Responders	254	
	7.(c) Aapda Mitra Volunteers	254	
8.	List of Medical Teams	254	
9.	List of Drinking Water Sources	254	
10.	Noon Meal Centres	255-256	
11.	Stock position of Food materials	257	
12.	Stock position of Medicines and Drugs	257	
VI.	DO'S AND DONT'S (CYCLONE AND FLOOD)	258-265	
	(a). Check slip for Flood Preparations:	265-275

APPROVED IN THE DISTRICT DISASTER MANAGEMENT AUTHORITY GOVERNING BODY MEETING CONDUCTED BY THE DISTRICT COLLECTOR CUM CHAIRPERSON ON 16.05.2024 AT PUDUKKOTTAI. (DDMA FORMED ON 29.03.2015)

[Handwritten Signature]
**Personal Assistant (General),
to the Collector, Pudukkottai**

[Handwritten Signature]
**Joint Director,
Medical and Rural Health Services
Pudukkottai**

[Handwritten Signature]
**DISTRICT REVENUE OFFICER
PUDUKKOTTAI**

[Handwritten Signature]
**Superintendent of Police
Pudukkottai District.**

[Handwritten Signature]
**Addl. Collector (Dev.)
D.R.D.A. Pudukkottai.**

[Handwritten Signature]
**DISTRICT COLLECTOR
PUDUKKOTTAI**

I. PROFILE OF PUDUKKOTTAI DISTRICT

1. INTRODUCTION

Pudukkottai has a familiar historical background and it was formerly a Princely State with the title of **“SAMASTHANAM”** ruled by the **“H.H.The Rajah’s of THONDAIMANS”**. The present Pudukkottai district is encompassing the entire **Princely State of Pudukkottai** and parts of Tiruchirappalli and Thanjavur districts. Pudukkottai district came into existence on 14.1.1974.

The erstwhile **“Pudukkottai State”** has been justly famous for its efficient and stable administration through the years with its seasoned administrative system, operating with well understood concepts of hierarchy, line of command and discreet adherences to principles and procedures. Really this credit goes to **“Sir Alexander Loftus Tottenham”**, the initial author as well as the founder of the system of **“District Office Manual”**, and the **Agent of the British Emperor/ Administrator of erstwhile “Pudukkottai State”**. It was due to his aim of trim and efficient administration.

The district has an area of 4663 Sq.Km with a Coastal line of 42.8Km. The district lies between 78.2’ and 79.15’ of the Eastern Longitude and between 9.50’ and 10.40’ of the Northern Longitude. It is bounded by Tiruchirappalli district in the North & West, Sivagangai district in the South, Bay of Bengal in the East and Thanjavur District in the North east. Pudukkottai District is bounded on the North East and East by Thanjavur District, on the South East by Bay of Bengal, on the South West by Ramanathapuram and Sivaganga districts and on the West and North East by Thiruchirappalli District.

2. DISASTER MANAGEMENT PLAN

The main objective of Disaster Management Plan is to assess the vulnerability of district to various major hazards so that mitigating steps can be taken to contain the damages before and during disaster and to provide relief and take reconstruction measures at the shortest possible time effectively. There will be a paradigm shift, from the erstwhile relief-centric response to a proactive prevention, mitigation and preparedness-driven approach for conserving developmental gains and to minimise loss of life, livelihood and property.

The **District Disaster Management Plan** is also a purposeful document that assigns responsibility to the officials of Government Departments, Social Organizations and Individuals for carrying out specific and effective actions at projected times and places in an emergency manner that exceeds the capability or routine responsibility of a one agency, e.g the departments of Revenue, Police, Fire Services, Fisheries, Highways, PWD, South Vellar Division and Health etc.

Pudukkottai District has 42.8 km. of long coastal belt and there is a dense population, particularly fishermen community in these coastal areas. Our main task is to protect the people living in coastal areas and other places vulnerable due to flood/cyclonic disaster. Further the cattle and other domestic animals have to be protected from the havoc. Apart from this work, the protection of major, medium and minor irrigation tanks also deserves a lot of efforts from the line departments such as Public Works Department, Rural Development, Revenue, Police and Fire Service. The action plan requires well planned, co-ordinated efforts to avert damage due to flood. There are small rivers also flowing in the district namely Vellar, Agniar, Pambar, Ambuliyar and Gundar, which are seasonally getting flooded and playing havoc when heavy rainfall is recorded.

Field level inspections are highly necessary by departments such as Revenue, Public Works Department, Panchayat Union, Highways to take preliminary action to prevent breaches of tanks, erosion of roads, falling of trees, crashing down of walls etc., particularly in the low-lying areas where inundation normally occurs. In Pudukkottai District, we have about **10666** tanks where continuous monitoring is necessary during both monsoon period and whenever there are heavy rains. Based on the earlier contingency and disaster management plans, a new plan has been prepared to meet in accordance with latest requirement to face the challenges posed suddenly by disaster, if any, in Pudukkottai District.

3. BUDGET

Background:

The financial aspects of Disaster Risk Management entail various factors ranging from development planning to immediate relief, post disaster, followed by investments made for reconstruction. As per the prevailing practice, the funds for preparedness, mitigation and reconstruction are allocated by the Government as a part of budgetary allocations. However, a firm commitment is made by the Government regarding funds for immediate relief as recommended by the Finance Commission (FC) and precipitated for five years. The FC makes recommendations regarding financing of disaster risk management also, amongst other subjects being dealt by it. The Second FC made a provision for 'Margin Money' for meeting out such contingencies. Subsequent FC have reviewed various aspects of funding disaster management in the country in consultation with the various stake holders. Based on their recommendations, various funds have been maintained by Govt. of India and States for funding disaster relief. ***The 13th Finance Commission (FC-XIII) has given its recommendations for maintaining National Disaster Response Fund and State Disaster Response Fund in accordance with the DM Act 2005. The FC-XIV has taken them forward and made recommendations regarding National Disaster Response Fund and State Disaster Response Fund.*** With regard to setting up of a separate fund for disaster mitigation, the FC-XIII did not recommend for the same, but observed that "As far as disaster mitigation is concerned, we believe that it should be a part of the plan process and that the expenditure therein should be met out of the plan resources of the respective ministries of the Union and the States." ***The FC-XIV did not make any recommendation on the Mitigation Funds. The DM Act 2005 has clearly mandated upon the Government to ensure that the funds are provided by the Ministries and Departments within their budgetary allocations for the purpose of disaster management.*** The Act has stressed upon the need for mainstreaming of the Disaster Risk Management by way of making definite budgetary arrangements for the purpose by the respective Ministries and Departments within their overall agenda. As of now, no specific allocations are being made by the Government for disaster management, except in the cases of specific projects undertaken by any Ministry or Department. Financial mainstreaming of Disaster Risk Reduction (DRR) concepts is necessary to entrench the need for disaster risk resilience within the main development agenda of the country.

National Disaster Response Fund:

The state government is primarily responsible for undertaking rescue, relief and rehabilitation measures in the event of a natural disaster. At

times, its efforts need to be strengthened and supplemented with Central assistance. Providing financial assistance for disaster preparedness, restoration, reconstruction and mitigation in the event of a natural disaster is not part of National Disaster Response Fund's mandate. In the event of a calamity of a severe nature, where the requirement of funds for relief operations is beyond the funds available in the State's State Disaster Response Fund account, additional Central assistance is provided from National Disaster Response Fund, after following the laid down procedure. As per this procedure, the State Government is required to submit a memorandum indicating the sector wise damage and requirement of funds. On receipt of the memorandum from the State, an Inter-Ministerial Central Team is constituted and deputed to submit a report after on the spot assessment of damage and requirement of funds for relief operations, as per the extant items and norms of State Disaster Response Fund and National Disaster Response Fund. The report of the Central Team is considered by the Inter-Ministerial Group (IMG) / National Executive Committee (NEC) headed by the Home Secretary. Thereafter, a High-Level Committee (HLC) approves the quantum of immediate relief to be released from National Disaster Response Fund. The Disaster Management Division of MHA provides support to the HLC. The MHA oversees the utilisation of funds provided from the National Disaster Response Fund and monitors compliance with norms.

State Disaster Response Fund:

The State Disaster Response Fund shall be used only for meeting the expenditure for providing immediate relief to the victims of cyclone, drought, earthquake, fire, flood, tsunami, hailstorm, landslide, avalanche, cloud burst, pest attack, frost and cold wave. While the state can draw from State Disaster Response Fund for the emergency response and relief, there are provisions to adjust a portion of the expense against funds released from National Disaster Response Fund between the fiscal in which National Disaster Response Fund is released and the expenses incurred by State in the previous fiscal under State Disaster Response Fund. In case the same state faces another severe disaster during the same year, no reduction will be made while releasing assistance from the National Disaster Response Fund. The state-specific disasters within the local context in the State, which are not included in the notified list of disasters eligible for assistance from State Disaster Response Fund and National Disaster Response Fund, can be met from State Disaster Response Fund within the limit of 10 percent of the annual funds allocation of the State Disaster Response Fund.

The two funds have provisions for the following:

- Gratuitous Relief
- Search and Rescue ops - as per actual cost incurred
- Relief measures
- Air dropping of essential supplies
- Emergency

supply of drinking water • Clearance of affected area, including management of debris • Agriculture, Animal husbandry, fishery, Handicraft, artisans • Repair/ Restoration (of immediate nature) of damaged Infrastructure • Capacity development

The default period of assistance is as per norms prescribed. However, based on assessment of the ground situation, the SEC may extend it beyond the prescribed time limit subject to the condition that expenditure on this account should not exceed 25 percent of State Disaster Response Fund allocation for the year. The SEC will organize contributions from the relevant State Government, administer the State Disaster Response Fund and invest the accretions to the State Disaster Response Fund in accordance with the norms approved by GOI from time to time. State has to meet the capacity development expenses from the State Disaster Response Fund and not from National Disaster Response Fund, subject to a limit of 10 percent of the State Disaster Response Fund.

Capacity Development covers the following:

- Setting up/strengthening of Emergency Operation Centres (EOCs) in the State
- Training/Capacity Building of stakeholders and functionaries in the State
- Supporting disaster management centres in the state
- Preparation of Disaster Management Plans based on Hazards, Risks, and Vulnerability Analysis
- Strengthening of SDMA and DDMA

In most cases, the SEC and if necessary, a central team will carry out the need assessment. The State Governments must take utmost care and ensure that all individual beneficiary-oriented assistance is disbursed through the beneficiary's bank account. The scale of relief assistance against each item for all disasters including **'local disaster'** should not exceed the norms of State Disaster Response Fund/ National Disaster Response Fund. Any amount spent by the State for such disasters over and above the ceiling would be borne out of the resources of the State Government and not from State Disaster Response Fund. For disasters needing central support over and above the State Disaster Response Fund, the MHA processes the request of the state government for support from the Government of India. The Ministry of Finance will make the budgetary provisions for the relief funds required for strengthening response mechanisms, disaster management institutions, capacity development of stakeholders, and DRR. The effective implementation of these statutory provisions would place India on a firm footing for effectively managing disasters and minimising their negative socio-economic consequences. **Another important aspect of disaster management is financial resilience.** This requires a systematic approach, combining an optimum

mix of ex ante and ex post financing mechanisms based inter alia on the country's current economic status.

National Disaster Mitigation Fund:

As per Section 47 of the DM Act 2005, Central Government may constitute a National Disaster Mitigation Fund for projects exclusively for the purpose of mitigation. ***This Section has not been notified by the Government so far.*** As mentioned earlier, the FC-XIV restricted its recommendation to existing arrangements on the financing of the already constituted funds (National Disaster Response Fund and State Disaster Response Fund) only, as per its terms of reference. The FC-XIV did not make any specific recommendation for a mitigation fund.

Provision of funds for programmes and activities

The allocation for SDRMF for the year 2022-23 for Tamilnadu is Rs.1428 crores. (Source: Tamilnadu State Disaster Management Plan 2023)

Table - SDRMF Break up Details

Break up Details for 2022-23	Rs. (In crores)
State Disaster Risk Management Fund (Union share 75%+ State Share 25%)	1428.00
Funds earmarked from SDRMF	
State Disaster Mitigation Fund (20% of SDRMF)	285.60
Response and Relief (30% of SDRMF)	428.40
Recovery and Reconstruction (40% of SDRMF)	571.20
Preparedness and Capacity Building (10% of SDRMF)	142.80

Recommendations of the Fourteenth Finance Commission:

In regard to grants for disaster management, Fourteenth Finance Commission (FC-XIV) has adopted the procedure of the XIII FC and used past expenditures on disaster relief to determine the State Disaster Response Fund corpus. While making recommendations, ***XIV FC has taken note of the additional responsibility cast on States and their district administrations under the Disaster Management Act. XIV FC has also taken note of the location-specific natural disasters not mentioned in the notified list, which are unique to some States.***

Statutory Provisions:

Financing Prevention, Mitigation and Preparedness:

The provisions relating to funding of prevention, mitigation and preparedness are listed below:

i. Section 6 (g) provides that NDMA may recommend provision of funds for the purpose of mitigation;

ii. Section 18 (f) provides that SDMAs may recommend provision of funds for mitigation and preparedness measures;

iii. Section 35 (c) provides that the Central government may ensure appropriate allocation of funds for prevention of disaster, mitigation, capacity-building and preparedness by the Ministries or Departments of the Government of India;

iv. Section 36 (e) provides that the Ministries or Departments of Government of India shall allocate funds for measures for prevention of disaster, mitigation, capacity-building and preparedness;

v. Section 38 (d) provides that the State Government may allocate funds for measures for prevention of disaster, mitigation, capacity-building and preparedness by the departments of the Government of the State in accordance with the provisions of the State Plan and the District Plans;

vi. Section 39 (c) provides that the departments of the state government shall allocate funds for prevention of disaster, mitigation, capacity- building and preparedness

Allocation by Ministries and Departments:

Section 49 provides for Allocation of funds by Ministries and Departments. It states that:

“(1) Every Ministry or Department of the Government of India shall make provisions, in its annual budget, for funds for the purposes of carrying out the activities and programmes set out in its disaster management plan.

(2) The provisions of sub-section (1) shall, mutatis mutandis, apply to departments of the Government of the State.”

Provisions in the Act for Disaster Risk Reduction

Some of the statutory provisions incorporated in the National Disaster Management Act for mainstreaming DRR and financing thereof are reproduced below.

i. Section 6 (i) provides that the NDMA may take such other measures for the prevention of disaster, or the mitigation, or preparedness and capacity building for dealing with the threatening disaster situation or disaster as it may consider necessary;

ii. Section 18 (2) (g) provides that the SDMA may review the development plans of the different departments of the State and ensure that prevention and mitigation measures are integrated therein;

iii. Section 22 (2)(b) provides that the SEC may examine the vulnerability of different parts of the State to different forms of disasters and specify measures to be taken for their prevention or mitigation;

iv. Section 23 (4) (b) provides that the State Plan shall include measures to be adopted for prevention and mitigation of disasters;

v. Section 23 (4) (c) provides that the State Plan shall include the manner in which the mitigation measures shall be integrated with the development plans and projects;

vi. Section 23 (4) (d) provides that the State Plan shall include, capacity-building and preparedness measures to be taken;

vii. Section 30 (2) (iv) provides that the District Authority may ensure that the guidelines for prevention of disasters, mitigation of its effects, preparedness and response measures as laid down by the National Authority and the State Authority are followed by all departments of the Government at the district level and the local authorities in the district;

viii. Section 30 (2) (xiii) provides that the District Authority may facilitate community training and awareness programmes for prevention of disaster or mitigation with the support of local authorities, governmental and non-governmental organisations;

ix. Section 30 (xiv) provides that the District Authority may set up, maintain, review and upgrade the mechanism for early warnings and dissemination of proper information to public;

x. Section 31 (3) (b) provides that the District Plan shall include the measures to be taken, for prevention and mitigation of disaster, by the Departments of the Government at the district level and local authorities in the district;

xi. Section 32 (a) provides that every office at the district level shall prepare a Plan setting out: • provisions for prevention and mitigation measures as provided for in the District Plan and as is assigned to the department or relevant agency; • provisions for taking measures relating to capacity-building and preparedness as laid down in the District Plan; • the response plans and procedures, in the event of, any threatening disaster situation or disaster;

xii. Section 35(2) (b) provides that the central government may ensure the integration of measures for prevention of disasters and mitigation by Ministries or Departments of the Government of India into their development plans and projects;

xiii. Section 36 (b) provides that every Ministry/ Department of Government of India shall integrate into its development plans and projects, the measures for prevention or mitigation of disasters in accordance with the guidelines laid down by the National Authority;

xiv. Section 37 (1) (a) mandates all the Ministries and Departments of Government of India to prepare a disaster management plan inter alia specifying: • the measures to be taken by it for prevention and mitigation of disasters in accordance with the National Plan; • the specifications regarding integration of mitigation measures in its development plans in accordance with the guidelines of the National Authority and the National Executive Committee;

xv. Section 38 (2) (e) provides that the State Government may ensure integration of measures for prevention of disaster or mitigation by the

departments of the Government of the State in their development plans and projects;

xvi. Section 38 (2) (f) provides that the State Government may integrate in the State development plan, measures to reduce or mitigate the vulnerability of different parts of the State to different disasters;

xvii. Section 39 provides that the departments of State Government shall integrate into its development plans and projects, the measures for prevention of disaster and mitigation;

xviii. Section 40 (1) (a) (ii) mandates all department of the State to prepare a disaster management plan that shall integrate strategies for the prevention of disaster or the mitigation of its effects or both with the development plans and programmes by the department

Implementation of DRR– Financial Aspects:

1. Plan Schemes

The primary mechanism for funding DRR related schemes and projects in India is through Plan Schemes at Central and State level. Various nodal Ministries play a key role in disaster management as far as specific disasters are concerned. These nodal Ministries as well as other Ministries and Departments have dedicated schemes, aimed at disaster prevention, mitigation, capacity building, etc. within their particular domain. Existing GOI examples include the scheme of MHA for Strengthening of Fire and Emergency Services, Financial assistance to ATIs other Training institutions for disaster management, Integrated Coastal Zone Management programme of MoEFCC, and flood management and flood forecasting programmes of MoWR. The DoS has a Disaster Management Support programme and MoES has a project on Tsunami and Storm Surge Warning System. NDMA is implementing an important World Bank funded project for cyclone risk mitigation. The National Cyclone Risk Mitigation Project encompasses cyclone forecasting tracking and warning systems, capacity building and structural measures. Apart from this, many of the schemes, which are implemented by various ministries/ departments, have embedded DRR components, as for example, those implemented by the MoEFCC. There are many other programmes that improve **societal resilience**, which is a critical component of DRR, such as the National Rural Health Mission, Mahatma Gandhi Employment Guarantee Scheme, and the Urban Development's Urban Renewal Mission. Outlay for reconstruction activities are normally embedded in the plan schemes of the Union Government to ensure that **"Building Back Better"** is in consonance with the approved programs. Post disaster reconstruction work is funded by the Union Government through increased outlay for the on-going infrastructure projects in the region and providing more untied grant to the affected State. The Centre/State may also utilize funds from international

agencies for specific intervention in a particular region in the form of an externally aided project.

2. Flexi Funds as a part of Centrally Sponsored Schemes:

As per Department of Expenditure, Ministry of Finance, O.M No. 55(5)/PF-II/2011 dated 6.1.14, all Central Ministries shall keep at least 10 percent of their Plan budget for each CSS as flexi-fund (except for schemes which emanate from a legislation or schemes where the whole or a substantial proportion of the budgetary allocation is flexible).

States may use the flexi-funds for the CSS to meet the following objectives:

a) Provide flexibility to States to meet local needs and requirements within the overall objective of each program or scheme;

b) Pilot innovations and improve efficiency within the overall objective of the scheme and its expected outcomes;

c) Undertake mitigation /restoration activities in case of natural calamities in the sector covered by the CSS The utilisation of flexi-funds for mitigation/restoration activities in the event of natural calamity must be in accordance with the broad objectives of the CSS.

It is possible to combine flexi-fund component across schemes within the same sector but the flexi-funds of a CSS in a particular sector however, shall not be diverted to fund activities/schemes in another sector. The flexi-funds constitute a source of funding for mitigation activities within overall objectives of the particular CSS(s) under which they are allocated and this would still leave a gap in terms of funding purely mitigation related projects especially those addressing cross cutting themes that cover multiple sectors.

3. Externally Aided Projects:

Besides the fund which are available through plan and non-plan schemes, efforts have also been made by the centre to mobilize the resources from external funding agencies for vulnerabilities assessment, capacity development, institutional strengthening of response mechanism and mitigation measures etc. The Central Government would continue to support states for reconstruction and rehabilitation in the aftermath of major disasters through aid from World Bank and other such external funding agencies.

Risk Transfer and Insurance:

As of now Government of India is acting as a self-insurer for the purpose of maintaining relief funds (National Disaster Response Fund and State Disaster Response Fund). The funds are monitored by MHA in consultation with Ministry of Finance. The amount committed for State Disaster Response Fund is invested by the Union in government securities. MHA has issued guidelines in consultation with Ministry of Finance for the

maintenance and encashment of the securities as and when required. However, need for projects or risk transfer instruments by private agencies is also acknowledged by the Government. The corresponding policy changes and fund requirement is to be deliberated in detail in consultation with the IRDA, insurance sector and other stakeholders

3(a). LAND PATTERN

Land	Extent in Hect.
Wet	1,03,418
Dry	1,84,057
Forest	24,010
Barren & Uncultivable	9,807
Land used for non-agriculture purpose	1,25,672
Cultivable waste	14,677
Pasture land	5,484
Trees & Tope	6,546

3(b). LAND RESOURCES

The total geographical area of the district is 4663.0 Sq.Km. Taluk wise geographical areas are given in table 3(c), the utilization of land area in Pudukkottai district is upto 66% only. About 29.4% of land is not available for cultivation. About 22% of the soil is reported to be suffering from salinity/alkalinity. The percolation ponds and check dams have been constructed in all blocks of the district under soil and water conservation programme.

3(c). TALUK WISE LAND AREA DETAILS

S.No.	Taluk	Area sq.km.
1.	Pudukkottai	328.5
2.	Alangudi	380.0

8. RIVERS FLOWING THROUGH THE DISTRICT

I) NAMES OF THE MAJOR RIVERS IN THE DISTRICT

1. Vellar
2. Agniyar
3. Pampar
4. Gundar

For Pudukkottai district, Agniyar basin is the main source of surface water. Agniyar river basin consists of three sub basins, namely Agniyar, Ambuliyar and South velar. There are seven tributaries in this basin. Agniyar is having three tributaries viz., Nariar I, Nariyar II and Maharajasamudram. The river Ambuliyar is having two tributaries, viz., Nerunjikudiar and Gundar. There are three gauging stations in Agniyar river basin maintained by PWD. An important point to be noted in this basin is that there are no reservoirs across any of the rivers of this basin as none of the rivers has copious flow. There is no direct ayacut fed by the rivers of this basin. There are about 3975 tanks in this basin by which 76,350 hec. are being irrigated. The approximate storage capacity of these tanks is 560 MCM. No reservoir or dams are in Pudukkottai District.

River	Origin	Ayacut
Agniyar sub basin A. Agniyar B. Maharajasamudram	Kulathur Tank, PudukkottaiVallam, Tanjore	17304 6769
Vellar sub basin A. Lower Velar	Tiruchy	24699
Ambuliyar sub basin A. Upper Ambuliyar	Alangudi T.K,	2676
Grand Anicut Canal	Cauvery	5997

Agniyar, Ambuliyar, South Vellar are the major surface water sources of Pudukkottai District. The total length of stream in the district is 241.0 km and covers a basin area of about 47,000 hectares.

I.GRAND ANICUT CANAL (G.A. CANAL) (P.W.D)

Even though there are no reservoirs in this basin, it is some what nullified by the supplementation of Cauvery water to the part of the command area through G.A. Canal. It is supplementing the ayacut under 16 anicuts located in Agniyar, Ambuliyar and their tributaries. There are 170 tanks in Pudukkottai District supplemented by G.A. Canal irrigating 8465.59 hec. The ayacut is located in Karambakudi, Alangudi, Aranthangi, Avudayarkoil and Manamelkudi taluks of Pudukkottai District.

The Taluk Tahsildars are solely responsible for inspection and maintenance of all the raingauge stations and ensuring that the raingauges are working properly. Necessary measures should be taken at once if not working properly. They should also ensure that the measurement of rainfall is done properly and reported to the Collectorate daily without any delay. Since January 1, 2022, the rainfall is measured at 8.30 am in consonance with IMD uniform collection of rainfall data throughout the country from 8.30am to 8.30 am to capture rainfall that happens during the **‘Synaoptic Observations’** when various meterological parameters are measured. All rainfall data collected from raingauge stations, Automatic Raingauge Staions and Automatic Weather Stations are consolidated and published by IMD at 1.00 pm daily after validation by IITM Pune. Totally 13 Automatic weather stations established under the control of Agriculture department in each block to get real time rainfall data have been handed over to the Revenue Department and establishment of new AWS at Gandarvakottai Taluk Office is on the pipeline. GPS coordiantes have been sent to the Government in this regard. AWS measures in addition to rainfall data, 1. Air temparture, 2. Relative Humidity, 3. Wind speed, 4. Wind Direction, 5. Solar radiation, 6. Soil moisture, 7. Soil temperature which are useful for prediction of disaster precisely. All the AWS will eventually be transferred to the Revenue Department.

Automatic Raingauge station which measures the rainfall through tipping bucket mechanism on real time basis at a particular location, stores data in data logger and transmits to a Cloud server through GSM/GPRS/VSAT/ISAT is going to be established at each Firka and replace the existing manual Raingauge station. The GPS coordinates for all the 45 Firkas have been sent to the Government in this regard.

GENERAL

Necessary instructions have been already issued to all the RDO's and Tahsildars regarding the relief measures to be given to those affected during the disater in a time-bound manner and to furnish the details of human loss/cattle loss/hut damages and crop damages caused due to flood or other disaster in the prescribed format within 24 hours.

During North East Monsoon 2018 between October and December, losses of 7 human and 2725 Cattle were reported, and damages of 184237 Huts and tiled houses were reported due to heavy rain.

During North East Monsoon 2019 between October and December, losses of 1 human, 38 Cattle were reported, and damages of 630 Huts and tiled houses were reported due to heavy rain.

During North East Monsoon 2020 between October and December, no loss of human was reported losses of 199 Cattle were reported, and damages of 893 Huts and tiled houses were reported due to heavy rain.

During North East Monsoon 2021 between October and December, no loss of human was reported but losses of 914 Cattle were reported, and damages of 756 Huts and tiled houses were reported due to heavy rain. And also 3 injuries were reported.

During North East Monsoon 2022 between October and December, loss of 6 human was reported but losses of 70 Cattle were reported, and damages of 113 Huts and tiled houses were reported due to heavy rain. And also 7 injuries were reported.

During North East Monsoon 2023 between October and December, no loss of human was reported but losses of 44 Cattle were reported, and damages of 87 Huts and tiled houses were reported due to heavy rain. And also 2 injuries were reported.

At Collectorate, a Toll free Telephone **No.1077** and control room Telephone **No. 04322 222207** have been installed to receive the daily rainfall particulars from various officers and grievances from public. The Daily reports on flood damages are updated in TNSMART and TNSDMA websites daily. Further the complaints received from the public regarding damages and losses during the monsoon periods are communicated to the concerned departments for swift action and a register is being maintained in this regard.

The control room of District Emergency Operation Center is adequately staffed during the North East Monsoon and Unseasonal Rainfall Seasons to work round the clock and to receive the complaints from the public in distress without any omission.

District Disaster Management Authority is constantly monitoring the situation and convenes a meeting when emergency arises.

11.	16/4 Perunkudi – Konnaiyur	Kundar
12.	55/8 Karambakudi – Regunathapuram	Maharaja Samutram

6. PROFILE OF PAST EXPERIENCE (FLOOD)

During the Northeast monsoon in 2005, Pudukkottai district had received unprecedented heavy rains which led to extensive flooding in low lying areas. In Rarapuram village of Thirumayam taluk and in Nagarethinampallam of Alangudi taluk were marooned by flood water. The marooned people were evacuated safely by boats without loss of any life.

6.1. GAJA CYCLONE -2018

Damages, Rescue and Relief Works

Pudukkottai District was severely affected by “Gaja” cyclone which crossed the district with a speed of 130 Kilometers per hour on 16.11.2018, during the early hours affecting all the 12 Taluks, 13 Panchayat Unions, 2 Municipalities and 8 Town Panchayats. 184237 houses / huts have been partly or fully damaged in Pudukkottai District. Further, the entire electricity infrastructure has been severely crippled by this cyclone. Totally 45,727 electric poles and 345 transformers were damaged, plunging the district into complete darkness. 6,14,960 service connections have been affected. As a precautionary measure, the district administration had planned for disconnection of the power on previous day night, due to which loss of life due to electrocution was avoided.

Details of Damages

1) Human Loss :

No. of cases	Relief given	Relief amount disbursed	% of disbursement
7	7	70,00,000	100%

2) House Damages:

1)	Partly damaged huts	46810
2)	Fully damaged huts	3993
3)	Partly damaged tiled houses	133573
4)	Fully damaged tiled houses	915
5)	Total no. of houses damaged	185291

3) Details of Livelihood Assistance

1)	Total no. of houses damaged	185291
2)	No. of families accommodated in Relief Centres	4556
3)	No. of fishermen who lost boats	205
4)	No. of families eligible for Livelihood Assistance	190052

4) Cattle Loss

1)	Cow/ Buffalos	250
2)	Bullock	20
3)	Calf	134
4)	Goat/ sheep	1532
5)	Poultry	16355
	Total	18291

5) Agriculture Crops

1)	Coconut Trees	645093
2)	Other Agriculture crop	3590

6) Horticulture Crop loss:

6.2.COVID – 19

Coronaviruses are a large family of viruses which may cause illness in animals or humans. In humans, several coronaviruses are known to cause respiratory infections ranging from the common cold to more severe diseases such as Middle East Respiratory Syndrome (MERS) and severe acute respiratory syndrome (SARS). The most recently discovered coronavirus causes coronavirus disease COVID-19.

COVID-19 is the infectious disease caused by the most recently discovered coronavirus. This new virus and disease were unknown before the outbreak began in Wuhan, China, in December 2019. COVID-19 is now a pandemic affecting many countries globally.

The most common symptoms of COVID-19 are fever, dry cough, and tiredness. Other symptoms that are less common and may affect some patients include aches and pains, nasal congestion, headache, conjunctivitis, sore throat, diarrhea, loss of taste or smell or a rash on skin or discoloration of fingers or toes. These symptoms are usually mild and begin gradually. Some people become infected but only have very mild symptoms.

Most people (about 80%) recover from the disease without needing hospital treatment. Around 1 out of every 5 people who gets COVID-19 becomes seriously ill and develops difficulty breathing. Older people, and those with underlying medical problems like high blood pressure, heart and lung problems, diabetes, or cancer, are at higher risk of developing serious illness. However, anyone can catch COVID-19 and become seriously ill. People of all ages who experience fever and/or cough associated with difficulty breathing/shortness of breath, chest pain/pressure, or loss of speech or movement should seek medical attention immediately. If possible, it is recommended to call the health care provider or facility first, so the patient can be directed to the right clinic.

People can catch COVID-19 from others who have the virus. The disease spreads primarily from person to person through small droplets from the nose or mouth, which are expelled when a person with COVID-19 coughs, sneezes, or speaks. These droplets are relatively heavy, do not travel far and quickly sink to the ground. People can catch COVID-19 if they breathe in these droplets from a person infected with the virus. This is why it is important to stay at least 1 meter) away from others. These droplets can land on objects and surfaces around the person such as tables, doorknobs and handrails. People can become infected-by touching these objects or surfaces, then touching their eyes, nose or mouth. This is why it is important to wash your hands regularly with soap and water or clean with alcohol-based hand rub.

A new pandemic has spread in Pudukkottai District, and various measures as per the Government of India and Government of Tamilnadu were taken to contain the virus. Standard Operating Procedure (SOP),

including social distancing, wearing of mask, hand wasing were insisted. Quarantine are resolved to certain the spread.

Wet hands with water

apply enough soap to cover all hand surfaces.

Rub hands palm to palm

right palm over left dorsum with interlaced fingers and vice versa

palm to palm with fingers interlaced

backs of fingers to opposing palms with fingers interlocked

rotational rubbing of left thumb clasped in right palm and vice versa

rotational rubbing, backwards and forwards with clasped fingers of right hand in left palm and vice versa.

Rinse hands with water

dry thoroughly with a single use towel

use towel to turn off faucet

...and your hands are safe.

6.3.Nivar Cyclone, Buravi Cyclone, North East Monsoon, South West Monsoon and Unseasonal Rain Damages Particulars

6.4. MAJOR ACCIDENT HAZARD (MAH) INDUSTRIES

A hazard is a process, phenomenon or human activity that may cause loss of life, injury or other health impacts, property damage, social and economic disruption or environmental degradation. Hazards may be natural, anthropogenic or socionatural in origin (UNDRR, 2017). RISK. = HAZARD.

Do's &Dont's

Precautions to be taken during and after the Chemical (Industrial) Accidents

1. Do not panic, evacuate calmly and quickly perpendicular to wind direction through the designated escape route
2. Keep a wet handkerchief or piece of cloth/ sari on face during evacuation
3. Keep the sick, elderly, weak, handicapped and other people who are unable to evacuate inside house and close all the doors and windows tightly.
4. Do not consume the uncovered food/ water etc open to the air, drink only from bottle
5. Change into fresh clothing after reaching safe place/ shelter, and wash hands properly
6. Inform Fire & Emergency Services, Police and medical services from safe location by calling 101, 100 and 108 respectively.
7. Listen to PA (Public Addressal) System of the plant/ factory, local radio/ TV channels for advice from district administration/fire/health/police and other concerned authorities
8. Provide correct and accurate information to government official.
9. Inform others on occurrence of event at public gathering places (like school, shopping centre, theatre etc.).
10. Don't pay attention to the rumours and don't spread rumours.

General Precautions During Normal Time

1. Do not smoke, lit fire or spark in the identified hazardous area
2. Sensitize the community living near the industrial units and they should be more vigilant about the nature of industrial units and associated risks.
3. Keep the contact numbers of nearest hazardous industry, fire station, police station, control room, health services and district control room, for emergency use.
4. Avoid housing near the industries producing or processing the hazardous chemicals, if possible.
5. Participate in all the capacity building programmes organized by the government/ voluntary organizations / industrial units.

6. Take part in preparing disaster management plan for the community and identify safe shelter along with safe and easy access routes.
7. Prepare a family disaster management plan and explain it to all the family members.
8. Make the family/ neighbours aware of the basic characteristics of various poisonous/ hazardous chemicals and the first aid required to treat them.
9. Adequate number of personal protective equipments needs to be made available, to deal with emergency situation.
10. Prepare an emergency kit of items and essentials in the house, including medicines, documents and valuables.

The NDMA constituted under Section 3 of the DM Act, 2005, has the responsibility of laying down the policies, plans and guidelines for effective Disaster Management.

A chemical disaster is the unintentional release of one or more hazardous substances which could harm human health and the environment. Such events include fires, explosions, leakages or release of toxic or hazardous materials that can cause people illness, injury, or disability.

Accidents or incorrect use of household chemical products may cause immediate health effects, such as skin or eye irritation or burns, or poisoning. There can also be longer-term health effects from chemicals. When these occur, they are usually the result of exposure to certain chemicals over a long period of time

Here are three main causes of accidents in chemical plants:

1. Human Error and Complacency.
2. Improper Training.
3. Not Properly Maintaining Safety Equipment.
4. Install Custom Safety Equipment.
5. Train Employees on Proper Safety Procedures.
6. Create Designated Loading/Unloading Spots.

Human Factors That Cause Accidents

- Poor housekeeping – An unkempt work space can lead to slips, trips, and falls.
- Fatigue – When a body is tired, injury is more likely to occur.
- Overexertion – Overexertion injuries are the most common type of workplace injury.

- Stress
- Dehydration
- Improper Lifting

Signs and Symptoms of Chemical Exposure

- Skin that has become dried, whitened, reddened, swelled, blistered, and itchy or exhibits a rash.
- A chemical odor. Many chemicals can be smelled at concentrations below harmful levels. ...
- A chemical taste.
- Tearing or burning of the eyes.
- Burning sensations of the skin, nose or throat.
- Cough, headache or dizziness.

An industrial accident often has far-reaching consequences, not only for the employee injured, but also for his/her employer. One is left with a physical injury, often requiring intensive rehabilitation – the other is left with the costs incurred as a result of the incident. The expression “Prevention is better than cure” certainly applies in the case of industrial accidents.

What are the best ways to prevent them from happening? What measures can you take as an organization to minimize or mitigate risks? High time we provided a few tips and recommendations.

1. Communicate safety instructions clearly

Preventing accidents and incidents starts with clear communication. Make sure personnel receive the right information about risks and relevant safety measures. Use clear, simple language and hold frequent team meetings. Use these meetings to cover the latest safety points.

2. Mark walkways and roadways clearly

In large industrial buildings and warehouses, a well-thought-out circulation/routing plan is essential to preventing accidents and incidents. Clearly mark walkways and roadways, and consider the following aspects carefully:

- pedestrians
- trucks – loading and unloading
- forklift trucks
- blind spots in and around buildings
- speed restrictions

3. Keep the workplace neat and tidy

Discarded packaging, loose cabling, and cluttered passageways are a recipe for disaster and have no place in a safe working environment. Keeping the workplace neat and tidy is essential to preventing accidents and incidents.

4. Keep skills/qualification records up to date

It's crucial that management knows exactly who has which skills and qualifications in order to safeguard safety in the workplace. Skills and qualifications are often recorded in a *skills matrix*.

Having a skills matrix in Excel is better than having none at all. The problem, however, is that overly complicated spreadsheets are generally used for this purpose. Keeping these spreadsheets up to date is often seen as an annoying chore that often gets overlooked when there's real work to be done. To complicate matters still further, things often go wrong when saving or creating multiple versions of the same spreadsheet. This quickly leads to confusion about who actually has the latest version. Team leaders can enter updates and training results from the shop floor, quickly and easily. Say goodbye to spreadsheets, say hello to version control you can trust.

With the latest versions of skills matrices at their fingertips, managers can see who has which skills and qualifications, and make sure the right people are in the right place at the right time. Perhaps the most important factor in reducing industrial accidents.

5. Clarify personnel availability

Determining when personnel with critical skills and qualifications are available is not only crucial to preventing accidents and incidents, but also to responding adequately in the unfortunate event that they occur.

Countless tools and systems are available that show when first aiders or emergency response officers (EROs) are on business premises. Some apps even allow personnel to update their availability while on site so that system information remains up to date.

6. Turn data into information, information into insight

Data, information, and insight are crucial to preventing accidents and incidents. Thoroughly investigating a company's working conditions, processes, and operating procedures can help pinpoint potential risks and hazards before something goes wrong.

Risk analyses also allow companies to take prompt and adequate measures.

7. Select the best team for specialist tasks

Accidents will happen! Especially when carrying out specialist tasks requiring specific techniques or methods. It's important to address such situations on a case-by-case basis.

Using intuition or a gut feel is certainly an option, but it's far wiser to put together a team based on members' actual skills and qualifications. AG5 software allows team leaders to link specific team members to the expertise and experience required to get the job done. Putting together the right team for every project significantly reduces the chance of accidents and incidents.

8. Keep certification records in order

Managers often maintain immaculate and intricate Excel spreadsheets listing when employees received their first-aid certification. Even so, it's commonplace for employees to knock on these same managers' doors only to announce that their certification has just expired.

It's great they spotted this, but shouldn't these managers have known in advance that their certification was about to expire? Current information is essential to preventing accidents and incidents.

9. Proper personal protective equipment

Proper personal protective equipment (PPE) is essential to preventing accidents and incidents. This includes protective clothing, helmets, overhead working gear, ear protectors, etc. Always select the best PPE for the job at hand and lead by example. Don't scrimp on safety on the work floor. The cost of purchasing proper PPE is nothing compared to the personal suffering and the financial blow of an accident!

10. Find suitable replacements

Everyone calls in sick now and then – even specialists who play a key role in preventing industrial accidents within a company. Finding suitable replacements is therefore essential to maintaining safety levels.

List of MAH factories in Pudukkottai District

S.No.	Name and Address of MAH UNIT	Hazardous chemicals /Manufactured /Handled / Stored	Maximum Inventory

**GUIDELINES FOR PUBLIC OFFICIALS
TO HANDLE CASES OF REPORTED OR SUSPECTED
PRESENCE OF RADIOACTIVE MATERIAL IN THE
PUBLIC DOMAIN**

January 2023

PREFACE

These Guidelines are intended for public officials (other than DAE officials) who may have to handle situations arising out of any reported or suspected presence of radioactive materials in the public domain. The essential actions expected to be taken by public officials concerned to ensure safety of the public and environment from harmful effects of radioactivity and to ensure security of the radioactive material are enlisted in this document.

The websites of DAE [www.dae.gov.in] and AERB [www.aerb.gov.in] may be referred for related information on the topic.

Any queries or clarifications regarding this document may be addressed to:

GUIDELINES FOR PUBLIC OFFICIALS
TO HANDLE CASES OF REPORTED OR SUSPECTED PRESENCE OF
RADIOACTIVE MATERIAL IN
PUBLIC DOMAIN

1. INTRODUCTION

Radioactive materials (Radio Isotopes) are used in the country for a variety of applications in the fields of agriculture, medical diagnosis and therapy, non-destructive testing in industry, and various research applications including uses at Department of Atomic Energy (DAE) facilities. Handling of radioactive materials in the country and its movement in public domain are carried out in a safe and controlled manner adhering to provisions in the Atomic Energy Act (1962) and the rules framed therein. Requirement of radioactive materials for the above mentioned applications are mainly supplied by the Board of Radiation and Isotope Technology (BRIT), Mumbai, a constituent unit of DAE, and any shortfall in meeting the requirement is met through imports. These materials are transported by road / rail / air / sea to and from users across the country. In addition to movement of Radio Isotopes as mentioned above, there are other nuclear materials, such as nuclear reactor fuel, transported occasionally by road / rail between different units of DAE, for which dedicated approved documents (SOPs) are available.

Any consignment having radioactive material should mandatorily exhibit an internationally accepted symbol for radioactivity as shown below:

Every consignment of radioactive material during transport will be carrying a TRansport EMergency Card (TREM Card) which enlists the primary steps to be taken in case of an emergency during transport. [A typical TREM Card is given as Annexure A for reference].

With the increase in use of radioactive materials for its industrial, medical and research applications, cases of unauthorized or mis-declared consignments or consignments entering through unapproved route or inadvertent actions due to ignorance have started showing instances of radioactive material landing up in public domain without regulatory control. Department of Atomic Energy (DAE) and Ministry of Home Affairs (MHA) are the identified nodal ministries for taking actions in case of any radiation

incident / emergency in public domain. While, DAE is designated as nodal ministry for providing technical advice and support for handling radiological incident / emergency in public domain; local police/security agencies, SDRF, NDRF etc. are identified as the First Responders for handling such scenarios. Hence, a need is felt to widely disseminate the guidelines for handling situations arising out of such presence of radioactive materials in the public domain to the public officials concerned. ***This document is intended to convey Guidelines to officials in the civil administration, such as the District Collector or District Magistrate, Police officials, officers in charge of the airports / seaports / railways, Public health care providers / Officials at primary health care centers, Border Crossing Posts, Heads of the non-DAE facilities etc. under whose jurisdictions radioactive materials are being handled or suspected to be present in the public domain.***

2. SCENARIOS ENVISAGED

Following are some typical scenarios wherein unauthorized / undesirable presence of radioactivity could be expected / suspected in public domain:

- 2.1 An accident during the transport of radioactive material.
- 2.2 A fire incident involving radioactive material in storage / transport.
- 2.3 Unclaimed / damaged radioactive consignments at air ports / sea ports / railway / roadway / warehouses.
- 2.4 Theft / loss of radioactive material from an authorized premise like hospital, industrial radiography facility, work site, temporary storage etc.
- 2.5 Presence of a container having 'Radiation Symbol', abandoned in a public area such as a scrap-yard or garbage dump.
- 2.6 Suspected smuggling / transporting of contraband items in sealed containers displaying radiation symbol.
- 2.7 Reported unauthorized possession / sale / auction / recycling of radioactive material / radioactively contaminated material.
- 2.8 Detection and recovery of suspected radioactive material by police.
- 2.9 Reported or suspected placing / presence of radioactive material with malicious intent in public areas or public utilities, etc.
- 2.10 Any incident with malicious intent including threats during transport of radioactive material.
- 2.11 Reports of suspected radiation induced injuries or symptoms of radiation exposure to individuals.
- 2.12 Any other event posing radiation hazard to member(s) of the public.

3. GUIDELINES FOR ACTIONS

The general course of action would be similar, by and large, for all such scenarios. The public officials concerned, such as the District Magistrate or equivalent / Superintendent of Police or equivalent (Jurisdictional Police) / Officer-in-Charge of the facility such as airport or seaport, hospital, etc. [the Responsible Officer (RO)] should:

- 3.1 Call local police and Fire Service, the first responders.
- 3.2 Inform / send message about the incident to the DAE Emergency Control Room (DAE-ECR) at Mumbai [*contact details given in Annexure B*].
- 3.3 Rescue injured personnel, if any, and cordon off the affected site to establish access control.
- 3.4 Provide medical assistance to the injured / suspected victims (as per need, technical advice to the concerned District / Health officials on the treatment of persons having radiation injury will be extended by DAE's medical expert team).
- 3.5 Carryout further actions described in the TREM Card (Transport Emergency Card), in case of an emergency arising out of an accident during transportation of radioactive material.
- 3.6 Arrange for security of the affected / suspected radioactive material.
- 3.7 Handle any law and order situation / contingency that may arise at the affected site.
- 3.8 Arrange to provide local assistance that may be required by the DAE's expert team to carry out their assessments / evaluation at the site.
- 3.9 Carryout further actions under the technical advice from DAE's experts.
- 3.10 Obtain Technical inputs from DAE experts prior to media briefing / issue of press release.

Contents of a Typical TREM Card

TREM CARD

Cargo	1	Radioactive material
Nature of Hazard	1	Radioactive material, Potential external and internal exposure
Protective device to be carried in the vehicle	1	One set each, for the driver and his assistant, of protective clothing (boots, gloves, overalls, caps) Six number of big polythene bags for collecting contaminated material
Emergency action	1	<ol style="list-style-type: none"> 1. Inspect the package visually. If it is intact, ensure onward journey in the same or another vehicle. 2. In case of fire, fight from a distance 3. If the package appears to be damaged, cordon a distance of 3 m around the package 4. Obtain the names and addresses of persons who might have been exposed to radiation and convey the particulars to the Head, RSD, AERB and to the Head, RP&AD, BARC
First aid	1	Thoroughly wash the affected skin with plenty of water.
Contact telephone numbers for advice and assistance	1	<p>a) Contact the consignor at the address given on the package</p> <p>b) Emergency Control Room, Crisis Management Group, DAE, Mumbai-400 001</p> <p>TF: 022-2202 3978 Telefax- 022-22021714 Fax-022-22830441 Mobile- +919969201364 Email- daecr@dae.gov.in</p> <p>Alternate CMG - DAE Emergency Control Room (ECR) located at Anushakti Nagar (VSB)</p> <p>022-2599 1070 Telefax - 022-25515283* Fax- 022-25991080/022-25993080 Mobile- +919960201365 Email- vsbecr@npcil.co.in</p>

7.(I). INCIDENT RESPONSE SYSTEM

As per the instructions of the Director, State Disaster Management Authority, Chennai a high-level committee with the following line department officials has been constituted at District level for monitoring and conducting of training on Incident Response System (IRS) for the year ended 2021-2022.

I. INCIDENT RESPONSE TEAM (COMMITTEE)

1.	District Revenue Officer	Convenor
2.	Personal Assistant (Genl.) to Collector	Member Secretary
3.	Deputy Superintendant of Police (AR)	Member
4.	Deputy Director of Health Services Pudukkottai	Member
5.	Deputy Director of Health Services Arantangi	Member
6.	Asst.Exe.Engineer, PWD, Buildings	Member
7.	Divisional Fire Officer (Dist)	Member
8.	Public Relations Officer	Member
9.	Personal Asst. (Pt.Development) to Collector	Member

The above committee will meet once in a month and draw action plan to conduct the Basic and Intermediate Course Training in IRS with the co-operation of NIDM in Pudukkottai district

7.(II). HEAT WAVES

INDIA METEOROLOGICAL DEPARTMENT (IMD) CRITERIA FOR HEAT WAVE AND SEVERE HEAT WAVE

- ❖ Heat wave is considered only after maximum temperature of a station reaches at least 40° c for plains and at least 30° c for hilly regions.

HEAT WAVE MANAGEMENT

- ❖ The following measures have to be initiated to tackle the Heat Wave conditions and its effect during summer 2024. In addition, any

additional measures that may be required based on the past experience in the district should also be put in place.

EARLY WARNING MEASURES

- ❖ Activate the DEOC with inter-departmental personnel with wide publicity of **Toll Free No:1077**.
- ❖ Issue of heat alert when extreme heat events are forecasted by IMD to all key Departments / Agencies through DEOC.

PREPAREDNESS MEASURES

- ❖ Fire and Rescue Services Department has to ensure the readiness of vehicles with fire fighting equipment to face any emergency.
- ❖ Ensure adequate stock of medicines in all veterinary hospitals in treatment of cattle / poultry birds.
- ❖ To collect information on the works sanctioned under MGNREGS programme in High risk areas to plan for mitigation effort during heat period.

CAPACITY BUILDING / TRAINING PROGRAMMES

- ❖ Medical & Health Department officials have to conduct training programmes on heat illness for medical staffs.
- ❖ Training of school teachers to equip them with knowledge of heat protection tips and activities which they can disseminate in classrooms.

INVOLVEMENT OF GOVERNMENTAL AND NON-GOVERNMENTAL ORGANIZATIONS

- ❖ District Administration have to prioritize maintaining power to critical facilities such as hospitals and UHCs.
- ❖ Checking of inventories of medical supplies including ORS powder in PHCs, UHCs and 108 emergency ambulances.
- ❖ Display of heat-related illness prevention tips and how to stay cool around hospitals, PHCs and UHCs.
- ❖ Ensure the services of 108 / 104 Emergency Service with adequate supply of IV fluids.
- ❖ Establish Health teams at major bus stands / Terminals and other public places.
- ❖ Local bodies have to identify the areas to provide shelters and drinking water during heat alert period.
- ❖ Keep open the parks for a longer duration during evenings.
- ❖ Actively involve NGOs / Rotary Clubs / Lions Clubs and Corporate houses to provide shelters, drinking water during heat ways.

The list of Do's and Don'ts related of heat wave is enclosed in Annexure-1 and the Symptoms and First Aid for various Heat Disorders in enclosed in Annexure – 2.

ANNEXURE-1

DO's & DONT'S

Heat Waves conditions can result in physiological strain, which could even result in death. To minimize the impact during the heat wave and to prevent serious ailment for death because of heat stroke, the following measures are useful:

DO's

- ❖ Listen to Radio, Watch TV, read Newspaper for local weather forecast to know if a heat wave is on the way.
- ❖ Drink sufficient water and often and often as possible, even if not thirsty.
- ❖ Wear lightweight, light-coloured, loose, and porous cotton clothes. Use protective goggles, umbrella/hat, shoes or chappals while going out in sun.
- ❖ While travelling, carry water with you.
- ❖ If you work outside, use a hat or an umbrella and also use a damp cloth on your head, neck, face and limbs.
- ❖ Use ORS, homemade drinks like lassi, torani (rice water), lemon water, buttermilk, etc. which help to re-hydrate the body.
- ❖ Recognize the signs of heat stroke heat rash or heat cramps such as weakness, dizziness, headache, nausea, sweating and seizures. If you feel faint or ill, see a doctor immediately.
- ❖ Keep animals in shade and give them plenty of water to drink.
- ❖ Keep your home cool, use curtains, shutters or sunshade and open windows at night.
- ❖ Use fans, damp clothing and take bath in closed water frequently.
- ❖ Provide cool drinking water near work place.
- ❖ Caution workers to avoid direct sunlight.
- ❖ Schedule strenuous jobs to cooler times of the day.
- ❖ Increasing the frequency and length of rest breaks for outdoor activities.
- ❖ Pregnant workers and workers with a medical condition should be given additional attention.

DON'Ts

- ❖ Do not leave children or pets in parked vehicles.
- ❖ Avoid going out in the sun, especially between 12.00 noon and 3.00 p.m.
- ❖ Avoid wearing dark, heavy or tight clothing.
- ❖ Avoid strenuous activities when the outside temperature is high. Avoid working outside between 12 noon and 3 p.m.

- ❖ Avoid cooking during peak hours. Open doors and windows to ventilate cooking area adequately.
- ❖ Avoid alcohol, tea coffee and carbonated soft drinks, which dehydrates the body.
- ❖ Avoid high –protein food and do not eat stale food.

ANNEXURE-2

SYMPTOMS AND FIRST AID FOR VARIOUS HEAT DISORDERS

Heat Disorders	Symptoms	First Aid
Sunburn	Skin redness and pain, Possible swelling, blisters, fever, headaches.	Take a shower, using soap, to remove oils that may block pores preventing the body from cooling naturally. If blisters occur, apply dry, sterile dressings and get medical attention.
Heat Cramps	Painful spasms usually in leg and abdominal muscles or extremities. Heavy sweating.	Move to cool or shaded place. Apply firm pressure on cramping muscles or gentle massage to relieve spasm. Give sips of water. If nausea occurs, discontinue.
Heat Exhaustion	Heavy sweating, weakness, skin cold, pale, headache and clammy. Weak pulse. Normal temperature possible. Fainting, vomiting.	Get victim to lie down in a cool place. Loosen Clothing. Apply cool, wet cloth. Fan or move victim to air-conditioned place. Give sips ² of water slowly and if nausea occurs, discontinue. If vomiting occurs, seek immediate medical attention. Or call 108 and 102 for Ambulance.
Heat Stroke (Sun Stroke)	High body temperature (106°F). Hot, dry skin. Rapid, Strong pulse. Possible unconsciousness. Victim will likely not sweat.	Heat stroke is a severe medical emergency. Call 108 and 102 for Ambulance for emergency medical services or take the victim to a hospital immediately. Delay can be fatal. Move victim to a cooler environment. Try a cool bath or sponging to reduce body temperature. Use extreme caution. Remove clothing. Use fans and/or air conditioners. DO NOT GIVE FLUIDS.

7.(III). WAVES

The up and down movements of water in the sea are known as sea waves. The lower part is called wave trough whereas, the upper part of the wave is called wave crest. The distance between two adjacent crests is the wavelength and the vertical distance between the crest and the trough is the wave height.

Three types of water waves may be distinguished: wind waves and swell, wind surges, and sea waves of seismic origin (tsunamis).

Wave type	Typical wavelength	Disturbing force
Capillary wave	< 2 cm	Wind
Wind wave	60–150 m (200–490 ft)	Wind over ocean
Seiche	Large, variable; a function of basin size	Change in atmospheric pressure, storm surge
Seismic sea wave (tsunami)	200 km (120 mi)	Faulting of sea floor, volcanic eruption, landslide

Waves are generated by wind moving over water; they indicate the speed of the wind in that area. Swell are waves (usually with smooth tops) that have moved beyond the area where they were generated.

Ocean waves are created by the transfer of energy from the atmosphere to water. In an ocean wave, energy is moving at the speed of the wave, but water is not. In general there are two types ocean waves; deep water ocean waves know as swell, and smaller waves on the oceans surface otherwise know as ripples.

Waves are most commonly caused by wind. Wind-driven waves, or surface waves, are created by the friction between wind and surface water. As wind blows across the surface of the ocean or a lake, the continual disturbance creates a wave crest. The gravitational pull of the sun and moon on the earth also causes waves

7.(IV).I. DROUGHT

This district is prone drought due to failure of rain on both monsoons for the past several years continuously and thereby all the water sources are heavily affected throughout the district. Hence the groundwater sources will deplete and hence the water scarcity is possible on all ground water supply schemes. To manage the drinking water supply, the ground water schemes have to be increased and the depth of entire ground water sources should be deepened immediately. No major water supply scheme is available in this district. The Project of Cauvery Water Supply Schemes alone should be given special thrust to face any consequences of water shortage.

7. (IV).II. KUDIMARAMATHU

During the recent year also, the North East Monsoon has failed to see the earth in this district. There fore the entire district is faced with high drought and thereby all the water sources in the district is fully affected due to scarcity of ground water. Therefore the Government, at present, have introduced the KUDIMARAMATH SCHEME (in earlier period i.e.,in the year of 985 AD onwards the Kudimaramath introduced and well executed by the King of Chola, Thanjavur to maintain the waterbodies with the help of Local Villagers) with provision of sufficient throughout the State to manage the drought. Thus, all the tanks and water sources can be strengthened and as such, rain water may be safeguarded to maintain the availability of ground water.

During the financial year 2023-2024, 40 Kudimaramath works have been taken up in this district with for the cost of Rs. 562.50 Lakhs.

Ser.No	Name of the Division	No. of Works	Estimate Amount (Rs.in Lakhs)
1.	Grand Anicut Canal Division, Thanjavur	12	165.00
2.	South Vellar Basin Division, Pattukkotai	27	380.50
3.	Agniyar Basin Division, Pattukkottai	1	17.00
Total		40	562.50

7.(IV).III. G.O(Ms)No.50

Copy of:

ABSTRACT

Industries –Mines and Quarries –Minor Minerals-Amendment to Rule 12(2) and 12(2-A) (a) to the Tamil Nadu Minor Minerals Concession Rules, 1959-Notification-Issued.

Industries (MMC.1) Department

G.O (Ms) No.50

Dated:27.04.2017
N`tpsk;gp> rpj;jpiu -14>
jpUts;Sth; Mz;L -2048

Read:

1. G.O.(MS) No.233, Industries (MMC.2) Department, dated 23.09.2015
2. From the Chief Executive Officer, Tamil Nadu Khadi and Village Industries Board, Letter R.C.No.8198 / V2 (3) / 2016, dated 09.07.2016 and 20.01.2017.
3. From the Commissioner of Geology and Mining, Letter No.7925/LC/2016, Dated 28.12.2016, 18.4.2017, 21.4.2017, 24.4.2017 and 27.4.2017.

ORDER

In the letters third read above the Commissioner of Geology and Mining has stated that the Chief Executive Officer, Tamil Nadu Khadi and village Industries Board in his letter second read above has submitted that as per rule 6(2) of the Tamil Nadu Minor Mineral Concession Rules,1959, 800 cart loads of clay and sand or a mixture of both per annum is allowed to be quarried free for bonafide pot or brick making purposes by pottery and brick manufactures from the premises of the village or neighbouring villages and that as per the new rules 41 and 42 introduced in Tamil Nadu Minor Mineral Concession Rules, 1959 vide G.O.Ms.No.79, Industries (MMC1) Department, dated 06.04.2015, Rule 6 grantees have to remove the mineral only after getting the Environmental Clearance and hence, he has requested to provide exemption for obtaining Environment Clearance for the potters.

2. The Commissioner of Geology and Mining has further stated that the Governmental of India Ministry of Environment, Forest and Climate Changes vide Notification S.O.No.141(E), dated: 15.01.2016 have already granted exemption for ordinary sand and clay from the purview of District Environmental Impact Assessment Authority which has virtually neutralized or made redundant rule 6 and rules 41 & 42 of the Tamil Nadu Mineral Concession Rules, 1959.

3. Further, the commissioner of Geology and Mining has stated that in the letters dated 20.04.2017, the Engineering in-Chief, Water Resources Department & Chief Engineer (General), Public Works Department has stated that de-silting the water bodies in order to increase the storage capacity is one of the mission envisaged during the launching of the Kudimaramathu works of the irrigation tanks and channels in Tamil Nadu during March, 2017. At present storage in the tanks and reservoirs are only 10% of their original capacity and the water holding capacity have diminished by about 20% on an average due to silting up over the years. The silt deposited in the water bodies are rich in nutrients and can be applied as a good natural manure to the agricultural fields by the farmers. Hence, allowing the farmers to take earth from the beds of tanks and reservoirs freely to the requirement for the fields would be beneficial to them and also the restoration of the lost capacities of the water bodies can also be achieved indirectly. Thus, the Engineering in-Chief, WRD & Chief Engineer (General) Public Works Departmental has suggested for modifying the rule 12(2) of Tamil Nadu Minor Mineral Concession Rule 1959.

4. The Commissioner of Geology and Mining has further stated that in the meeting convened on 24.04.2017, the matter was discussed by the Principal Secretary of Industries Department with the concerned departments.

5. Based on the outcome of the discussion, the Commissioner of Geology and Mining has sent a proposal to the Government for amending Rule 12(2) and 12(2-A)(a) of Tamil Nadu Minor Mineral Concession Rules, 1959.

6. The Government have examined the above amendment proposal of the Commissioner of Geology and Mining and have decided to amend rule 12(2) and 12(2-A)(a) to the Tamil Nadu Minor Mineral concession Rules, 1959 and ordered accordingly. Further, the Government order that for desilting of tanks, reservoirs and other water bodies in Chennai, Tiruvallur and Kancheepuram Districts, concerned departments (PWD and RD&PR) will issue appropriate instructions not operationalize the above amendments to these districts.

7. The Notification appended to this order will be published in the Tamil Nadu Government Gazette Extraordinary. The Works Manager, Government Central Press, Chennai-79 is requested to supply 25 copies of the Notification to this department, Commissioner of Geology and Mining, Chennai-32 and to all District Collectors.

8. The Director, Tamil Development and Information (Translation) Department is requested to send the Tamil Translation of the

Notification appended to this Order to the Works Manager, Government Central Press, Chennai-79 for publishing in the Tamil Nadu Government Gazette and to the Collectors of all Districts for publishing it in the District Gazettes immediately.

APPENDIX
NOTIFICATION

In exercise of the Powers conferred by sub-sections (1) and (1-A) of sections 15 of the Mines and Minerals (Development and Regulations) Act, 1957 (Central Act 67 of 1957), the Governor of Tamil Nadu hereby makes the following amendments to the Tamil Nadu Minor Mineral concession Rules, 1959, namely:-

AMENDMENT

In the said Rules, in the rule 12,--

(1) for sub-rule(2), the following sub-rule shall be substituted, namely:-

“(2) (a) Notwithstanding anything contained in these rules, for quarrying clay, silt, savudu and gravel from the beds of tanks, channels and reservoirs in the State (except Chennai, Kancheepuram and Trivallur Districts) under the control of Public Works Department or Rural Development and Panchayat Raj Department, the Executive Engineer Public Works Department or Rural Development and Panchayat Raj Department, as the case may be, shall prepare the list of tanks, channels and reservoirs and submit their proposal to the District Collectors for removal of clay, silt, savudu and gravel from the beds of tanks, channels and reservoirs with demarcation of eligible areas and the estimation of quantum of such minerals to be removed in respect of each area along with the conditions to be stipulated for removal of such mineral from the tanks, channels and reservoirs. The District Collector shall notify the said list in the District Gazette.

(b) Any person engaged in the making pots or any registered pottery Labourers Co-operative Society registered under the Tamil Nadu Co-operative Societies Act 1983 (Tamil Nadu Act 30 of 1983) for making pots, the public for bonafidedomestic purpose and the farmers for agriculture purpose be allowed to quarry clay, silt, savudu and gravel ,on free of charges from the beds of tanks channels and reservoirs under the control of the Public Works Department or Rural Development and Panchayat Raj Department which are notified by the District Collector in the District Gazette under the rule after obtaining permission from the District Collector for quarrying:

Provided that the dwelling place or agricultural land of the person concerned and the quarrying place shall be in the same revenue village or in the adjoining revenue village. For removal of the above said minerals by any person for agricultural purpose shall produce a certificate issued by the Village Administrative Officer to the effect that they are holding lands in their name or a cultivating tenant as per Adangal Register:

Provided further that the quantity of silt and clay proposed to be removed for agricultural purpose from the beds of tanks, channels and reservoirs shall not exceed 75 Cubic meters per acre (185 Cubic meters per Hectare) for wet lands and a quantum not exceeding 90 Cubic meters per acre (222 Cubic meters per Hectare) for dry lands once in two years. The quantity of earth, savudu and gravel proposed to be removed for others domestic purposes shall not exceed 30 cubic meters .The quantity of clay proposed to be removed for making pots shall not exceed 60 cubic meters:

Provided also that prior permission shall be obtained from the District Collectors for removal of such quantity of minerals from the tanks, channels and reservoirs and the period of permission shall not exceed 20 days:

Provided also that quarrying shall be permitted only in the area demarcated by the Public Works Department or Rural Development and Panchayat Raj Department, as the case may be, and the minerals shall be loaded in the vehicles brought by the applicant by the Public Works Department or Rural Development and Panchayat Raj Department, as the case may be.

(c) Any removal of minerals from these lands shall be subject to the following restrictions, namely:-

i) Pits shall be at a distance of at least twice the height of the bunds from the toe of the bunds and they shall not be more than one meter in depth (the depth shall be less, if pits one meter deep are likely to expose porous strata);

ii) Clay, silt, savudu and gravel shall not be carted along the tank bund unless the bund is a recognized road or cart-track;

iii) Bunds shall not be cut to enable to pass;

iv) Clay silt, savudu and gravel removed should not be stacked on tank beds, sluice or any other masonry works of the tanks and causeways or slopes of the bunds; and

v) Vehicles and carts shall not touch any portion of the revetment, sluice or any masonry works of the tanks and cause damage to them.”; and

(2) In sub-rule (2-A), in clause (a), for the expression “30 cubic meters”, the expression “222 cubic meters” shall be substituted”.

7.(IV).IV.THAI-II (TamilNadu Village Habitations Improvement) SCHEME

On 29.08.2016, announcement made by Hon’ble Chief Minister under rule 110 in the floor of the Tamil Nadu Legislative Assembly that 1,200 MI Tanks during 2016-2017 will be improve /modernized with an allocation of Rs.300 Crores under THAI Scheme as follows.

Tamil Nadu Improvement (THAI) Scheme was implemented in all Districts, for the past five years i.e.2011-12 to 2015-2016 with the total allocation of Rs.3680 Crore. Under this scheme, minimum basis requirement like Water supply, Street lights, Roads, Improvements to burial grounds, pathway to burial grounds, additional requirements like Anganwadi Centers, Public distribution shops, SHG Buildings, Threshing floor, Play Ground and other needy works were taken up.

Further it has been planned to extend the Tamil Nadu Habitations Improvement(THAI) Scheme-II with the aim of providing/Upgrading certain essential infrastructure facilities in rural areas for THAI-II-in 2016-17.

Through THAI-II scheme to fulfill the basic requirement of all the 12,534 village panchayats to maximum extent, it is proposed to take up the following 3 category of works in the village Panchayats under THAI Scheme-II.

1. Improvements of MI Tanks
2. Improvements to Roads
3. Basic Infrastructure and Amenities.

1. IMPROVEMENTS OF MI TANKS

The main objective of the programme is to ensure comprehensive rehabilitation of Minor Irrigation tanks which are under the control of Panchayat Union, So as to restore the tanks to their full capacity, increase ground water recharge, prevent surplus runoff and breaches in the water bodies and also to regulate the storage of water for drinking and agricultural purposes, thereby ensuring sustainable drinking water supply and increasing the crop productivity and area irrigated.

2. IMPROVEMENTS TO ROADS

- a) Up gradation of Non-BT roads to BT Standard.
- b) Strengthening of Existing damaged roads.
- c) Maintenance of Existing damaged BT roads which require renewal.

3. BASIC INFRASTRUCTURE AND AMENITIES

- a) Water Supply
- b) Street lights
- c) Streets/Lanes Improvements
- d) Burial Ground /Pathway to Burial Ground

7.(IV).V. (CBDRM) COMMUNITY BASED DISASTER RISK MANAGEMENT

This scheme is functioning under the financial support of World Bank.

There are 12 Coastal Districts in Tamilnadu and the people living near the seashore areas come under this scheme.

To reduce the danger of disaster, awareness programmes were conducted for those people living in seashore of Avudaiyarkovil and Manamelkudy taluks.

People are aware of how to act and how to save their lives and properties and where to move at the time of disaster.

Also, the people's were informed about the location of 10 multipurpose Evacuation Shelter and about the precaution equipments that are to be fixed at 30 places.

Under this scheme, teams were selected from the people's living in the Coastal region and they are being trained in 5 divisions.

- i) Precaution team,
- ii) Search & save team,
- iii) Moving to safely place team.
- iv) Maintenance of Evacuation centre
- v) First aid team.

According to this training, people's are trained to take precautionary steps to save themselves, to save their properties and things at the time of Cyclone, Flood & Tsunami.

7.(IV).VI. M.G.N.R.E.G.S

This scheme is purely intended for poor villagers specially women workers, who are living in poverty. During the drought period, the villagers will be affected for winning their bread and they may not be able to work any agricultural activities. At that time this scheme is very much helpful to them to save their lives. Importantly the tanks of all villages are strengthened and also the bunds of the tanks have been improved safely. So, at the time of rain season, the water will be fetched sufficiently. Further, by this scheme, the financial criteria is improved in rural areas very much. Thus, the villagers, those who are uneducated and illiterate, were well known about the savings. There is no doubt the village women workers are well aware about the employment opportunity by this scheme.

7. (IV).VII.DRY LAND FARMING

Dryland agriculture refers to cultivation of crops entirely under natural rainfall. It is a form of subsistence farming in the regions where deficit of the soil moisture retards the growth of water consuming crops like paddy, sugarcane etc. Dryland areas are characterized by low and erratic rainfall and no assured irrigation facilities. Dryland agriculture is important for the economy as most of the coarse grain crops, pulses, oilseeds, and raw cotton are grown on these lands. Dryland areas receive rainfall between 50 and 120cm.

A) TYPES OF DRYLAND AGRICULTURE

Depending on the amount of rainfall received, Dryland agriculture has been grouped into three categories:

- i) DRY FARMING:** It is production of crops without irrigation in areas where annual rainfall is less than 75cm. Crop failures are more frequent under dry farming condition owing to prolonged dry spells during crop period. The growing season is less than 200days.
- ii) DRYLAND FARMING:** Cultivation of crops in areas receiving rainfall above 75cm is known as Dryland farming. Dry spell during crop duration occurs, but crop failures are less frequent.
- iii) RAINFED FARMING:** It is practice of crop cultivation without irrigation in areas receiving 115cm rainfall.

B) DRYLAND CROPS

Major dry farming crops are millets such as Cholam, Cumbu, Ragi, Minormillets like, Thinai, Samai, Varagu, Kuthiraivali, oilseeds like Groundnut, Gingelly, Castor and pulse crops like Red gram, Blackgram, Horsegram.

7.(IV).VIII. TN-IAMWARM

Tamil Nadu irrigated Agriculture Modernization and Water – Bodies Restoration and Management Improved performance in Agriculture and related fields is the key to unlock the tremendous potential of the rural areas of Tamil Nadu. In this direction, the Tamil Nadu irrigated Agriculture Modernization and Water Bodies Restoration and Management (TN-IAMWARM) is a unique World Bank funded project implemented with the prime motive of maximizing the productivity of water leading to improved farm incomes and products. Under this project, 61 selected sub basins are to be covered in a period of five years (2018-2023) With Water Resources Organization (WRO),PWD, Government of Tamil Nadu as the Nodal Agency. Tamil Nadu Agricultural University (TNAU), one among the line departments implementing TN-IAMWARM Project, mainly concentrate on the transfer of water saving and improved production technologies of major crops of the respective sub basins.

In Pudukkottai District this programme is implemented in 4 Sub basins as follows.

- 1) South Vellar
- 2) Pambar
- 3) Agniar
- 4) Ambuliyar

Based on the major crops of each sub basins, activities were formulated in convergence with line departments as project mode and mission mode. System of Rice Intensification (SRI) and Precision Farming (PF) were the major components demonstrated largely in the sub basins in the context of water saving and increased Productivity. Introduction of pulses in irrigated condition and rice fallow situation was also in demonstrated largely in the sub basins. Improved Production Technologies (IPT) were also introduced in less water consuming crops like Maize, Sunflower, Cotton and Groundnut. E-Velanmai is one of the new participatory ICT tool was also introduced on pilot basis.

III. PREVENTION AND MITIGATION MEASURES

1. DISASTER MANAGEMENT ORGANIZATION

Pudukkottai District has 42.8 Km. long coastal belt and there is a need for special concentration of human beings, particularly fishermen community in these coastal belts. Our main task is to protect the people living in coastal areas and other places vulnerable from attacking due to flood/cyclone and disasters. Further the cattle and other domestic animals have to be protected from the havoc. Apart from this work, the protection of major, medium and minor irrigation tanks also deserves lot of efforts from the departments such as Public Works Department, Panchayat Union, Revenue, Police and Fire Service. The officials and other personnel involved in disaster response can rely on the instructions and checklists spelt out of the plan and proceed efficiently and quickly in disaster management. This has the effect of not only speeding up the rescue and relief operations, but also inspiring confidence in the affected people. The action plan requires well planned and co-ordinated efforts to avert flood damage. There are small rivers namely Vellar, Agniar, Pambar, Gundar and Ambuliyar in the district, which also may get flooded and may play havoc in the event of heavy rains.

Field level inspections are highly necessary by departments such as Public Works Department, Panchayat Union and Highways Department to take precautionary measures to prevent breaches of tanks, erosion of roads, falling of trees, crashing down of walls etc., particularly in the areas where floods normally occur. In Pudukkottai District, we have about 4876 tanks where continuous monitoring is highly necessary during monsoon period, whenever there are heavy rains. Based on the earlier plans, a new disaster management plan has been drawn to meet the current needs of preparedness in the forthcoming monsoon period.

2. IDRN (INDIA DISASTER RESOURCE NETWORK)

IDRN is a national-wide electronic inventory of resources that enlists equipment and human resources, collated from districts, states and national level line department and agencies. It is a web based platform, for managing the inventory of equipment, skilled human resources and critical supplies for emergency response. Primary focus of IDRN portal is to enable the decision makers to find answers on availability of equipment and human resources required to combat any emergency situation. This database will also enable them to assess the level of preparedness for specific disasters.

3. SENDAI FRAMEWORK FOR DISASTER RISK REDUCTION

I.	Sendai Frame Work 2015 -2030
II.	Goal
III.	Action Plan
IV.	Disaster Risk
V.	Disaster Preparedness
VI.	Disaster Risk Reduction 2015 – 2030
VII.	General

3.(I). SENDAI FRAMEWORK : 2015-2030

The Sendai Framework for Disaster Risk Reduction 2015-2030 was adopted at the Third United Nations World Conference on Disaster Risk Reduction, held from 14 to 18 March 2015 in Sendai, Miyagi, Japan, which represented a unique opportunity for countries:

(a)	To adopt a concise, focused, forward-looking and action-oriented post 2015 framework for disaster risk reduction;
(b)	To complete the assessment and review of the implementation of the Hyogo Framework for action 2005-2015: Building the Resilience of Nations and Communities to Disasters;
(c)	To consider the experience gained through the regional and national strategies / institutions and plans for disaster risk reduction and their recommendations, as well as relevant regional agreements for the implementation of the Hyogo Framework for Action.
(d)	To identify modalities of cooperation based on commitments to implement a post 2015 framework for disaster risk reduction;
(e)	To determine modalities for the periodic review of the implementation of a post 2015 framework for disaster risk reduction.

During the World Conference, States also reiterated their commitment to address disaster risk reduction and the building of resilience to disaster with a renewed sense of urgency within the context of sustainable development and poverty eradication, and to integrate, as appropriate, both disaster risk reduction and the building of resilience into policies, plans, programmes and budgets at all levels and to consider both within relevant frameworks.

3.II. GOAL

To prevent expecting and existing disaster risk through implementation of integrated and inclusive economical, structural and technological measures, that prevent and reduce hazard exposure and

vulnerability to disaster, increase preparedness and recovery and to strengthen resilience.

While some progress in building resilience and reducing losses and damages has been achieved, a substantial reduction of disaster risk requires perseverance and persistence, with a more explicit focus on people and their health and livelihoods, and regular follow-up. Building on the Hyogo Framework for Action, the present Framework aims to achieve the following outcome over the next 15 years:

The Substantial reduction of disaster risk and losses in lives, livelihoods and health and in the economic, physical, social, cultural and environmental assets of persons, businesses, communities and countries.

The realization of this outcome requires the strong commitment and involvement of political leadership in every country at all levels in the implementation and follow-up of the present Framework and in the creation of the necessary conducive and enabling environment.

3.(III). ACTION PLAN

Taking into account the experience gained through the implementation of the Hyogo Framework for Action, and in pursuance of the expected outcome and goal, there is a need for focused action within and across sectors by States at Local, National, Regional and Global levels in the following four priority areas:

Priority 1 :Understanding disaster risk.

Priority 2 :Strengthening disaster risk governance to manage disaster risk.

Priority 3 : Investing in disaster risk reduction for resilience.

Priority 4 : Enhancing disaster preparedness for effective response and to “ **Build Back Better**” in recovery, rehabilitation and reconstruction.

2. In their approach to disaster risk reduction, States, Regional and International organizations and other relevant stakeholders should take into consideration the key activities listed under each of these four priorities and should implement them, as appropriate, taking into consideration respective capacities and capabilities, in line with national laws and regulations.

3. In the context of increasing global interdependence, concerted international cooperation, an enabling international environment and means of implementation are needed to stimulate and contribute to developing the knowledge, capacities and motivation for disaster risk reduction at all levels, in particular for developing countries.

3.(IV). DISASTER RISK

Disaster risk governance at the national, regional and global levels is of great importance for an effective and efficient management of disaster risk. Clear vision, plans, competence, guidance and coordination within and across sectors, as well as participation of relevant stakeholders, are needed. Strengthening disaster risk governance for prevention, mitigation, preparedness, response, recovery and rehabilitation is therefore necessary and fosters collaboration and partnership across mechanisms and institutions for the implementation of instruments relevant to disaster risk reduction and sustainable development.

2) Public and private investment in disaster risk prevention and reduction through structural and non-structural measures are essential to enhance the economic, social, health and cultural resilience of persons, communities, countries and their assets, as well as the environment. These can be drivers of innovation, growth and job creation. Such measures are cost-effective and instrumental to save lives, prevent and reduce losses and ensure effective recovery and rehabilitation.

3.(V). DISASTER PREPAREDNESS

The steady growth of disaster risk, including the increase of people and assets exposure, combined with the lessons learned from past disasters, indicates the need to further strengthen disaster preparedness for response, take action in anticipation of events, integrate disaster risk reduction in response preparedness and ensure that capacities are in place for effective response and recovery at all levels. Empowering women and persons with disabilities to publicly lead and promote gender equitable and universally accessible response, recovery, rehabilitation and reconstruction approaches is key. Disasters have demonstrated that the recovery, rehabilitation and reconstruction phase, which needs to be prepared ahead of a disaster, is a critical opportunity to “ **Build Back Better** “, including through integrating disaster risk reduction into development measures, making nations and communities resilient to disaster.

3.(VI). DISASTER RISK REDUCTION 2015-2030

In the two years since the Sendai Framework for Disaster Risk Reduction 2015-2016 was agreed by Member States, much progress has been made in reducing disaster risk. Numerous countries have aligned their national strategies with the Sendai Framework, early warning systems have been strengthened, disaster risk management legislation has been enacted and public education and training has intensified.

2. At the same time, the Global Platform for Disaster Risk Reduction, hosted by Mexico in 2017 in Cancun, highlighted the enormous challenges that remain. The economic costs of disasters continue to escalate, in some

places faster than gross domestic product, as a consequence of poorly risk-informed economic planning and investment. Climate change is increasing and represents a fundamental threat to efforts to reduce disaster risk. It is exacerbating existing natural hazards, with cascading impacts on livelihoods, food security, displacement and even conflict.

3. Integrating disaster risk management, including climate risk, in sustainable development planning and budgets at the national and sub national levels will require strong national coordination mechanisms that meaningfully engage all relevant institutions and stakeholders, as well as coherent support from the United Nations system. This coordination and engagement will be essential if Member States are to achieve the Sendai Framework global target that the earliest deadline, namely to have national and local disaster risk reduction strategies in place by 2020.

4. To reduce the disaster risk, it is a most priority as we seek to hold back the tide of rising the Human and Cattle losses and also economic. It is an impact can be catastrophic for reduction of poverty and sustainable development efforts in an area. Heavy rains causing floods in low lying areas can be severely affected in the district. Lightning is the most unexpected disaster, which will make hazard not only to human lives but also to affect the buildings severely. The land use pattern in the area has also changed drastically, which adds to severity of the disaster of the district. So, it is highly necessary that every district starts focus Sendai Framework for Disaster Risk Reduction.

5. The substantial reduction of disaster risks and losses in lives, livelihoods and health and in the economic, physical, social, cultural and environmental assets of persons, business, communities and countries.

3.(VII). GENERAL

In general, this District (Pudukkottai) is having 48.2 Kms of long Coastal Line covering in two Taluks viz., Manamelkudi (full) and Avudyarkoil (part) of Aranthangi Division and a number of 5800 fishermen families are living in those areas. All of them are having their earnings only from the fishing in the Sea of Bay of Bengal. During the monsoon periods, the fishermen's are being faced with lot of troubles to their livelihoods. At the time of Flood the fishermen and other people living in low lying areas are evacuating to the Cyclone Shelters and Multi Purpose Evacuation Shelters in Pudukkottai District. (10 Multi Purpose Evacuation Shelters are situated in the Coastal areas for safeguarding them.) The District Administration has identified 77 vulnerable locations and a list of Swimmers, Climbers, Snake catchers and First responders also ready in the district.

2. The DDM Plan is up to-dated and uploaded in our District Website. Nearly 12 Inter-Zonal Teams and 8 Committees viz., (Early Warning Committee, Search Rescue and Evacuation Committee, Shelter & Relief Committee, Water ways management including Eviction of Encroachment

Committee, Public Health Committee, Traffic Management Committee, Health Management Committee and Deployment & Traffic Plan are formed to face any consequences at the time of hazard in the district.

To reduce the disaster risk, it is a most priority as we seek to hold back the tide of rising the Human and Cattle losses and also economic. It is an impact can be catastrophic for reduction of poverty and sustainable development efforts in an area. Heavy rains causing floods in low lying areas can be severely affected in the district. Lightening is the most unexpected disaster, which will make hazard not only to human lives but also to affect the buildings severely. The land use pattern in the area has also changed drastically, which adds to severity of the disaster of the district. So, it is highly necessary that every district starts focus Sendai Framework for DRR.

The substantial reduction of disaster risks and losses in lives, livelihoods and health and in the economic, physical, social, cultural and environmental assets of persons, business, communities and countries.

4. DISTRICT ADVISORY COMMITTEE

The District advisory committee has been set up with a view to monitor all the coordination work in this district, during the monsoon period, and also to take day to day decisions such as relief measures and to ensure public safety in the disaster prone areas and to take all effective efforts to avert any damages and to save human and animal lives in the vulnerable places of the district. This committee is also empowered with the responsibility of rendering rescue operation in times of danger due to Flood, Cyclone, Tsunami and any other disaster and to provide shelter and to supply medicine, food and monitor various communication network and also to watch the timely reporting to Government about the damages such as loss of life, crop, hut damages etc., and distribution of relief measures. The Composition of the committee is as follows:-

OFFICIAL MEMBERS

1. District Collector, Pudukkottai: Chairman
2. District Revenue Officer, Pudukkottai: Vice Chairman
3. Personal Assistant to Collector (General), Pudukkottai Secretary
4. Project Director, D.R.D.A., Pudukkottai
5. Superintendent of Police, Pudukkottai
6. Superintending Engineer (TNEB), Pudukkottai
7. Special Officer, DCCB Pudukkottai
8. Assistant Director (Inland Fisheries), (Marine), Pudukkottai
9. Executive Engineer, (South Vellar) PWD Pudukkottai.
10. Divisional Engineer (HW), Pudukkottai
11. Regional Transport Officer, Pudukkottai

12. District Forest Officer, Pudukkotttai.
13. Revenue Divisional Officer, Pudukkotttai
14. Revenue Divisional Officer, Aranthangi
15. Revenue Divisional Officer, Illuppur
16. Assistant Director (Audit), Pudukkotttai
17. Assistant Director (Panchayat), Pudukkotttai
18. Joint Director of Medical Services, Pudukkotttai
19. Deputy Director of Health Services, Pudukkotttai/ Aranthangi.
20. District Supply Officer, Pudukkotttai
21. Corporation Commissioner, Pudukkotttai
22. Municipal Commissioner, Aranthangi
23. Area Commander, Home guard, Pudukkotttai
24. District Fire Officer, Pudukkotttai
25. Group Commander, N.S.S., Rajah's College, Pudukkotttai
26. Programme Coordinator, Nehru Yuvakendra, Pudukkotttai

NON-OFFICIAL MEMBERS

1. Member of. Parliament., Trichy/Sivaganga/Ramnad/Karur.
2. M.L.A., Pudukkotttai
3. M.L.A., Alangudy
4. M.L.A., Thirumayam
5. M.L.A., Gandarvakkottai
6. M.L.A., Viralimalai
7. M.L.A., Aranthangi
8. Corporation Mayor, Pudukkotttai
9. Municipal Chairman, Aranthangi
10. Panchayat Union Chairman, Aranthangi
11. Panchayat Union Chairman, Avudayarkoil.
12. Panchayat Union Chairman, Manamelkudi
13. Panchayat Union Chairman, Arimalam,
14. Panchayat Union Chairman, Annavasal,
15. Panchayat Union Chairman, Thirumayam,
16. Panchayat Union Chairman, Thiruvarankulam,
17. Panchayat Union Chairman, Kunnandarkoil
18. Panchayat Union Chairman, Pudukkotttai
19. Panchayat Union Chairman, Ponnamaravathy,
20. Panchayat Union Chairman, Viralimalai
21. Panchayat Union Chairman, Gandarvakottai
22. Panchayat Union Chairman, Karambakudi

The District Advisory Committee will educate the public not to feel panic on the occurrence of any disaster and to face the situation efficiently and to manage and mitigate the event.

5. COMMUNITY AWARENESS AND INVOLVEMENT

(Community & other stakeholder's participation)

The successful implementation of a Cyclone/Flood disaster management plan lies not only on the involvement and commitment on the part of various departments but also on the co-operation extended by the public. Only if the public are co-operating with the district administration, the damages can be mitigated and early rehabilitation can be achieved.

The people are to be sensitized and made aware about due actions to be taken by them to mitigate and to reduce the damages due to Cyclone/Flood disasters. They have to be taught how to react to the situation warned by the cyclone signal. The “anti-disaster day of natural calamities“ is celebrated every year in the district and also at taluk level. The District Administration is arranging for mock drills to be performed by the Fire Services, Police, Home Guard and NCC Cadets in front of the public and students in every year, so that they could honour about the rescue measures.

It is important that necessary informations may be broadcasted to the public well in advance to make the Community awareness about the vulnerable villages and the places for shelters in case of evacuation.

Further, it is concerned with policies and programmes to prevent the recurrence of natural disasters and covers the long-term aspect of such disasters. The small price to pay for any method of prevention and protection pays off in the long run. Any disaster prevention strategy will essentially have two main components:

- i) To increase public awareness of natural hazard risk and to reduce significantly the risk of the loss of life, injury, economic cost and
- ii) Destruction of natural and cultural resources due to natural disasters.

IN THIS FIVE KEY ELEMENTS ARE ESSENTIAL

1. Hazard identification and risk assessment,
2. Applied research and technology transfer,
3. Public awareness training and education,
4. Incentives and resources, and
5. Leadership and co-ordination.

Through these plans, the way of relief organizations and the communities deal with disasters will be improved. As the population increases, it is expected that economic and social costs of disasters will increase every year. The need to prevent property damage, disaster costs, injury and deaths is increasing because with raising population.

More and more people will live and work in regions of natural disaster risks. With the established and anticipated disaster programs, communities can prepare and recover faster, however we must not forget the severity of any disaster and we must remember the task to be prepared for all of them.

6. MITIGATION MEASURES UNDERTAKEN

Actions to take in case of an emergency or to lessen the impact if it does happen (i.e. flood plain management, buildings codes, land use planning, strapping water heaters, etc.) are known as mitigation. This is most crucial component in any disaster management exercise. It may be in the form of creating awareness, building long term or short-term infrastructure in hazard zones, aid planning, etc. Mitigation opportunities may arise any time where the awareness of the disaster is high, e.g., disaster scare-however unfounded it seems, post disaster, during disaster or during such seasons in areas prone to disasters. Attention to such opportunities can help in tackling any future emergencies.

Mitigation measures are taken to reduce the adverse effects hazards to the minimum possible or eliminated them fully if feasible. For Cyclone and Flood damages mitigations, proper designing and construction techniques with the use of appropriate construction materials would go a long way make the dwelling houses resisting to the great extent.

Hazard Mitigation refers to sustained measures enacted to reduce or eliminate long-term risk to people and property from natural hazards and their effects. In the long term, mitigation measures reduce personal loss, save lives and property damages and also reduce the cost to the nation of responding to and recovering from disasters.

RESPONSE PLAN

All emergencies require time-sensitive reaction and intervention to minimize loss of lives and property. It may involve reactions from different units working separately but in tandem. It involves immediate response to the situation, stabilization of the situation for regrouping of resources and taking up mitigation measures. It should result in short-term recovery, which ultimately sets the tone for a successful long-term recovery.

It is mainly the activation and implementation of operational systems which includes activating the system of emergency communication and transportation, processing and disseminating information, alerting support organisations, co-ordinating and deploying resources, arranging outside assistance providing basic amenities such as food, water, light, medicines and cloths etc., and assessing the damage and ensuring relief distribution.

7. DISASTER MANAGEMENT – PREPAREDNESS

The approach of this programme is to sensitize build and strengthen community capacities and to build partnership with all Disaster Risk Management Programme stakeholders and also for reducing vulnerabilities with specific emphasis on women and children. The thematic focus is an awareness generation, education, training and capacity building for better preparedness and mitigation in terms of Disaster Risk Management and recovery at community, District and State level and strengthening of State and District disaster Risk Management Information Centres for accurate and timely dissemination of warning.

It is the process of addressing an event that has the potential to seriously disrupt the social fabric of the community. It is similar to disaster mitigation, however it implies a whole-of government approach to use community resources to fight the effects of an event and assumes the community will be self-sufficient for periods of time until the situation can be stabilized. Through disaster management, we cannot completely counteract the damage but it is possible to minimize the risks through early warning, provide developmental plans for recuperation from the disaster, generate communication and medical resources, and aid in rehabilitation and post-disaster reconstruction. The exchange of correct information following the event is important, in order to ensure the resources necessary to support response and recovery activities.

The 72 hours following a major event is the most difficult time because of a lack of coordination among relief organizations. Problems that interrupt rather than coordinate the rescue efforts of all groups involved often occur because of hasty decision-making under complicated circumstances and the large number of organizations, which are unsure of their roles during operations.

The vital output of this project is multi-hazard risk management and sustainable recovery plan at community, Panchayat and other administrative levels. This programme is providing its services by giving fundamental understanding about Disaster Risk Management to all the local bodies in Pudukkottai District.

8. MOCK DRILLS & TRAINING

Mock Drills are conducted periodically at the District Headquarters and Taluk Headquarters by the Fire and Rescue Departments with the coordination of Police, Health Department, PWD and Social organizations etc., to create awareness among general public and the pupils. In other important towns of taluk and block level, mock drills are being conducted systematically every year. Beyond that, Rallies are also being conducted by the Government officials along with the pupils in the major towns and taluk headquarters for creating awareness.

Further, during 13th October of every year, the National Disaster Reduction Day is conducted in the District Headquarters and Taluk Headquarters to create awareness for accessing the level of preparedness and also to create mass awareness among the public

9. WARNING SYSTEM

DISASTER WARNING SYSTEM

The IMD Centre at Chennai will communicate the warning relating to Cyclone, Tsunami, Earthquake and heavy rain through disaster warning system installed in the district, then and there. The address and Phone Numbers of the Important Officials of the Meteorological Centre to be contacted in emergencies are as follows

S.No	Address	Office Phone Numbers
1.	India Meteorological Department (For Cyclone and Rains related information)	044-28271951 Email: metmnds@bsnl.in
2.	Indian National Centre for Ocean Information services (For Tsunami related information)	040-23895002 http://www.incois.gov.in/

The Disaster warning system is installed at Collector's Office, Pudukkottai, R.D.O's Office, Aranthangi, Taluk Office, Avudayarkoil and Manamelkudi to forecast weather system in this District. The messages will be received in all the above four places from the Met Centre, Chennai, if any warning is received. The Collector will in turn communicate this message to all other district officials immediately. Staff from the Meteorological Department, Chennai has inspected Disaster Warning System installed in the district, for effective functioning of the system.

THE FOLLOWING OFFICERS ARE ENTRUSTED WITH THE RESPONSIBILITY FOR THE EFFECTIVE FUNCTIONING OF THE DISASTER WARNING SYSTEM IN THE DISTRICT.

S.No.	Designation of the Officers	Phone Number
1.	Personal Assistant (General) to Collector, Collectorate, Pudukkottai.	9445008146 04322 221658
2.	Tahsildar (Disaster Management) Collectorate, Pudukkottai	04322 222207 Toll Free No.1077
3.	Revenue Divisional Officer, Aranthangi.	9445000469 04371 220589
4.	Revenue Divisional Officer, Illuppur	9445461803 04339 272049
5.	Revenue Divisional Officer, Pudukkottai	9445000468 04322 222219
6.	Tahsildar, Avudaiyarkoil and H.Q.D.T., Avudaiyarkoil	9445000645 04371 233325
7.	Tahsildar ,Manamelkudi and H.Q.D.T., Manamelkudi	9445000646 04371 250569

10. INSTITUTIONAL ARRANGEMENTS FOR DISASTER MANAGEMENT TRIGGER MECHANISM AND OPERATIONAL DIRECTION

A disaster by definition is associated with unpredictability – one cannot really predict exactly where, when and with what intensity a disaster would strike. The mantra, therefore, is to be prepared for such an eventuality. The district is the highest administrative unit at the field level. The institution of the District Collector also provides the leadership required for an administrative area to work as a unit. This is, inter alia, the disaster management plan is prepared at the district level also to assess the vulnerability of district to various major hazards so that appropriate steps can be taken in the event of any disaster.

PRECAUTIONARY MEASURES (RESPONSE PLAN)

Being a Coastal with a few numbers of rivers and many more major and minor water tanks for irrigation and drinking purpose, Pudukkottai district is prone to floods in low lying areas, in coastal areas and the areas near to rivers and major water tanks.

The Revenue Divisional Officers/Tahsildars are held responsible to identify the pucca public buildings and they may be kept ready with sufficient facilities to accommodate the evacuees/victims. They may be called as shelter homes. Each shelter home is incharge of a Village Administrative Officer. The Village Administrative Officer is fully responsible for the evacuation at his respective village and the Team/Zonal Officers, who are assigned duty are monitored the respective shelters with the assistance of the Village Administrative Officers. As soon as a cyclone or flood warning is received and it is expected to cause vulnerable damages in the habitations, the Village Administrative Officer responsible for the evacuation should immediately arrange to move the residents of the low lying areas to the shelter homes and ensure that the low lying residents are safely evacuated.

The Team/Zonal Officers should immediately go around and ensure that relief operations are carried out on war-footing manner. They should also arrange to feed food to the affected victims without any delay and the fact may also be reported to the higher officials then and there. They must keep in touch over phone with the higher officials frequently and act according to the instructions given by the higher authorities efficiently.

11. RELIEF AND RESCUE OPERATIONS

It refers to actions to restore the community to pre-disaster conditions to the degree possible. The Local Administration and the officials of State Governments share the responsibility for protecting their citizens from disasters, and for helping them to recover when a disaster strikes. It may mean providing basic human needs like food, clothing, and shelter,

establishing necessary lifeline systems like power, communication, transportation and ensuring social needs of rule of law, sanitation, rebuilding confidence etc.

All the department officers right from the lower to the top are jointly or solely responsible for the relief operations on account of Cyclone and Flood in their respective jurisdiction.

The field level officers concerned should attend the flood relief operations very swiftly by applying their presence of mind on the time of crisis and to take quick decision to manage and tackle any crisis and this is the essential ingredient for carrying out the relief operations in war footing manner.

It is also stressed that there should be sense of awareness on the part of every authority who would involve themselves, take note of specific problems and find solutions for them in a co-ordinated way. Every work entrusted to them must be done neatly with a sense of urgency and compassion for human/cattle lives.

12. INTER DEPARTMENTAL ZONAL TEAMS

Copy of Whatsapp Message from Principal Secretary / Commissioner of Revenue Administration, Chennai-5. Dated.06.05.2017

There is a need to conduct a review meeting with zonal officers appointed to monitor drinking water and fodder and ensure that they visit all villages attached to them to check supply of drinking water, availability of fodder. Since we are moving into critical phase of summer **close monitoring on daily basis at village level** is required to identify problems and address them. Senior Officers also to visit as many villages as possible to check availability of water and fodder.

The duties and responsibilities of the Inter-Departmental Zonal Teams are as follows:

They are responsible for all activities of Preparedness, Rescue, Relief and immediate Restoration in those areas. They should actively involve the First Responders in respective areas to ensure timely evacuation and minimize the loss of lives. They should be sensitized to prioritize most vulnerable like differently abled, senior citizens, women and children.

It should be ensured that exclusive teams are formed for areas of Very high vulnerability and high vulnerability to the extent possible. Backup teams should also be constituted to provide relief to the main teams.

All Inter Departmental Zonal Teams should have the booklet of vulnerability maps and should familiarize the issues concerned and interact closely with First Responders.

Further, The team should visit vulnerable areas in the respective Taluk and inspect the works taken up in the water bodies including tanks/ supply channels in the Vulnerable areas under MGNREGS/ CSR/ THAI, Watershed and Other schemes and desilting works carried out as per G.O. Ms.No.50, Industries, Dt:27.4.2017.

Further, the teams are directed to identify encroachments in the water bodies and evict them before the onset of North East Monsoon. The Inter-Departmental Zonal Teams must submit their inspection reports with photographs within a week.

XI. DEPLOYMENT AND TRAFFIC PLAN.

1.	Whether deployment plan has been prepared taking into account vulnerability analysis.	<p>Yes. Based on the vulnerability, in order to ensure quick arrival of rescue team to particular place without traffic, the deployment plan will be made.</p> <p>Deployment of Police Strength : SI-1, PC's-2 (Each Station round the clock patrolling) (43 Police Stations)</p> <p>Deployment of fire Strength : Station Fire Officer -1, Fire Man -11 (Each Fire Stations) (13 Stations)</p> <p>1. Apart from the above deployment Police and Fire Strength are deployed for the flood rescue operations with adequate rescue equipments in Pudukkottai District. In addition to the above deployment, services of the Fisherman (Total Swimmer: 157 (Fire Service Fireman with Snake Catchers-11) may be utilized for rescue operation.</p> <p>2. Armed Reserve: Inspector -2, Sub Inspector-9 Special sub inspector-21, Head constable-48, GrI PC -17, GrII PC-200, GrII WPC-143 Total 440</p> <p>3. Home Guard : Area commander :1, Deputy Area Commander -1, Home Guards 337.</p>
2.	Steps taken to ensure free flow of traffic in case of eventuality and alternate routes identified to reach the disaster site for the commencement of relief and rescue operations without delay.	Alternate routes were identified.
3.	Preparation of traffic plan by police to establish green corridor to very highly and highly vulnerable areas.	Prepared already.

13. DAMAGES ASSESSMENT AND IMMEDIATE RESTORATION AND REHABILITATION

The Revenue and Agriculture department officials are being suitably instructed by the District Collector during the periodical review meetings to assess the damages and give immediate Relief and Rehabilitation due to the urgency classes in the event of Flood/heavy rains then and there.

The Village Administrative Officer in each village is responsible for reporting the case of occurrence of natural calamity to the Tahsildar/Revenue Divisional Officer without loss of time. The Tahsildar will be held responsible for sending a team of officials to the affected areas to survey the damages caused, assess the relief measures to be undertaken and rush up to the spot with the subordinates to supply of relief materials including first aid team, if necessary, and food stuff irrespective of cost involved and at the same time, he must report the fact to the Revenue Divisional Officer and also to the Collector by immediate possible means.

IV. RECOVERY AND RECONSTRUCTION PLAN OF VARIOUS DEPARTMENTS

1. REVENUE AND DISASTER MANAGEMENT DEPARTMENT

Revenue Department is the key functionary at the District, Division and Taluk levels, entrusted with the task of Disaster Management and Mitigation. The main responsibility of the Revenue Department is to inspire confidence of the public at the time of contingency and also to actively co-ordinate with other departments in arresting the flood damages, mobilize rescue operations and in tackling the flood situation and any disaster and handle relief measures properly.

In the event of information of disaster striking the district is received, the entire Revenue machinery at all levels is self activated without requiring any directions from the high level authorities to act and the role and responsibility of each officer at various levels of Revenue Department, has to be unambiguous and the system should be in the state of alert during the normal flood and the cyclone period.

THE DETAILS OF PHONE NO. OF REVENUE DIVISIONAL OFFICERS AND TALUK TAHSILDARS ARE GIVEN BELOW DIVISIONS

S.No	Name of the Office	Office Phone	Mobile No.
1.	Revenue Divisional Officer, Aranthangi.	04371 220589	9445000469
2.	Revenue Divisional Officer, Pudukkottai.	04322 222219	9445000468
3.	Revenue Divisional Officer, Illuppur.	04339 272049	9445461803

TALUKS

S.No	Name of the Office	Office Phone	Mobile No.
1.	Pudukkottai	04322 221566	94450 00641
2.	Alangudi	04322 251223	94450 00640
3.	Karambakudi	04322 255199	73734 37862
4.	Gandarvakkottai	04322 275733	94450 00642
5.	Thirumayam	04333 274223	94450 00643
6.	Aranthangi	04371 220528	94450 00644
7.	Avudaiyarkovil	04371 233325	94450 00645
8.	Manamelkudi	04371 250569	94450 00646
9.	Illuppur	04339 272300	94450 00639
10.	Kulathur	04339 262223	94450 00638
11.	Ponnamaravathy	04333 260188	90804 87553
12.	Viralimalai	04339 220777	79042 77767

2. POLICE DEPARTMENT

The Police department's main work is to open up the common network through V.H.F. etc. As the department has lot of resource personnel trained in various security tasks and relief operation, it has to render necessary assistance in the two-way

Communications and also active involvement in the rescue operations besides ensuring public safety

The Superintendent of Police, Pudukkottai and all Station Police Officers have been advised to keep full alert during the monsoon period. One V.H.F. set is installed at Collectorate, Pudukkottai during the monsoon period to receive and communicate important messages about rain, flood or cyclone as the case may be. The District Emergency Operation Centre/Flood Control Room is now functioning at Collector's Office, Pudukkottai and

Collectorate staff have been appointed to monitor the flow of communication round the clock so as to take necessarily follow up action immediately. A roaster is kept in the custody of Tahsildar (Disaster Management), Collectorate and periodically Personal Assistant (General) to Collector and District Revenue Officer, check the person in portion to ensure the message received is properly attended to.

Simultaneously, a control room may function in each Taluk Office during the monsoon period and post a separate staff not less than in the rank of Deputy Tahsildar round the clock to receive the informations and to pass on them to the higher officials well in advance, so that the relief measures can be taken by the relevant departments quickly. Further a duty chart may be maintained at each control room (Taluk) and a record book of messages received and communicated, may be kept available at the Control room for perusal of the High level officers. The Tahsildar concerned will be responsible for functioning of the control room and he should check the above record register often and often, so as to enable him to proceed further action in the relief and rescue operations effectively.

The Superintendent of Police should arrange to ensure that the control rooms are equipped with the wireless sets in good condition for all the 24 hours, so that the communication of messages may be successfully carried out through the VHF available in all the Police Stations.

The Police officials should co-ordinate with the officials of Revenue and other departments in the event of any contingencies arising due to heavy rain, flood and cyclone. The Superintendent of Police may be requested to keep with him the list of good swimmers and divers in each circle, so that their services can be well utilized for the purpose directed. Besides the services of the Reserve Police force with Special Battalion and NCC forces in the district may also be utilized if contingency arised in consultation with the District Collector.

17	STATION OFFICER FIRE PREVENTION WING -PUDUKKOTTAI	9445086449

The trained and dedicated fire-service personnel have been asked to keep a close watch of the situation and their services will be utilized for rescuing persons in the event of Flood and Cyclone. All the Fire Stations are equipped with chemical foam compound to fight fire accidents that may cause due to explosion of Petroleum and Chemical products.

The District Fire Officer, Pudukkottai should keep ready with their staff, vehicles, ambulances and all other appliances in all the Fire Stations for any relief measures required to be carried out during any hazardous situations. Their services are quite important at that time and therefore, the Divisional Fire Officer should take immediate action to get the vehicles repaired and replace the worm out tubes, pipes and other mechanical contrivances urgently.

Mock Drills are being conducted every year with the coordination of Police, Medical department etc., to create awareness among general public in the important places, periodically. Especially during the North East Monsoon period, mock drills are conducted frequently at District Headquarters, Taluk Headquarters and vulnerable Coastal Fishermen areas.

4. RURAL DEVELOPMENT DEPARTMENT

The Panchayat Union Commissioners are strictly instructed to keep a close watch on minor irrigation tanks under their control for breaches that may occur during heavy rain and to take preventive steps with the assistance of elected Members of Local bodies and Panchayat Presidents. They should also oversee the Panchayat Roads in their jurisdiction very closely.

The Assistant Director of Town Panchayat and all the Panchayat Union Commissioners should ensure proper supply of drinking water, prevention of health hazard, removal of animal core, provision of medicines to the affected victims in the respective areas through their subordinate officers concerned. They should get in touch with the Taluk Tahsildars during relief and rehabilitation measures and render proper co-operation and co-ordination in handling the situation critically. They should restore water supply, power supply etc., wherever necessary. Adequate number of sintex tanks should be purchased and kept ready to store drinking waters in the needy areas.

Further, the Highways department is programmed to tackle situation at the time of emergency to prevent the traffic interruption by the following ways.

- I. Premonsoon (or) Pre Rainy season.
- II. During the Rainy season.
- III. After the Rainy season and cyclone.

(I) PRE RAINY SEASON

The Action taken during the pre rainy season is as follows.

(i) IDENTIFICATION OF VULNERABLE LOCATION

The lists of vulnerable locations were indentified from the experience of previous cyclone and floods. For this locations additional attention are provided to monitor the situation during cyclone and foods.

(ii) MEN AND MATERIALS

The following materials are kept ready to tackle the situation during the flood and cyclone.

1. Sand in lump sum Quantity
2. Sand bags
3. Casuarina poles.
4. Latrite and debris
5. Metal
6. RCC Pipes
7. Power saw
8. Grow bar
9. Axe
10. Pans
11. Spade
12. Generator
13. Pump set
14. JCB and Tipper

(ii) LABOUR AND GANGS

The Gangs available with department and Labour for emergencies are kept in alert to tackle the situation.

(iii) LIST OF CONTRACTORS

The list of Division level contractors are prepared for attending emergency work. They have to be alerted to meet the situation during the calamities.

(II) DURING THE RAINY SEASON

1. At the time of rain it is planned to remove the wind fallen trees immediately with power say by gangs to avoid interruption of traffic.
2. Red flags with poles are kept ready to demarcate the road portions at over flow locations of the road to avoid sliding of the vehicles.
3. If deep erosion and breaches occurred sand bags, casurina poles gang men are kept ready to tackle the situation.

(III) AFTER THE RAINY SEASON AND CYCLONE

After the flood and cyclone the restoration operation involves two phases.

1. Temporary Restoration
2. Permanent Restoration.

1. TEMPOARY RESTORATION

In temporary restoration the following activities will be performed to restore the riding surface temporarily.

(i) REMOVE FALLEN TREES

The fallen trees will be removed either by using power saw or JCB and department Gangs.

(ii) RESTORATION OF BREACHES AND ERODED BERMS

The breaches are attended immediately after the flood by using sand bags. If water flow is not receding immediately, RCC Pipes are provided at the breaches. The traffic is allowed immediately by providing latrite and metel.

The erode berms are attended immediately by providing Mudasal by using sand bags and casuarinas poles.

(iii) RESTORATION OF RIDING SURFACE BY ATTENDING POT HOLES

The pot holes are attended by providing laterite and Metal. The WBM or WMM are provided as temporary restoration on riding surface.

(iv) RESTORATION OF DAMAGED CULVERT

The RCC 900 mm dia Pipes are provided for immediate restoration of damaged culvert. The Mudasal are provided on either side of the pipe. The traffic is allowed by providing latrite and Metal over pipes.

2. PERMANENT RESTORATION

On permanent restoration, the following activities will be performed to restore the riding surface permanently.

1. PERMANENT RESTORATION OF RIDING SURFACE.

The renewal of riding surface will be done for free flow of traffic.

2. PERAMANENT RESTORATION OF ERODED BERMS

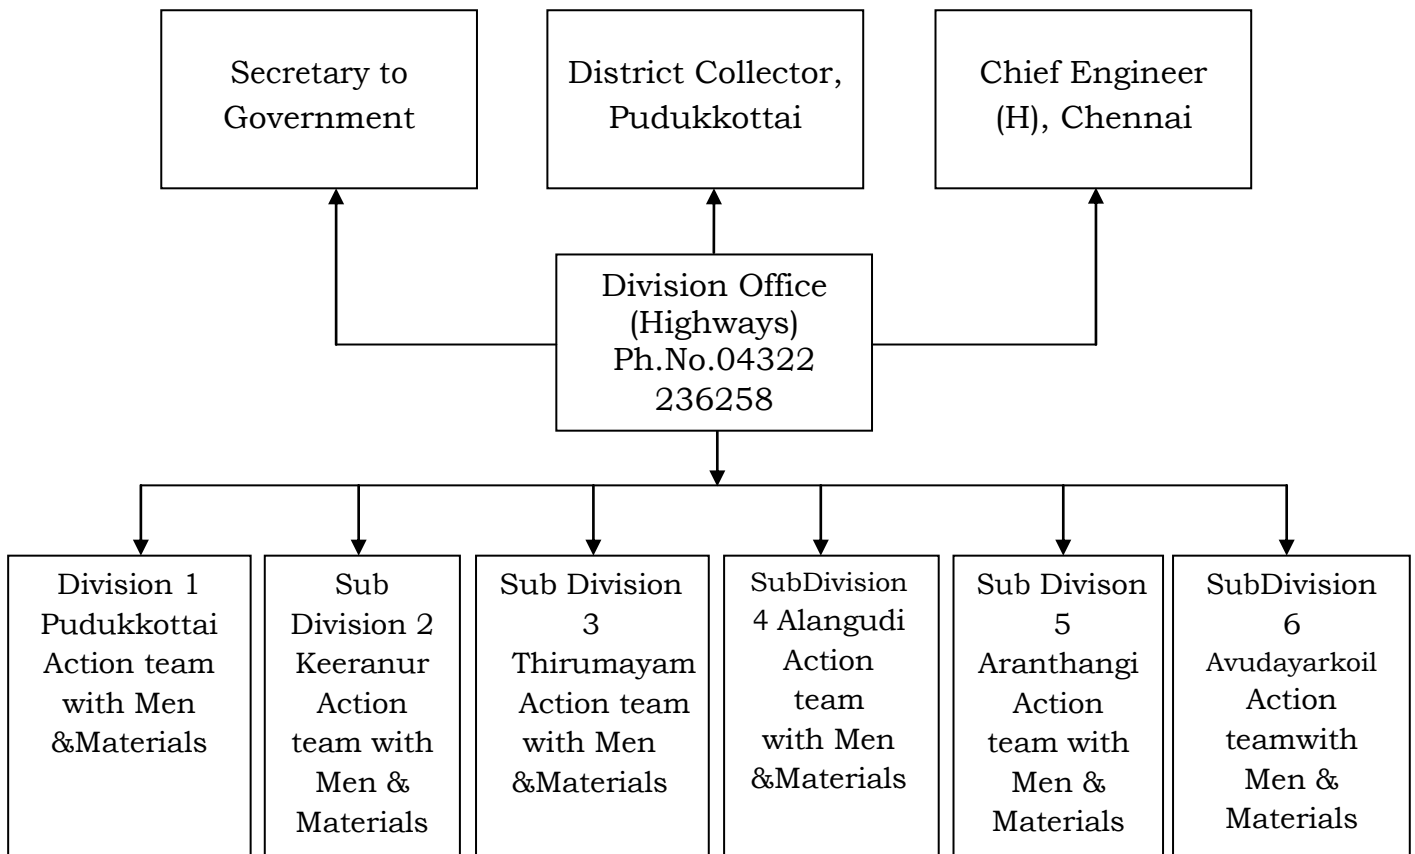

The retaining wall will be provided to protect the berms permanently, where erosion occurred regularly.

3. PERAMANENT RESTORATION OF CULVERT AND BREACHES

The RCC Pipe or Slab culvert are reconstructed for restoration of damaged culvert and breaches, where essentially required.

MODE OF COMMUNICATIONS

1. The flood control rooms are set up at division and Sub-Divisions to receive the flood damage reports from the field officers then and there.
2. Arrangements are made to intimate the message to the Chief Engineer (H) Chennai, Secretary to Government and District Administration.

In general, sub-ordinate officers are instructed to be alert during the rainy season without going on leave.

Even during holidays, turn duty system is adopting at division and Sub-Division levels.

The contractors were identified for attending emergency work during rainy season. The list of contractors with contact number is kept ready.

10. MEDICAL AND PUBLIC HEALTH DEPARTMENT

The Joint Director of Medical and Rural Health Services and the Deputy Director of Public Health have been instructed to form two emergency teams consisting of following staff under the leadership of Joint Director of Medical Services. They should monitor the Teams, render services along with the assistance of all health staff employed at Panchayat Unions and Town Panchayats and also bear the following responsibilities and discharge duties in the affected areas in consultation with the District Collector and the Emergency Relief Organisations. In case of Cyclone/Flood situation, a medical team should move immediately and do the needful to the affected victims' along with the services of social organisations and relief personnel.

THE FOLLOWING BASIC RESPONSIBILITIES SHOULD BE PLANNED FOR

- i) Maintenance or restoration of safe water supply and temporary measures of rendering water, safe for drinking and other essential uses.
- ii) Disposal of corpses and car cases
- iii) Adequate food inspection, especially inspection of emergency kitchen and canteens.
- iv) Tightening of existing sanitation regulations and devising measures for preventing spread of diseases among millet cattle.
- v) Maintenance or restoration of sanitation standards in the disposal of

- sewage and solid waste despite loss or diminution of water-supply.
- vi) Regulation of sanitation in shelters and emergency camps.
 - vii) Control of rodents and insects which carry diseases, destroy, food or become serious nuisances.
 - viii) Prevention of epidemics by mass inoculation or vaccination.
 - ix) Requirements for health relief.
 - (a) Disinfectants such as bleaching powder, chlorine liquid, water purifying tablets, phenyl cresol, Horrock's apparatus and chloroscopes for ensuring Quantity for free chlorine and supplying safe potable and supplying safe potable and protected water.
 - (b) Mobile water tankers, canvas water tanks, drums and jerry cans for transporting drinking water.
 - (c) Vaccine – Anticholera vaccine, D.P.T. Vaccine, Tetanus toxoid and jet vaccination machines
 - (d) Insecticides such as D.D.T. Pyrethrum and Bygon Belt
 - (e) Wood plat forms (10X4') with holes (10X12') with lids for construction of deep trench latrine in the evacuee camps as per scale of 10 seats per 100 persons. Materials are locally available such as bamboo, mats, birkimats, palmyrah leave may be utilised for construction of side wall partitions.

In the event of hazard, another medical treatment team should rush up to affected area readily keeping with them sufficient medicines and life saving drugs apart from availability of medicines, drugs etc. at all Government Hospitals and all Primary Centres to meet any emergency. All the medical staff should be instructed suitably to carry out emergency health services in dedicated manner at all centres and hospitals, wherever their services are required. All the ambulances and other vehicles should be got repaired and put up to service in good condition during the period of calamity without any difficulty.

The emergency medical teams have to be formed consisting of the following category of staff:

Team-I	Team-II
Medical Officers – 3	Medical Officers – 3
Nurses -2	Nurses – 2
Pharmacist- 1	Pharmacist- 1
Nursing Assistant – 2	Nursing Assistant – 2
Hospital Worker – 2	Hospital Worker – 2
Driver with vehicle – 1	Driver with vehicle - 1

The special departments in the District Headquarters Hospital such as X-ray, Scan, Blood bank and lab have been instructed to equip with sufficient stock of X-ray films, Chemicals ingredient to manage the emergency situation.

In South West Monsoon period, epidemic will occur due water Borne and Vector Borne diseases. The Public Health Care system is equipped to control any epidemic disease in this district. For the control of epidemic Rapid Response Team at the PHC and the district was formed and instructed to take immediate steps at the time of epidemic.

DISTRICT RAPID RESPONSE TEAM

1. District Malaria Officer
2. Health Inspector
3. Field Worker
4. Driver

PHC LEVEL RAPID RESPONSE TEAM

1. Block Health Supervisor – 1
2. Health Inspectors – 2

3. Village Health Nurse – 1
4. Lab Technician – 1
5. Hospital worker- 1

They rush to the epidemic area, take control measures, collect specimens and report the compliance to the higher officials at once.

WATERBORNE DISEASES

Diseases like, ADD, Typhoid and Viral Hepatitis will occur as epidemic through water. For safe drinking water supply, provision of chlorinated water supply have been ensured. For chlorinating water sources necessary Bleaching Powder, Chlorine Tablet, have been supplied to all PHCs and the available residual chlorine is being monitored by Health Inspectors. The Health Inspectors should check atleast five overhead tanks every month to monitor the Chlorine level in the drinking water provided by the local bodies to the public.

VECTOR BORNE DISEASE

For the control of Dengue, Chikungunya and Malaria cases, following precautionary measures have been taken to tackle the situation.

SOURCE REDUCTION AND ANTI-LARVAL WORK

Each Blocks allotted 10 DBCs and plan prepared to cover Hot spot villages for source reduction work and Larvicidal application and Fogging Operation. For Adult Mosquito Control, every block has been provided with Pulse fog Fogging machine, Insecticide (Temophos& Pyrethrum). For the supervision of above activities, Health Inspectors have been fixed responsibilities for rural areas.

In Pudukottai Corporation, 50 Temporary Dengue Control Workers have been engaged. The High risk wards have been covered with Mass Cleaning and Fogging. For these activities 4 Health Inspectors have been deputed from Rural areas.

ZOONOTIC DISEASES

To control the Zoonotic disease like Leptospirosis, health education was given to all the public of the municipal and rural areas.

I.E.C. ACTIVITIES

IEC activities for Vectorborne, Water borne disease and Zoonatic Diseases are carried out in the school Health Camps and Village Health camps covering other Govt. Departmental, Local Bodies, Self Help Group members, Volunteers, School Children etc.

DISEASE SURVEILLANCE AND REPORTING SYSTEM

All Field Health staff are involved into Disease Surveillance. All the Private Nursing Homes are also kept under surveillance by Health Inspectors. All Govt. Hospitals also are kept under surveillance of Health Inspectors. Further Surveillance system is geared up to report any abnormal occurrences to the Office of the Deputy Director of Health Services, Pudukkottai. 24 Hours monitoring cell (04322 221733) is functioning in the Office of the Deputy Director of Health Services Pudukkottai and Aranthangi. (04371 220501) The Deputy Director of Health Services is fully incharge of supervising the disease surveillance in the district.

PHC LEVEL RAPID RESPONSE TEAM

1. Block Medical Officer and concern PHC Medical Officer - 2
2. Health Inspectors – 2
3. Village Health Nurse – 1
4. Hospital worker -1

They should rush up to the affected area, take control measures and submit the report to higher authorities, well in advance.

ROLE AND RESPONSIBILITY OF RRT

- Surveillance-Active search of cases with standard case definition
- Line listing of Fever Cases
- Standard case management.
- Mapping of Fever Cases in the spot Map.
- Confirmation of Outbreak
- FIR Sent to IDSP/DPHPM.
- Collection of serum samples and transportations
- Entomological Surveillance
- Source Identification-Source reduction, Temphos application Thermal fogging
- IEC activities
- Final report submitting to DPHPM

MEDICINES

Now all the required medicines have been kept in all Primary Health Centres

INSECTICIDES/ LARVICIDES

All the PHCs have kept with necessary insecticides/larvicides like, Temphos, pyrethrum etc., Sufficient Insecticide/Larvicides stock is kept in the office of the Deputy Director of Health Services

DISINFECTANTS

Bleaching Powder, Chlorine Tablets and Phenyl have been procured and supplied to all the PHCs and kept in the DDHS Office also.

AVAILABILITY OF DRUGS / DISINFECTANTS DRUGS IN PUDUKKOTTAI DISTRICT.(PHC's)

PRINCIPLES GUIDING FOR HEALTH SECTOR FLOOD MANAGEMENT

Natural calamities like flood are regular phenomena in India. Some parts of the country are more than others. which is called vagarious of monsoon By now, specific taluk , districts which are affected regularly by floods are well known to State / UT authorities. Necessary remedial measures are well known to these authorities.

With scientific development, flood forecasting is made much in advance. Public health measures can be well planned in advance in a systematic and scientific manner. Some of the highlights are health problem relating to flood have been summarized below.

Public Health Risks

The health problems relating to flood can be either due to direct impact on human population, direct impact on existing infra structure and resultant effects due to combination of these factors.

A. Direct Impact : Resulting in drowning.

B. Damage to existing infrastructure.

Direct effect on water, power supply and sanitation facilities, forcing the community to consume polluted water and stay in unsanitary condition.

Damage to existing health infrastructure resulting in ineffective functioning of available facilities.

Destruction of houses : The affected population is exposed to adverse climatic conditions leading to disease particularly respiratory infection and fever.

Damaged ration shops and other shops providing food may lead to shortage of food in affected community leading to starvation condition.

C. Combination of factors : The above factors may change the living conditions of the community temporarily till they are finally rehabilitated. Sudden change in environment leads to following factors, each contributing to health problems.

(i) Population displacement : There are two ways by which population displacement may affect the health of the affected community.

Movement of population results in overcrowding at new placed with possibility of transmission of diseases from moving population to local population of new places.

Health problems in temporary shelters : When the affected community is shifted temporarily to a new place, existing water supply system, sewage and cooking space becomes inadequate leading to insanitary conditions resulting in different types of diseases specially diarrhoeal diseases. Epidemic may be a possibility.

(ii) Population Density : Density of population increases proximity, resulting in spread of diseases.

(iii) Work pressure on existing health infra structure : The existing health centers may suddenly start getting large number of patients which may suddenly start getting large number of patients which may be more than their absorbing capacity. Additionally, if these centers are also affected by floods, it may be difficult for them to discharge their responsibility.

(iv) Psychological manifestation: Loss of property or loss of lives of relatives produces tremendous tension and pressure on mind psychological manifestation, may occur.

CONTINGENCY PLAN FOR FLOOD & CYCLONE

3. Formation of Team :

- 1) District Level :
 1. Area : Health Unit District, Aranthangi.
 2. Team Leader : Dr.Anbarasu Epidemiologist 91590672256
 3. Member : Thiru K.Muthukumar, Health Inspector. 8681073270
: Thiru.Kaliyamoorthi, Mazdoor.
 4. Vehicle : No. TN 55 G 0559
Driver Thiru. Prabu, O/o. DDHS, Aranthangi.

Functions of the Team :

: As the message is received regarding the flood situation either from Public / Revenue Dept. / PHC / HSC or others. The team will intimate the message to concerned MO, PHC for initiating preventive measures.

The team will visit the affected area to monitor and gear up the preventive measures. The DDHS & FW, will have the overall control and will inspect the preventive measures taken by the field staffs.

5. HEALTH HAZARDS RELATING TO FLOOD AND THEIR MANAGEMENT STRATEGIES :

The District is almost dry with rain bed cultivation and with no perennial rivers. There are number of small tanks and lakes through which

cultivation are done. Cauvery water also available for a portion of this district. This district is fed with North East Monsoon from September to November.

6. MEDICAL CARE FOR FLOOD VICTIMS :

Sufficient quantity of Anti-biotic, ORS, Phenyl and Bleaching Powder are to be made available at the PHC & HSCs for emergency. First aid and instruction to make necessary arrangements for the availability of vehicle from the village and HSC itself to transport the cases to the nearest Government hospitals.

7. Disease Surveillance and Reporting System

The rising pattern of any disease can be detected easily by keeping a watch at HSC and PHC levels. Immediate investigation and isolation of the source and preventive measures against the disease. Surveillance in Govt.Hospital will be daily done by Health Inspectors and responsibility fixed.

Weekly collection, compilation and analysis of information at PHC and HUD level to identify rising trends. Periodical inspection up to the sub centre level by district officer also being regularly done to ensure the elimination of communicable pathogens into the community in any form.

8. List of Telephone Numbers of Co-ordinate Department :

20. Nilavembukasayam
21. Ciproflaxcine Tablets
22. Lobermide Tablets
23. Metronidazole Tablets

11. ANIMAL HUSBANDRY DEPARTMENT

The Assistant Director (Animal Husbandry), Pudukkottai has been advised to keep sufficient stock of live stock medicines with preventive vaccines in all the veterinary hospitals and sub-centres based on the past experience. He is requested to take immediate steps to provide preventive and antibiotic treatment to the cattle and ensure availability of fodder to manage the flood situations relating to his department.

He should take immediate action to form special team/squads to administer vaccination in the Cyclone/Flood prone area to prevent contagious diseases. All the Veterinary Doctors should be alerted and stayed in the respective centres during the time of Cyclone warning.

12. TANGEDCO

The Superintending Engineer (TANGEDCO) Pudukkottai is requested to take effective steps to check up the electric installations and the inter linking cables are in good condition and to ensure the regular supply of electricity during the monsoon season. He should suitably instruct the field staff working in the district to switch off the power supply in the event of emergency by closely watching the weather conditions.

He should have adequate staff to attend to various power lines, remove line wires on the roads, habitation and slum areas etc. and ensure proper power supply to all the relief centres and hospitals without any delay. He should also instruct the Emergency Team at the headquarters for quick response and to take steps to check up the electric installations and the inter linking cables. All the vehicles under his control should be kept ready in good condition before arising the monsoon period.

The Quick response Team at the Head Quarters for emergency response and the details of the team and the task assigned are given below in respect of Pudukkottai Electricity Distribution Circle/TNEB/Pudukkottai. The Superintending Engineer should personally monitor the Emergency Teams under his direct control and issue directions according to the information received from the personnel of the rescue operations.

MONSOON PRECAUTIONERY MEASURES

1. Pre-monsoon inspection of all the HT and LT lines have been already carried out during the monthly Shutdown program of respective Substations. During which tree branches nearer to the HT/LT line were removed. The leaned poles were set right on the same day.
2. Vide publicity regarding “Don’t touch /Don’t allow to touch” the snapped conductor or leaned poles in flood affecting area has been made.
3. In Pudukkottai Electricity Distribution Circle 13 Emergency Teams have been formed to maintain uninterrupted power supply during Monsoon period. Each team has been allotted one vehicle each. All the teams are instructed to attend any problems like lines breakdown conductor snapping, damaging of poles etc., immediately on receipt of information and the matter shall be appraise to the circle Nodal officer (EE/General)

4. All the Men, Materials and the vehicles are arranged to kept ready for round the clock. No leave or permission will be granted to any officer or any staff unless for genuine reasons.
5. All the Executive Engineers/O&M of this circle are instructed to display the emergency contact Numbers at Important Public places, Local medias, etc. They are also instructed to monitor the effective functioning of the teams.

15. EDUCATION DEPARTMENT

The Principals of Government Colleges at Pudukkottai, the Principal, Govt., Polytechnic at Aranthangi and the Chief Educational Officer, Pudukkottai were requested to ensure that all the educational institutions, Colleges, Schools and Noon Meal Centers are in good condition with the facilities of sanitation, water supply etc., so that they may be used as shelter homes and feeding centers at short notice. The Chief Educational Officer should issue suitable directions to all Headmasters of HigherSecondary/High Schools under his control in this regard.

In the education sector, it is most important that a student must know the disaster management and that they have to be taught to react to the situation with a view of self involvement at the time of cyclone warning. It will be very useful to him to become a responsible citizen to face and manage any disaster or mitigation in future time. Further it is possible that the students could join the task force of volunteers, whose services could be utilised in mitigation efforts after a disaster has struck.

S.No.	Designation	Phone/Mobile Nos.

16. INFORMATION AND PUBLIC RELATION

The Information and Public Relation Officer has a very important role in announcing the weather forecast to the Public. He should ensure public cooperation, which is fundamental for the successful conduct of all the flood relief operations. He should ensure public cooperation by the following methods.

1. By seeking the cooperation of the press in emergency.
2. Publicity through organised press coverage
3. Display of documentary films slides in the local Cinema Theatres.
4. Propaganda in Schools, Colleges and organised institutions and associations.
5. Broadcasting Radio message by Collector about the flood situation.
6. Publication of Press releases given by Collector along with Photographs on emergency relief.
7. Setting up information centres at important headquarters and at district headquarters.

The Public Relation Officer should educate people not to feel panic and they should be courage enough to tackle the situation. They should be instructed not to disregard and under estimate the authentic and reliable flood warning given from time to time. The Public Relation Officer should cultivate confidence in the minds of public that all necessary relief measures are being taken to normalize the situation. The people should be educated that they should not believe the rumours and spread the unauthenticated information to others. They should be informed that police would take care of their properties from the clutches of anti social elements.

He should also ensure about the distribution of informative pamphlets and exhibition of large scale posters at prominent places in the affected area indicating the action already taken and to be taken by the various departments, places to which the people should be evacuated, officers to whom they should contact for evacuation, relief etc. This information may also be published daily in the news papers during the period of relief operations and to broadcast from the local station of All India Radio. He should also organize photography and take photos and video about the damages with the assistance of Taluk Tahsildars and the related line departments.

11. STOCK POSITION OF FOOD MATERIALS

Regional Manager, TNCSC, Pudukkottai

To verify the stock position and to ensure adequate buffer stock is available. Rice and Kerosene are to be kept adequate for relief measures.

12. STOCK POSITION OF MEDICINES AND DRUGS

Adequate quantity of needful medicines and surgical items have been available at Headquarters and Peripheral institutions.

JD (Health) and DD (Health) should contact with TNMSC to make available enough stock of medicines and drugs and ensure the sufficient availability of medicines in all Taluk Headquarters hospitals, Block Hospitals and PHCs besides the District Headquarters Hospital where vulnerable villages lie.

VI. DO'S AND DONT'S (CYCLONE AND FLOOD)

(Operational Guidelines of what to do in the event of Flood.)

Pre -Disaster

Individual

1. Know the route of the nearest safe shelter
2. First Aid Kit should be ready with extra medicines for snake bite and diarrhea.
3. Tie up all valuables at the top of the roof
4. Ratio with extra batteries, torch, ropes to be kept ready
5. Store dry ration, kerosene, biscuits, baby food at least 7days
6. Water proof bags, polythenes to store clothes and valuables
7. Be ready with umbrella & bamboo sticks (To protect yourself from snake)
8. Identify a highland/mound for the cattle & have sufficient fodder for them
9. As soon as you receive warning tune to the local news in the radio/TV for the latest update
10. Check your emergency kits
11. If you have to evacuate pack clothes, essential medicines, valuables, personal papers in a water proof bags
12. Inform the DMT member to the place that you are shifting to
13. Raise furniture and appliances to higher place
14. Switch off all electrical appliances
15. Put sandbags in the toilet bowl and cover all sewage backflow
16. Lock your house and take the route suggested
17. Don't go into water of unknow depth and current.
18. Don't spread rumours. Get authentic data and then announce it
19. Don't go into water of unknown depth and current.

Government Preparedness

- Update all the resource inventory
- Control room should be function for 24 hours
- Identify all the shelter places where people could be evacuated
- Activate all the First Aid and the Rescue & Evacuation team
- See to it that there is no blockage in the flow of the river
- Ascertain the availability of dry food, frinking water & medicines
- Ascertain the fodder availability for cattle
- Mobilize boats. vehicles which will help in evacuation and resuce operation and also in the distribution of relief
- Prior storage of food grains in the vulnerable pockets

- Identify the relief centers
- Inspect, strengthen and repair all the approach roads and culverts
- Provide mobile wireless sets to the villages likely to be cut off
- Arrange adequate hand pumps where wells are likely to be inundated
- Liaison with army, Navy etc
- Prepare maps of alternate route, resources available

During Disaster

Individual

- Drink boiled water or put halogen tablets
- Keep food covered. Don't take heavy meals and eat food that is hot
- Use raw tea, rice water, coconut water during diarrhea
- Be careful of snakebites
- Don't let children stay in empty stomach
- Avoid entering flood water. Stay away from water which is above knee depth.

Government

- Carry out rescue and evacuation
- Operation of control room and provide warning update
- Provide relief materials
- Mobilizing resources like boat, dry food, temporary shelter
- Ensuring the availability of medicines, drinking water, tankers etc
- Co-ordination at various levels and agencies
- Mobile health units to be made available
- Damage assessment of life, livestock, crop and livelihood.

Post Disaster

Individual

- Listen to the latest flood bulletin before moving from the shelter place
- Use recommended routes to return back
- Dry all electrical equipments before using it
- Avoid touching any loose wire
- Beware of snake bites
- Clean the house and disinfect the surrounding by using bleaching powder

Government

- Rescue people who are stranded
- Restore roads and power supply
- Provide safe drinking water
- Check outbreak of any epidemics
- Mobile health teams to be mobilized
- Take the help of the NGOs
- Carry out damage assessment
- Ensure that adequate, timely and speedy credit is available to the farmers for purchasing agricultural inputs and cattle

Operational Guidelines of what to do in the event of a Cyclone.

Pre-Disaster

Individual

- Listen to the weather report in radio/TV and if possible disseminate the information to the local people
- Move cattle to high land
- Store adequate food grains, water medicines, Kerosene, lantern, matchbox, dry cell
- Keep important papers in the emergency kit
- Keep doors & windows locked and if damaged get it repaired
- Make sure that proper diet is carried for children and old people
- Keep the list of important address and phone number like Police, Block Development Officer relatives residing outside that particular place
- Conduct mock drill for yourself and be calm

Government

- See to it that there is no blockage in the drainage system
- make the Control room functional for 24 hours
- Keep sufficient food grains in the areas likely to be cut off
- Resource inventory mainly of boats, vehicles for evacuation and providing relief to be maintained
- Health departments to be set up mobile health units in the vulnerable pockets like to be cut off
- Identify the safe cyclone shelters and the route charge for evacuation
- Identify First Aid and Rescue Teams
- Ascertain the fodder availability for cattle
- Identify relief centers

- Inspect, strengthen and repair all approach roads and culverts
- Provide mobile wireless sets likely to be cut off
- Liaison with the Army, Navy etc

During Disaster

Individual

- Listen to the radio/community warning system for further details
- Close all doors and windows and stay indoors
- Paste papers on the glass windows to prevent splinters flying into the house
- Keep food items and cloths in water proof bags
- Don't venture into the sea
- Wear warm cloths for protection
- Avoid being misled by rumors. Disseminate information that is only official
- Stay away from low lying areas, electric poles, trees
- Switch off all electrical appliances

Individual

- Listen to the radio/community warning system for further details
- Close all doors and windows and stay indoors
- Paste papers on the glass windows to prevent splinters flying into the house
- Keep food items and cloths in water proof bags
- Don't venture into the sea
- Wear warm cloths for protection
- Avoid being misled by rumors. Disseminate information official
- Stay away from low lying areas, electric poles, trees
- Switch off all electrical appliances

Government

- Evacuate people to the cyclone shelters immediately
- Arrange a patrolling group who would take care of the property left by the people
- See to it that all vehicles are stopped
- See to it that there is enough food stock, drinking water and common medicines
- Announce the latest bulletin to the community at periodic interval

Post Disaster

Individual

- Don't move out until officially informed
- Use the recommended route for returning
- Check whether there is a gas leak before using the stove
- Dry electrical appliances thoroughly before use
- Get oneself inoculated against disease immediately at the nearest hospitals and seek medical help
- Be careful of snake bite
- All debris should be cleared
- Damage assessment to be done
- Government:
- Do's
- Rescue and evacuation process to be initiated immediately for those who are stranded
- Restore roads and power supply
- Provide relief and safe drinking water to the affected population
- Check outbreak of any epidemics
- Mobile health units to be mobilized
- Help from voluntary organizations may be welcomed
- Damage assessment to be carried out

Don't's

- Don't keep loose objects like cans, tins outside
- Don't spread rumors
- Don't stay indoors if asked by the authorities to evacuate “
- Don't venture out
- Don't touch loose wires

Operational Guidelines of what to do in the event of Earthquake

Pre Disaster

Individual

- Shelves for book cases etc should be fixed to the walls. Remove heavy objects from shelves above head level as these can tipple over and fall
- Locate beds away from the could move, causing rupture of gas electrical lines, Know location of master switches and shut off valves.
- Make sure that overhead lightening fixtures are well secured to the ceiling & more heavy unstable objects away from exit routes

- Replace glass bottles with plastic containers or move them to the lowest shelves
- Be aware that with a severe EQ all services such as electric , water will probably be down. Emergency services may be extremely limited for few days.
- Store emergency supplies like water, food, first aid kit, medicines, tools, portable radio, flash light, batteries, blankets, fire extinguisher etc.

Government

- Whether preparation of maps on earthquake prone area done.
- Analysis of seismic risk & zonings for general purposes to be carried out
- Development of seismic codes of design & construction of various structures enforced
- Training of engineers & architects in earthquake engineering principles & use of codes
- Development of simple methods for upgrading the seismic resistance of traditional non engineered construction and their dissemination to the common builders and owners by mass communication media, demonstration etc.
- Awareness to the community residing in the earthquake prone areas.

During Disaster

Individual

- Keep calm & help others to be calm
- try to run safely to a nearest open space which is not surrounded by building, trees etc but do so with great cautiousness
- Do not use an elevator during the earthquake & do not rush to the roof of the house.
- Choose your exit as carefully as possible
- Once you feel it not possible to get out of the house/ building fastly & safely, especially when you are inside a high rise building stay inside calmly
- While inside the house / building, choose a safe place to protect yourself take a shelter under a desk, table, bed or stand below the doorway (in case of an Assam type)
- If you are driving in a vehicle, move immediately to a place which is away from buildings, structures, bridges, electric lines etc & stop the vehicle there. Remain inside the car till the EQ stop
- Do not light candles, gas stove, cigarette (to prevent any fire from possible leakage of gas.
- Close your gas connection

- Free all your pets, domestic animals etc
- Though the shaking of the ground is frightening do not panic
- Turn your radio on....

Post Disaster

Individual

- Check yourself for injuries
- Examine all sections of your building & ensure that your building is not in danger of collapsing
- Get everyone out of your house if it is found unsafe
- Use a helmet or cover your head with a pillow or rubber sheet while moving around inside the building
- Be prepared for additional earthquake shock called 'after shock'
Stay away from hanging portions of buildings etc and power electric lines and poles
- Close the valve of the gas cylinder and do not use open flames
- Do not switch on electric appliances if gas leakage is suspected
- Wear shoes while moving around
- Attend to injured person and inform the medical authorities as fast as possible
- If you are trapped inside a collapsed building, wait patiently for help.
Remain calm and try to develop confidence
- Use a pipe or bamboo to detect any life inside a collapsed building.
- Do not spread rumors
- Turn on your radio

Government

- Areas affected should be cordoned off
- Affected people should be shifted to safe shelter places that have been identified
- Make arrangements for burning dead bodies and animal carcasses
- Mobile health teams to be activated
- Clear the roads blocked

Operational Guidelines to prevent Fire

Don't leave your gas or cylinder knobs open.

- If you smell gas open your doors & windows. Do not light a match or use electrical switches
- Keep matches and lighters away from the reach of children
- Keep inflammable items away from the gas store

- Practice fire escape drills
- Take special precautions during celebrations
- Keep emergency phone no's handy.
- Avoid wearing loosely fitted and easily inflammable clothing while cooking in the kitchen
- Teach your family members about fire fighting and fire safety rules.

Operational Guidelines of what to do in the event of a Fire

- Know your way out of the building so that you don't land up in a dead end
- Do not use the gas, stove or switches of any electrical equipment.
- Alert everybody else by sounding the fire alarm.
- Use the fire extinguisher and try to put off the fire.
- If the fire was caused due to petrol, oil or electricity then use sand instead of water to fight the fire.
- In case the building is on fire use the staircases only.
- Try to get out in open air as soon as possible if the building is on fire.
- Do not climb up to the roof of the building
- If you are caught in a dense smoke don't walk. Crawl on your knees.
- Try to cover your nose and mouth with wet cloth.
- If your clothes catch fire then cover your face instantly and roll on the floor to put out the fire.
- Do not use the lift in case of fire. Use only an open staircase.

VI. (a). CHECK SLIP FOR FLOOD PREPARATIONS

1. Have you identified that flood prone blocks Taluks and Villages?
2. Is there a responsible officer in charge of relief and anti - disaster operations? Is he familiar field conditions of the flood prone areas? In there clear division of responsibility for flood among the officers and staff. Is the contingency plan updated?
3. Is there an operation control Center? Is there roster of duties to man it round the clock? Do higher level officers know the T.F. Numbers of the control rooms.
4. Is a log book maintained to keep data about rise or fall or flood waters at regular intervals of the river which are likely to go into spate?
5. How is the flood warning communicated down the line. Are there adequate arrangements for publicity through likes etc., the flood prone sub- divisions and blocks to issue the warning?
6. Are the home guards trained in disaster preparedness? How are they kept in readiness for being mobilize at short time?

7. Has the flood drill been conducted?
8. Are all the flood blocks connected with the Telephone and all flood prone police Station provided with wireless sets in good conditions?
9. Who is responsible for disseminating the flood warning at the village level? Has the village administrative officers, been given the responsibility. Are panchayat radios transistor set in good conditions?
10. Have the officers in charge of relief and Superintendent of Police inspected the District/ Sub – divisional relief store after the occurrence of the last floods?
 - a. In particular, have they checked the availability of tents, tarpaulin and other materials for providing temporary shelters
 - b. Boats both country and power driven ones. Life jackets.
 - c. Mobile water tankers, canvas water tanks, drums and jerry cans for transporting drinking water buckets.
11. Basic field sanitary engineering equipment. Are diesel generators available list checked, if in good conditions and operating staff identified
12. Do Co-operative Stock points in the area have enough stock of Janatha sarees and dhothies.
13. Have the District Medical Officer and District Health Officer checked the stock of essential medicines, vaccines disinfectants, first-aid kits at the district subdivisional Medical stores and kept the Primary Health Centre in food prone areas well supplied with the following.
 - a) Disinfectant such as bleaching powders, liquid chlorines water purifying tablets, phenyl creneol for supply soft potable drinking water.
 - b) Essential medicines for mobile teams and dispensaries in the camps such as anti anti-diarrhea, anti-biotic, anti-malarial drugs, anti-pyretics and allergic drugs, anti IV fluids, pediatric formulations for treatment of gastro and respiratory infections in Children.
 - c) First Aid Kits containing splints including splints tussimus dressing and assorted bandage antiseptic cream, scissors, safety pins etc.,
14. Have flood shelters easily accessible? Do the buildings have adequate space in and around them for strengthening fodder and for cattle.
15. Are these shelters easily accessible? Do the buildings have adequate space in and around them, for strengthening fodder and for cattle.
16. Are these shelters provided with sources of drinking water if so? What is being taken to locate water tube wells near the shelters and priority basic.
17. What are the sanitary arrangements for these evacuation camps? Have the Officers in charge of these evacuation camps told to provide the following.
18. Has the Officer in charge of Civil supplies ensured that dealers keep sufficient stock of essential articles like pulse? Edible oil, salt, kerosene, coal, milk, powder, baby food matches candles and lanterns before the start of flood seasons.
19. Is there some clarity in the mode of preparing food packets the

agency/agencies who will be entrusted with the task of supply at short notices of payment.

20. Have the whole sale consumers cooperative societies been requested to keep in readiness stock of aforesaid articles at the brink and premiere levels?
21. Have suitable sites for probable helipad on raised grounds in the floods prone area been located. Have these been indicated on the District and Taluk level?
22. Have the meetings of the lock manager / Managing Director of District Transport Corporation with Revenue Divisional Officers / Collectors been called to ensure clarity the method requisitioning the supply of vehicles for evacuating flood victims and movement of relief goods?
23. Have the collector / Revenue Divisional Officer concerned meeting of the ferry boat owners and cooperative societies of fishermen and ascertain the availability of country boats with boatmen at reasonable rates, in the events of an emergency. A few country board should be capable of conversion into improvised boat ambulance by providing them with 1 or 2 stretchers?
24. Have people staying in low lying areas in encroachments or otherwise which are inundated in every flood been alerted first about the flood warning system. Are Collector, Revenue Divisional Officer searching for alternative sites which can be allotted to such families to shift their dwelling to safer locations Warrantable areas and storage points?
25. Have the villagers usually remain marooned for a long time been identified? Is there a storage point in the village for food and fuel?
26. Community preparedness have the people in flood prone villages been given some educational in relief and rescue. Village volunteers grouped for patrolling of embankments round the clock in time of flood warning and trained to identify to given away
27. Vehicle: Are Government vehicle in good condition and are steps being taken to ensure adequate availability of propulsion fuel at the storage point?
28. Stock file: Have it been ensured that the stock files on natural calamities are up to date all the field staff clear on the scale of relief the rules in this regard and financial powers, excisable in natural calamities?

LIGHTNING

தமிழ்நாடு மாநில பேரிடர் மேலாண்மை ஆணையம்
தமிழ்நாடு பேரிடர் அபாயக் குறைப்பு முகமை

இடி / மின்னல்

குதி கால்களை ஒன்று சேர்த்து, தலை குனிந்து, தரையில் பதுங்குவது போல அமர்ந்து கொள்ள வேண்டும். நீங்கள் தரையை ஓட்டி அமர்வதால், மின்னலின் தாக்கம் குறைவாக இருக்கும். தரையில் சமமாக படுக்கும் போது மின்னலின் தாக்கம் அதிகம் ஏற்பட வாய்ப்புள்ளதால், தரையில் சமமாக படுக்கக் கூடாது.

உங்களது கழுத்திற்கு பின்னால் இருக்கும் முடியில் நீங்கள் ஏதேனும் மாற்றத்தை உணர்ந்தால், நீங்கள் இருக்கும் இடத்தின் அருகில் மின்னலின் தாக்கம் உடனடியாக நிகழப்போகிறது என்பதை நீங்கள் அறிந்து கொள்ளலாம். உடனடியாக நீங்கள் குதி கால்களை ஒன்று சேர்த்து, தலை குனிந்து, தரையில் பதுங்குவது போல அமர்ந்து கொள்ள வேண்டும். முன் எச்சரிக்கை இன்றி மின்னலின் தாக்கம் ஏற்பட வாய்ப்புள்ளது.

உடலுடன் மின்கடத்தும் பொருளின் தொடர்பு கூடாது.

செவித்திறன் இழப்பு ஏற்படுவதை குறைத்துக் கொள்ள காதுகளை நன்றாக மூடிக்கொள்ள வேண்டும்.

மின்னல் தாக்கத்தின் போது உங்கள் குதி கால்களை ஒன்றாக சேர்த்து அமர்ந்து கொள்வதால், மின்சாரம் தரையை தாக்கி, பின்னர் ஒரு குதிகால் வழியாக உங்களது உடலுக்குள் நுழைந்து, உடலின் மற்ற பகுதிகளுக்கு செல்லாமல், மற்ற குதிகால் வழியாக வெளியேறிவிடுகிறது.

மின்னல் தாக்கத்தின் போது உங்கள் குதி கால்கள் மட்டுமே தரையை தொட்டுக் கொண்டு இருக்க வேண்டும். மின்னல் முதலில் தரையை தாக்கி, பின்னர் உடலைத் தாக்கும் என்பதால், மின்னல் தாக்கத்தின் போது தரையைத் தொடுவதை குறைத்துக் கொள்வதன் மூலம் உங்களது உடலில் மின்சாரம் பாய்வதற்கான வாய்ப்பினை குறைக்க இயலும்.

குடையை பயன்படுத்தக் கூடாது

மரங்கள் மற்றும் உலோக கூட்டமைப்புகளின் கீழ் நிற்கக் கூடாது

மின்னல் தாக்கத்தின் போது திறந்த வெளியில் நிற்பதைத் தவிர்க்கவும்.

நீச்சல் பொருள்களை வதைத் தவிர்க்கவும்.

VII. GOVERNMENT ORDERS

1. G.O.(Ms) No:927/05.10.1995

உண்மை நகல்

தமிழ்நாடு அரசு

சுருக்கம்

நிவாரணம் - முதலமைச்சரின் பொது நிவாரண நிதி - புயல் மற்றும் வெள்ளத்தால் உயிரிழந்தோர் மற்றும் புயல், வெள்ளம் காலங்களில் இடி மின்னல் தாக்கி உயிரிழந்தோரின் குடும்பத்தினருக்கு காவல் துறையின் முதல் தகவலறிக்கை (FIR) மற்றும் மருத்துவரின் பிரேதப்பரிசோதனைச் சான்று ஆகிய இரண்டும் இல்லாமல் நிவாரணம் வழங்கல் - ஆணையிடப்படுகிறது.

வருவாய்த்துறை

அரசு ஆணை (நிலை) எண்.927

நாள். 5.10.1995.

1. அரசாணை (நிலை) எண்.2985 வருவாய்த்துறை, நாள்.18.11.87.
2. அரசாணை (நிலை) எண்.471, நிதி (முதலமைச்சரின் பொது நிவாரண நிதி) துறை, நாள்.23.5.89.
3. அரசாணை (நிலை) எண்.291, நிதி (முதலமைச்சரின் பொது நிவாரண நிதி) துறை, நாள்.22.3.90.
4. புதுக்கோட்டை மாவட்ட ஆட்சியரின் கடித எண்.டி3/68631/94, நாள்.23.1.95.

ஆணை:-

விபத்தினால் உயிரிழந்தோரின் குடும்பத்தினருக்கு நிவாரணம் வழங்க காவல் துறையின் முதல் தகவல் அறிக்கையும், மருத்துவரின் பிரேதப்பரிசோதனை சான்றிதழும் அவசியம் என அரசு ஆணை (நிலை) எண்.471 நிதி (முதலமைச்சரின் பொது நிவாரண நிதி) துறை, நாள்.23.5.89ல் ஆணையிடப்பட்டுள்ளது.

2. இனக்கலவரங்களால் உயிரிழந்தோரின் குடும்பங்களுக்கு நிவாரணம் வழங்க காவல்துறையின் முதல் தகவல் அறிக்கை தேவை என அரசாணை நிலை எண்.291, நிதி (முதலமைச்சர் நிவாரண நிதி) துறை, நாள்.22.3.90ல் ஆணையிடப்பட்டுள்ளது.

3. மரத்திலிருந்து விழுந்து உயிரிழந்தோர் பாம்பு கடித்து உயிரிழந்தோர் இயற்கை சீற்றங்களால் உயிர் இழந்தோரின் குடும்பங்களுக்கு முதலமைச்சரின் பொது நிவாரண நிதியிலிருந்து நிவாரணம் வழங்க மருத்துவரின் பிரேதப் பரிசோதனை சான்று அவசியம் என்று அரசாணை (நிலை) எண்.2985 வருவாய்த்துறை நாள். 18.11.1987ல் ஆணையிடப்பட்டுள்ளது.

4. மேற்காணும் அரசாணைகளில் வெள்ளத்தால் உயிரிழந்தோரின் குடும்பத்தினருக்கு நிவாரணம் வழங்குவது பற்றி ஏதும் சொல்லப்படவில்லையாதலால் வெள்ளத்தால் உயிரிழந்தோரின் குடும்பத்தினருக்கு நிவாரணம் வழங்க காவல்துறையின் முதல் தகவல் அறிக்கையும், மருத்துவரின் பிரேதப் பரிசோதனை சான்றிதழும் அவசியம் என்பது குறித்து அறிவுரை வழங்குமாறு புதுக்கோட்டை மாவட்ட ஆட்சியர் கோரியுள்ளார்.

5. வெள்ளம் மற்றும் புயலால் இறந்தவர் குடும்பங்களுக்கு காவல்துறையின் முதல் தகவல் அறிக்கை மற்றும் மருத்துவரின் பிரேதப் பரிசோதனைச் சான்றிதழ் இல்லாமல் நிவாரணம் வழங்கக் கோரி மாவட்ட ஆட்சியர்களிடமிருந்து அரசுக்கு செயற்குறிப்புகள் அனுப்பப்படுகின்றன.

6. புயல் மற்றும் வெள்ளத்தால் சூழப்படும் கிராமங்களில், வெள்ளம் நிலவும் சூழ்நிலையில், இறந்தவரின் உடலை மருத்துவமனைக்கு எடுத்துச்செல்வது என்பது இயலக்கூடியதன்று என்றும் இறந்தவிட்ட நபருக்கு துக்க அனுஷ்டிக்கும் வேளையில், உரிய நேரத்தில் அடக்கம் செய்ய வேண்டிய கவலையிலுள்ள அவர்களால் அரசின் நிவாரணத்தைப் பெற பிரேத பரிசேதனை / சாவல்துறை அறிக்கைகளை பெற புயல், வெள்ளக் காலங்களில் ஏற்படும் சமயங்களில் செயலற்ற முடியாது எனவும் அரசு கருதுகிறது.

7. மேற்காணும் சூழ்நிலையில் மரத்திலிருந்து தவறி விழுந்து, தீவிபத்து, பாம்பு கடித்தது, வகுப்புக் கலவரம் முதலிய காரணங்களால் இறப்போரிலிருந்து புயல் மற்றும் வெள்ளத்தால் இறப்போர் முற்றிலும் மாறுபடுவதாலும், சாவல் துறையின் முதல் தகவல் அறிக்கை மற்றும் பிரேதப் பரிசேதனைச் சான்று பெறும் சாத்தியக்கூறுகள் அறவே இல்லை என்பதாலும், புயல் மற்றும் வெள்ளச் சூழ்நிலையில் இறப்போரின் குடும்பத்தினருக்கு அரசு நிவாரணம் வழங்க மருத்துவரின் பிரேதப் பரிசேதனை அறிக்கை மற்றும் காவல் துறையின் முதல் தகவல் அறிக்கை ஆகியவை அவசியமில்லை என அரசு ஆணையிடுகிறது.

8. மேலும் புயல் மற்றும் வெள்ளக் காலங்களில் மட்டும் இடி, மின்னல் தாக்க உயிரிழந்தால் அன்னாரின் குடும்பத்தினருக்கும் நிவாரணம் வழங்க பிரேதப் பரிசேதனை அறிக்கை மற்றும் காவல்துறையின் முதல் அறிக்கை ஆகியவை அவசியமில்லை எனவும், அரசு ஆணையிடுகிறது. எனினும் சாதாரண மழைக்காலங்களில் இடி, மின்னல் தாக்கி இறப்போருக்கு இவ்வாறான பொதுத்தாது எனவும், அத்தகைய நேர்வுகளுக்கு நிவாரணம் வழங்குவது தொடர்பாக தற்போதைய நிலையே தொடரும் எனவும், அரசு ஆணையிடுகிறது.

9. மேலும் மேலே பத்தி 7 மற்றும் 8ல் உள்ள ஆணைகளின்படி இடி, மின்னல் தாக்கி காவல் துறையின் முதல் தகவல் அறிக்கை மற்றும் மருத்துவரின் பிரேதப் பரிசேதனைச் சான்று இல்லாமல் முதலமைச்சரின் பொது நிவாரண நிதியிலிருந்து நிவாரணம் வழங்கும் இனங்களில் சமூக அந்தஸ்து உள்ள பெரிய மனிதர்கள், அருகாமையில் உள்ளவர்கள், வட்டாட்சியர் மற்றும் மாவட்டாட்சியரின் நேரடிப் பார்வையீட்டு அளிக்கும் அறிக்கையின் அடிப்படையில் நிவாரணம் வழங்கப்படவேண்டும் எனவும் அரசு ஆணையிடுகிறது.

10. இவ்வாறான நிதித்துறையின் இசைவுடன் வெளியிடப்படுகிறது. அலுவலர் சார்பற்ற எண்.38301/முதல் அமைச்சர் பொது நிவாரண நிதி 95-1 நாள்.22.5.95 மற்றும் 61062 முதல் அமைச்சர் பொது நிவாரண நிதி / 95-1, நாள்.26.7.95.

ORDER:

Whenever there is any calamity the down trodden and under privileged people are used to suffer without food, shelter, loss of life and belongings. To mitigate the sufferings and loss, relief in the form of financial assistance is granted from Calamity Relief Fund for death, loss of limb or eyes, grievous injuries, loss of crops, loss of cattles, damages to the houses, etc., due to natural calamities as per norms prescribed by Government of India.

2. In G.O first read above, the Government have constituted a State Level Committee under the Chairmanship of Chief Secretary among others to administer the Calamity Relief Fund /National Calamity Contingency Fund.

3. The Calamity Relief Fund is shared by the Government of India and the States in the ratio of 75:25.

4. As of now, the State Level Committee on Calamity Relief Fund is sanctioning funds as per norms prescribed by Government of India to be adopted for the period from 2000-2005 communicated in their letter second read above.

5. The Government of India, now in their letter third read above, have communicated the revised norms to be adopted for granting of financial assistance to the victims of Natural Calamities during the period from 2005-2010. The

Cyclone, drought, earthquake, fire,
flood, tsunami, hailstorm

(d) land slides, avalanches, cloud burst
and pest attacks.

Government of India have further included 'Land slides, Avalanches, Cloud burst and Pest Attacks' also in the definition of 'natural calamity' besides the existing "cyclone drought, earthquake, fire, flood, Tsunami and hailstorm" which is a major important change.

6. The Special Commissioner and Commissioner of Revenue Administration has forwarded the revised norms of Government of India as in the Annexure to this order and sought permission of the Government for adoption of the same.

7. The Government after careful consideration, accept the suggestion of the Special Commissioner and Commissioner of Revenue Administration and direct that the revised norms of Government of India which envisages granting of enhanced relief to the victims of natural Calamity as in the Annexure be adopted. This order will come into force from the date of issue of this order till 2010 or till further revised norms is issued.

Abstract

Natural Calamities.- Damages to crops - Sanction of funds under State Disaster Response Fund - Delegation of Powers to District Collectors to draw and disburse the relief amount - orders issued.

Revenue (DM-II) Department

G.O.(Ms.) No.219

Dated:15.06.2012

Read:

1. G.O.(Ms.) No. 153, Revenue (NC-II) Department, dated 26.03.1999.
2. From the Principal Secretary / Commissioner of Revenue Administration D.O.Lr.No. NC-1(2)/ 26465/2012, dated 15.05.2012.

ORDER

In the letter second read above, the Principal Secretary/ Commissioner of Revenue Administration has reported that in the G.O. first read above, the Government have enhanced powers to sanction expenditure for relief of distress caused by each case of Natural Calamities like Fire, Flood and Cyclone as detailed in column 4 below:

S.No.	Competent Authority	Pre-Existing Monetary limit	Enhanced Monetary limit
1	2	3	4
a)	Emergency Relief		
i)	Commissioner of Revenue Administration	Upto 20 lakhs	Upto Rs.50 lakhs
ii)	Collector	Upto Rs.10 lakhs	Upto 20 lakhs
iii)	Sub-Collector / Revenue Divisional Officer	Upto Rs. 2 lakhs	Upto 3 lakhs
iv)	Tahsildar	Upto Rs. 1.lakh	Upto Rs.2 lakhs.
b)	Approval of Estimates of Relief Works as above.		

Handwritten notes:
219
15/6/12
C (Revenue)
File No.

2. Accordingly, the relief amounts are disbursed immediately to the persons who are affected by Natural Calamities by the District level officers in the case of human loss, cattle loss, hut damages, etc.,

2

3. The Principal Secretary/Commissioner of Revenue Administration has also informed that reports are being received from the Collectors requesting sanction of relief amount for the damage to crops due to rains and winds. During Assembly Sessions, Call Attention Motion Notices are also given by MLAs for immediate relief for the damaged crops.

4. In order to disburse the relief amount immediately to the affected farmers whose crops are damaged due to Natural Calamities as in the case of grant of immediate relief for human loss, cattle loss, hut damages, the Principal Secretary/Commissioner of Revenue Administration has recommended that powers may be delegated to the Collectors to draw and disburse relief assistance upto Rs.10,00,000 (Rupees Ten lakhs only) at a time for the crops damaged more than 50% as per the existing norms and after conducting joint inspection by the officials of the concerned Departments. He has further stated as regards the relief assistance required for more than Rs.10,00,000/- for the damaged crops, the Collectors may continue to send proposals to Government for sanction of funds.

5. This proposal has been placed before the State Executive Committee for State Disaster Response Fund and the State Executive Committee has approved it.

6. The Government after taking into consideration the approval of State Executive Committee for State Disaster Response Fund accord administrative approval for the delegation of powers to the District Collectors to draw and disburse relief assistance upto Rs. 10,00,000 (Rupees Ten lakhs only) at a time for the crop damaged more than 50% as per existing norms and after conducting joint inspection by officials of concerned Departments.

7. This orders issues with the concurrence of the Finance Department vide its U.O.Note 31371/Revenue/2012, dated:08.06.2012.

5. G.O.(Ms) No.689, Revenue [N.C.I(2)] Department, dated 4.12.2008.
6. G.O.(Ms) No.14, Revenue [N.C.I(2)] Department, dated 6.1.2009.
7. From the Additional Chief Secretary/Commissioner of Revenue Administration, Chennai-5, Letter No.NC.1(3)/77555/2007, dated 31.1.2013.
8. G.O.(Ms) No.149, Revenue [D.M.I(2)] Department, dated 27.5.2013.

ORDER:

In the Government Order 1st read above, the Government have constituted a **State Disaster Management Authority** with the Chief Secretary of the State, as the Chairperson, to ensure co-ordinated steps towards mitigation, preparedness and coordinated response when a disaster strikes, prior to the enactment of Disaster Management Act 2005.

2. In the Government Order 2nd read above, a State Disaster Management Policy (in both English and Tamil) was published, which gives the overall picture of the Disaster Management in the State.

3. In the Government Order 3rd read above, the Government have ordered establishment of an Executive Agency to assist the above said Authority and register it under the Tamil Nadu Societies Registration Act, which is called as **Tamil Nadu Disaster Management Agency**. The Executive agency was established with the Special Commissioner and Commissioner of Revenue Administration as Chairman and the Joint Commissioner (Disaster Management and Mitigation) as Chief Executive Officer and Member Secretary. In the said Government order, the

organizational structure, staffing pattern, proposed staff pattern and existing staff pattern have been approved.

4. However, during December 2005, the Government of India enacted the legislation named, Disaster Management Act, 2005, which has mandated the Chief Minister of the State as the Chairperson of the respective Disaster Management Authority for the State. Further the Act also mandates the formation of the State Executive Committee, with the Chief Secretary of the State as its Chairperson.

5. In accordance to section 14(2) of the Disaster Management Act 2005, (Central Act 53 of 2005), the Government of Tamil Nadu **constituted the State Disaster Management Authority with Chief Minister as the Chairperson** vide Government Order fourth read above and the same was notified in the Tamil Nadu Government Gazette vide Government Order fifth read above. Thereafter, the Government re-constituted the Tamil Nadu State Disaster Management Authority (SDMA) in Government Order eighth read above and the same was notified in the Tamil Nadu Government Gazette No.139, dated 27.5.2013. Similarly, a **State Executive Committee** was also constituted as per sub-section (1) of Section 20 of the Disaster Management Act, 2005 vide Government Order sixth read above.

6. The Additional Chief Secretary/ Commissioner of Revenue Administration, in his letter seventh read above, has stated that in the first meeting of the State Executive Committee, held in the year 2010 and it was decided to establish a Secretariat to assist the State Disaster Management Authority. He also informed that prior to the enactment of the Centre's Disaster Management Act, 2005, sanction was accorded by the Government of Tamil Nadu for establishment of a State Disaster Management Agency, vide the Government Order 3rd read above which has the mandate of assisting the State Disaster Management Authority in discharging its functions. Hence, with amendments to the sanctions accorded earlier, the Disaster Management Agency can be designated as the Secretariat/Executive wing of the State Disaster Management Authority, which will also ensure compliance of Disaster Management Act, 2005.

7. The Additional Chief Secretary/Commissioner of Revenue Administration has stated that the establishment and strengthening of the said Tamil Nadu Disaster Management Agency (Secretariat to SDMA) for the first 4 years may be initially funded by the State Government /Capacity Building component from the 13th Finance Commission grant. As it is a component under the Coastal Disaster Risk Reduction Project supported by World Bank, which is under active consideration of the Government and likely to start from 1st June 2013, provision is there to meet the funds under retroactive financing of the Coastal Disaster Risk Reduction Project (CDRRP). He has further added that Disaster Management portfolio under the Department of Revenue Administration, Disaster Management and Mitigation is presently managed by 3 Sections namely NC1, NC2 and NC3 (NC- Natural Calamities). A Project Management Unit is exclusively set-up for the execution of Tsunami Rehabilitation Programmes. He has also stated that with the present requirement as the basis, the existing system of functioning under this department be re-organized to constitute Tamil Nadu State Disaster Management Agency

(TNSDMA) for effective execution of disaster mitigation and management functions in the State.

8. The Additional Chief Secretary/Commissioner of Revenue Administration has also informed that the approximate Human Resource cost per year will be around Rs.3.64 crores with an increase of 10% per year for the subsequent 3 years for the posts of Consultants, Desk Operators, Typists, Drivers and Office Assistants. The Additional Chief Secretary/Commissioner of Revenue Administration has also pointed out that the Project Pre-appraisal Mission of World Bank for Coastal Disaster Risk Reduction Project during its visit on 26.3.2013 has also indicated the need for forming the Tamil Nadu Disaster Management Agency and hence he has requested to obtain and communicate the orders of the Government on the above proposals.

9. The State Disaster Management Authority meeting held under the Chairmanship of the Hon'ble Chief Minister on 28.5.2013 approved the requirement of staff consisting of 37 posts by redeployment and by creation of 88 new posts through outsourcing for both the State and District Emergency Operations Centres with the Technical Consultants as per need.

10. The above proposal of Additional Chief Secretary/Commissioner of Revenue Administration has been examined by the Government in detail and the Government issue the following orders:-

i) The constitution of Empowered Group of Ministers/Disaster Management Authority ordered in the Government Order second read above shall hereinafter be replaced by the **State Disaster Management Authority/State Executive Committee** constituted already by the Government vide Government Order eighth and sixth read above respectively. The amendments suggested by the Additional Chief Secretary /Commissioner of Revenue Administration in his letter seventh read above have been agreed to by the Government with necessary modifications. The existing provisions of the Empowered Group of Ministers, Disaster Management Authority, organisational setup of Disaster Management Agency and the amendments to the above ordered by the Government is appended vide annexure-I to this Government Order.

ii) The Tamil Nadu Disaster Management Policy, as published vide the Government Order second read above, is amended to the extent of the above mentioned amendments. The Additional Chief Secretary / Commissioner of Revenue Administration is requested to take steps to prepare 500 hard copies and upload the soft copy of the amended Tamil Nadu Disaster Management Policy on the Revenue Department's official website.

iii) The amended G.O.(Ms)No.7, Revenue [NCI(2)] Department dated 5.1.2005 shall be notified with regard to the establishment of **Tamil Nadu State Disaster Management Agency (TNSDMA)** and it shall be registered under the Tamil Nadu Societies Registration Act 1975, and also its Bye-laws as mentioned in Annexure -II. The assets with the Tsunami Project Management Unit, and with the Natural Calamities I, II, and III Sections of the Commissionerate of Revenue Administration shall be transferred to the proposed Tamil Nadu Disaster Management Agency.

24

4

iv) The Government further issues order for the appointment of staff/infrastructure pattern paving way for establishment for the Tamil Nadu State Disaster Management Agency as stated in Annexure III and IV. Since, the agreement for the Coastal Disaster Risk Reduction project was signed with the Department of Economic Affairs, Ministry of Finance, Government of India, and the International Development Association (World Bank) on 11.11.2013, the necessary fund provision shall be met from the Implementation Support Component of the Coastal Disaster Risk Reduction project (CDRRP).

11. The Additional Chief Secretary/Commissioner of Revenue Administration is requested to take appropriate action for the formation of the Tamil Nadu State Disaster Management Agency as ordered above and also as per law / orders in force and to send the action taken report to the Government in due course.

12. This order issues with the concurrence of the Finance Department vide its U.O.No.68693/Finance (Revenue)/2013, dated: 25.11.2013.

ANNEXURE -II
MEMORANDUM OF ASSOCIATION OF
THE TAMILNADU STATE DISASTER MANAGEMENT AGENCY
(TNSDMA)

- | | |
|---|--|
| 1. NAME OF THE SOCIETY | The Tamil Nadu State Disaster Management Agency (<u>TNSDMA</u>) (Sponsored by the Government of Tamil Nadu) |
| 2 REGISTERED OFFICE OF THE SOCIETY | Office of the Commissioner of Revenue Administration, Government of Tamil Nadu, Ezhilagam, Chepauk, Chennai-600 005. |

3. AREA OF OPERATION OF THE SOCIETY:

The area of operation of the Society will extend throughout the territorial limits of the State of Tamil Nadu.

4. OBJECTS OF THE SOCIETY, MAIN AND ANCILLARY:

The aim of Tamil Nadu State Disaster Management Agency is to reduce the negative impact of all kinds of disasters through a vibrant disaster management machinery so that loss of lives, property and critical infrastructure is minimized; economic and developmental gains made by the State are not lost due to such calamities / disasters. The Tamil Nadu State Disaster Management Agency shall manage disasters with funding from State resources, Government of India, domestic lending agencies and international aid organizations. The Agency will operate by and through Government departments, Government sponsored agencies, societies, cooperative societies, non-governmental agencies, community organizations, concerned trusts and organizations. The Agency will also promote, design, plan and execute other projects on its own initiative or assigned to it by the State Government that seek:

- To replace the existing approach of re-active relief by a proactive approach.
- To develop a new culture of prevention, preparedness and quick response for management of disasters.
- To reduce the vulnerability of the community through proper risk assessment.
- To put institutions and structures in place for efficient and effective management of disasters.
- To establish a clear chain of command with well defined authority and responsibility of various stakeholders.

The members of the Executive Council, Auditors, officers of the Society and any holding Trustee for the time being acting in relation to any of the affairs of the Society and their heirs, executors and administrators respectively shall be indemnified out of the assets of the Society from or against any suits, proceedings, costs, charges, losses, damages and expenses which they or any of them incur or sustain by reason of any act done omitted to be done in or about the execution of their duty in their respective offices or trusts except such (if any) as they shall incur or sustain by or through their own willful neglect or default respectively.

40. BALANCE SHEET AND ANNUAL ACCOUNTS OF SOCIETY :-

Once in every year, on or before the 14th day succeeding the day on which the Annual Governing Council meeting of the Society is held, a copy of the annual balance sheet and audited income and expenditure account of the Society along with a list of office bearers and Executive Council members of the Society with full name address and occupation as required under section 16 of the Tamil Nadu Societies Registration Act, 1975 (Tamil Nadu Act 27 of 1975) shall be filed with the Registrar of Societies, concerned.

41. VALIDATION OF ACTS:-

No action taken by the Society shall be rendered invalid or void only due to the reasons that:-

- (1) There existed one or more vacancies in the Executive Council on the day the resolution was passed, or
- (2) The resolution in pursuance of which the said act was done, has subsequently been modified or revoked by the Executive Council.

42. SUITS BY OR AGAINST THE SOCIETY:-

Any person including a member of the Society, who damages, injures or destroys any property of the Society or otherwise acts in a manner resulting in pecuniary loss to the society, can be sued by the society. The fact that such person may be a member of the Society shall not in any manner prevent the Society from proceeding against him in Law.

43. THE SOCIETY SHALL NOT CARRY ON ITS ACTIVITY WITH THE INTENTION OF MAKING PROFIT.

44. THE BENEFITS OF THE SOCIETY ARE OPEN TO ALL IRRESPECTIVE OF CASTE, RELIGION, SEX ETC.

45. DISSOLUTION :

The society is irrevocable by the promoters. In the event of dissolution or winding up of the society, the assets remaining as on the date of dissolution or winding up of the Society, shall under no circumstances be distributed among the members of the Society but shall accrue to the State Government which will decide about its utilization as provided under the provision of the Tamil Nadu Societies Registration Act, 1975 (Tamil Nadu Act 27 of 1975).

ABSTRACT **1137**

Project Management Unit - Constitution of District Disaster Management Authority - Proposal for Sanction of Staff to assist the District Disaster Management Authority - Approved by Empowered Committee - Sanctioned - Orders - issued.

Revenue [DM4(1)] Department

G.O.Ms.No.578 **Dated:30.12.2014**

**Jaya, Maargazhi 15,
Thiruvalluvar Aandu - 2045**

Read:

1. G.O.Ms.No.689, Revenue (NC1.2) Department, Dated:09.12.2008.
2. G.O.Ms.No.33, Revenue (DM1.2) Department, Dated:24.01.2012.
3. G.O.Ms.No.149, Revenue (DM1.2) Department, Dated:27.05.2013.
4. Agenda approved by the Empowered Committee on 18.12.2013.
5. From the Officer on Special Duty (Relief & Rehabilitation), Letter No.TOP-2/1503/2013, Dated:23.12.2013.

ORDER:-

In the Government Order first and third read above, in accordance with the sec 14 (2) of the Disaster Management Act, 2005 (Central Act 53 of 2005) the Government of Tamil Nadu constituted the State Disaster Management Authority with the Hon'ble Chief Minister as the Chair Person and 8 other members and in the Government Order second read above, under Section 25 (1) of the Disaster Management Act, 2005, the Government constituted the District Disaster Management Authority for each district.

2. The details of the proposal is furnished below:-

(i) In view of the proactive approach of the Government towards Disaster Management, and the policy of the Government to provide relief to the affected without any delay, and the renewed focus because of the increasing frequency of disasters, it is felt that there should be support staff for the Collectors at the district level to assist them in carrying over the works.

Support Staff

Scanned by CamScanner

- (ii) In 12 Coastal Districts (except Tiruvarur) following posts have been sanctioned for Tsunami Reconstruction activities, to assist the District Disaster Management Authority in discharge of its function.

1.	Special Tahsildar (LA and RR) (Time Scale)
2.	Revenue Inspector (Assistant Cadre) (Time Scale)
3.	Assistant (Time Scale)
4.	Junior Assistant (consolidated pay @ Rs.4000/-)
5.	Office Assistant (consolidated pay @ Rs.3000/-)
6.	I.T. Facilitator (consolidated pay @ Rs.7500/-)

CDRRP
SDMA - Operational
DDMA - Creation

- (iii) One of the components under the Coastal Disaster Risk Reduction Project is to operationalise the State Disaster Management Authority and the creation of Tamil Nadu Disaster Management Agency. Accordingly the Tamil Nadu Disaster Management Agency has been created. The Agency shall have State wide jurisdiction and shall be undertaking all activities related to Disaster Management. Since the jurisdiction of the Disaster Management Agency under Coastal Disaster Risk Reduction Project (CDRRP) is state wide and there is an imperative need to take up Disaster Management related activities in the non-coastal districts, it seems necessary that the authority staff posts may be created for the remaining 19 non-coastal districts and Tiruvarur district. As such one Tahsildar post is created newly for undertaking Disaster Management activities with following supporting staff in each non-coastal Districts as tabulated below:-

1.	Tahsildar	1	designated as Tahsildar (Disaster Management) on time scale
2.	Assistant	1	Time Scale
3.	Junior Assistant	1	Consolidated pay
4.	Typist/Data Entry Operator	1	Consolidated pay
5.	Office Assistant	1	Consolidated pay
	Total	5	

- (iv) The Tahsildar so appointed along with the supportive staff shall be entrusted with the above mentioned activities. It shall be of assistance in expediting the works related to Disaster Management in the districts and fulfilling the objectives as envisaged by the Government in managing disasters and providing immediate relief to the affected people without any delay.

Bank Team
Leader of
CDRRP
(a) Tiruvannur
12 Coastal
3141

3. In this connection, the Officer on Special Duty (Relief & Rehabilitation) in his letter dated: 16.11.2013, has stated that the Task Team Leader (CDRRP) of World Bank has been requested to give concurrence for extending the activities related to Disaster Management in the 19 non-coastal districts and Tiruvarur district of Tamil Nadu. The Task Team Leader (CDRRP) of World Bank concurred with the proposal and made some suggestion as noted below:-

- (i) The proposal to appoint staff of the State Disaster Management Authority for all the 20 Districts including Tiruvarur as well as the functioning of the State Disaster Management Authority will not be restricted to the coastal districts alone and will help institute a robust system, subject to the following:-
 - (a) The Terms of Reference for the proposed positions will be prepared as pre agreed with the Bank and staff will be appointed quickly following due process.
 - (b) The appointed staff will be trained and retained in their position for a reasonable minimum tenure.
 - (c) Project will support the staff appointed in non-coastal districts only for a startup period, not extending 24 months in each case.
- (ii) (1) Regarding Point No.1, the Terms of Reference Pre-agreed with the Bank, preparation of the Terms or Reference is being prepared and the same will be communicated to the World Bank shortly.
- (2) Regarding Point No.2, that after appointment of proposed staff necessary training will be given to them properly and the tenure will be prescribed in the Government Order itself while creation of the post.
- (3) Regarding Point No.3, in 12 Coastal Districts following posts have already been sanctioned vide G.O.Ms.No.52, Revenue (NC-III) Department, dated:02.02.2005 for Tsunami Reconstruction activities.

1.	Special Tahsildar (LA and RR) (Time Scale)
2.	Revenue Inspector (Assistant Cadre) (Time Scale)
3.	Assistant (Time Scale)
4.	Junior Assistant (consolidated pay @ Rs.4000/-)
5.	Office Assistant (consolidated pay @ Rs.3000/-)
6.	I.T. Facilitator (consolidated pay @ Rs.7500/-)

Scanned by CamScanner

In the G.O.Ms.No.279, Revenue (DM4(1) department, -dated:22.07.2013, the Government accorded further continuance for the serial no.2 to 5 of the above posts for the period from 01.06.2013 to 31.12.2013 only and r ended continuance of the following two posts from 01.01.2014 to 31.05.2014 in 12 Coastal Districts. (i.e. sl.no. 1& 6)

1. Special Tahsildar (LA and RR) (Time Scale)
2. I.T. Facilitator (consolidated pay @ Rs.7500/-)

The project period of the Coastal Disaster Risk Reduction Project (CDRRP) is 5 years which ends by 31.07.2018. The post of Special Tahsildar (LA and RR) of 12 Coastal Districts have to be re-designated as Tahsildar (Disaster Management) and continued up to end of the project and the supporting staff (Junior Assistant, Typist / Data Entry Operator & Office Assistant) should also be continued up to the project period.

4. The cost for the expenditure on staff in both coastal and non-coastal districts and the total expenditure is detailed below and will be met from funds earmarked for the Coastal Disaster Risk Reduction Project (CDRRP) Implementation support.

Sl. No.	Name of Post	No. of Post	Pay per month	Expenditure per annum
1.	Tahsildar (DM) (Time Scale)	1	Time Scale (9300-34800+ GP 5100) x DA 90% + Spl. Pay Rs.1000/-) (approximate cost) Rs.51,490/-p.m.	Rs.6,17,880/-
2.	Assistant (Time Scale)	1	29,450/-	3,53,400/-
3.	Junior Assistant (Consolidated pay)	1	10,000/-	1,20,000/-
4.	Typist/Data Entry Operator (Consolidated pay)	1	10,000/-	1,20,000/-
5.	Office Assistant (Consolidated pay)	1	7,000/-	84,000/-
	Total	5		12,95,280/-

For each district the expenditure for the staff salaries shall be Rs.12,95,280/- per annum. For 32 districts the total expenditure per annum is Rs.4,14,48,960/- (Rs.4.15 crore) approximately as mentioned in the annexure appended in this order.

Scanned by CamScanner

5. The Officer on Special Duty (Relief & Rehabilitation) has further stated that the Empowered Committee has accorded sanction for the proposed post continuance in 12 coastal Districts for the project period upto 31.07.2018 and post sanction for 19 non-coastal Districts and Tiruvarur District, (Total 20 Districts) for 24 months from the date of issue of Government order and the Empowered Committee has also approved the proposal.

6. The Government after careful examination have decided to accept the proposal of the Officer on Special Duty (Relief & Rehabilitation) i/c. and accorded sanction for the proposed post continuance in 12 Coastal Districts for the Project period up to 31.07.2018 and post sanction for 19 non-coastal Districts and Tiruvarur District (total 20 Districts) for 24 months from the date of issue of Government Order subject to the following conditions:-

- (i) break in service has to be given in every year before the completion of one year service to the persons appointed / to be appointed in the above project on temporary/contract/consolidated pay/outsourcing basis.
- (ii) the claims for permanent absorption from the candidates after appointment in the above project should not be considered.
- (iii) assurance in writing has to be obtained from the candidates during the time of appointment that they should not claim for permanent absorption.

7. The expenditure shall be debited to the following Head of Account:-

"2070 - 00 Other Administrative services - 800 Other Expenditure - Schemes in the Twelfth five year plan - II. State Plan - QA World Bank Assisted Scheme under Emergency Tsunami Reconstruction Project (ETRP) - Project Management Unit - Revenue Administration - 01 - Salaries" (DPC 2070 00 800 QA 0108)

8. This order issues with the concurrence of the Finance Department vide U.O.No.72509/CMPC/2014, Dated:24.12.2014.

1. G.O.Ms.No.630/Revenue[DMIII(2)] Department, dated: 29.10.2007.
2. From the Government of India, Ministry of Home Affairs, New Delhi letter No.32-7/2014-NDM1, dated : 08.04.2015
3. From the Additional Chief Secretary / Commissioner of Revenue Administration letter No.NCI(2)/ 7837/2015, dated : 22.07.2015.

ORDER:

In the Government order first read above, the Government have issued orders adopting the revised norms of Government of India which envisage granting of enhanced relief to the victims of natural calamities under State Disaster Response Fund (SDRF)/National Disaster Response Fund (NDRF) in the form of financial assistance for loss of lives, loss of limb or eyes, grievous injuries, loss of crops, loss of cattle, damages to the houses etc., to mitigate the suffering and loss caused.

2. Based on the norms of assistance under State Disaster Response Fund communicated by Government of India, Ministry of Home Affairs, the Government of Tamil Nadu have issued several Government orders adopting the norms of financial assistance of Government of India from the State Disaster Response Fund on various occasions.

3. In the letter second read above, the Government of India have revised norms of financial assistance from the State Disaster Response Fund for certain items of relief assistance. Accordingly in the letter third read above, the Additional Chief Secretary/Commissioner of Revenue Administration has reported that the

/p.t.o/

Government of India have revised items and norms for assistance from the State Disaster Response Fund(SDRF)/ National Disaster Response Fund(NDRF) and sent the approved list of items and norms for assistance from State Disaster Response Fund(SDRF) / National Disaster Response Fund(NDRF) based on the report of the expert Group set up by the Ministry of Home Affairs. Hence, the Additional Chief Secretary/Commissioner of Revenue Administration has sought approval of the Government for adopting the revised norms of Government of India for sanction of relief from the State Disaster Response Fund(SDRF)/National Disaster Response Fund(NDRF).

4 The Government after careful consideration, accept the recommendations of the Additional Chief Secretary/ Commissioner of Revenue Administration and direct that the revised norms of Government of India or the existing State Government norms whichever are more beneficial be adopted. Accordingly the revised consolidated scale of relief is annexed. This order will come into the force from the date of issue of this order.

Enclosure G.O.Ms.No.380, Revenue Department, Dated:27.10.2015

REVISED LIST OF ITEMS AND NORMS OF ASSISTANCE FROM STATE DISASTER RESPONSE FUND (SDRF) AND NATIONAL DISASTER RESPONSE FUND (NDRF)

Sl.No.	Items	Norms of Assistance
1	2	3
1	GRATUITOUS RELIEF	
	(a) Ex-gratia payment to families of deceased persons	Rs.4.00 lakh per deceased person including those involved in relief operations or associated in preparedness activities, subject to certification regarding cause of death from appropriate authority.
	(b) Ex-gratia payment for loss of a limb or eye(s)	(i) Rs. 59,100/- per person, when the disability is between 40% and 60% (ii) Rs.2.00 lakh per person when the disability is more than 60% Subject to certification by a doctor from a hospital or dispensary of Government, regarding extent and cause of disability.
	(c) Grievous injury requiring hospitalisation	(i) Rs.12,700/- per person requiring hospitalization more than a week (ii) Rs.4,300/- per person requiring hospitalization for less than a week
	(d) Clothing and utensils / household goods for families whose houses have been washed away / fully damaged / severely inundated for more than two days due to a Natural Calamity	Rs.1800/- per family for loss of clothing Rs.2000/- per family for loss of utensils / household goods.
	(e) Gratuitous Relief for families whose livelihood is seriously affected.	Rs.60/- per adult and Rs.45/- per child, not housed in relief camps. The Tahsildar shall verify and prepare a list of those affected and identify the beneficiaries.

		Period of providing gratuitous relief will be as per assessment of State Executive Committee and the Central Team (in case of NDRF). The default period of assistance will be upto 30 days, which may be extended upto 60 days in the first instance, if required, and subsequently upto 90 days in case of drought / pest attack. Depending on the ground situation, the State Executive Committee can extend the time period beyond the prescribed limit subject to the stipulation that expenditure on this account should not exceed 25% of SDRF allocation for the year.
2	SEARCH AND RESCUE OPERATIONS. a) Cost of search and rescue measures / evacuation of people affected / likely to be affected	As per actual cost incurred, assessed by State Executive Committee and recommended by the Central Team (in case of NDRF) By the time if the search and rescue operations are over before the visit of the Central Team, then the State Executive Committee will assess/ recommend actual /near actual cost.
	b) Hiring of boats/ essential equipments for carrying immediate relief and saving lives.	As per actual cost incurred, assessed by State Executive Committee and recommended by the Central Team (in case of NDRF)
3	RELIEF MEASURES a) Provision for temporary accommodation, food, clothing, medical care, etc., for people affected/ evacuated and sheltered in relief camps.	A package of 10 KG rice, one saree and one dhoti, one litre of kerosene and Rs. 1000/- to the families evacuated from their houses and moved to shelters. As per assessment of need by State Executive Committee and recommendation of the Central Team (in case of NDRF) for a period up to 30 days. The State Executive Committee would need to specify the number of camps, their duration and the number of persons in camps. In case of continuation of a calamity like drought or widespread devastation caused by earthquake or flood etc., this period may be extended to 60 days, and upto 90 days in cases of severe drought. Depending on the ground situation, the State Executive Committee can extend the time period beyond the prescribed limit subject to the stipulation that expenditure on this account should not exceed 25% of SDRF allocation for the year. Medical care may be provided from National Rural Health Mission (NRHM).
	b) Air dropping of essential supplies.	As per actual, based on assessment of need by State Executive Committee and recommendation of the Central Team (in case of NDRF) The quantum of assistance will be limited to actual amount raised in the bills by the Ministry of Defence for airdropping of essential supplies and rescue operations only.

	c) Provision of emergency supply of drinking water in rural areas and urban areas	As per actual cost, based on assessment of need by State Executive Committee and recommended by the Central Team (in case of NDRF) up to 30 days and may be extended upto 90 days in case of drought. Depending on the ground situation, the State Executive Committee can extend the time period beyond the prescribed limit subject to the stipulation that expenditure on this account should not exceed 25% of SDRF allocation for the year.
4	CLEARANCE OF AFFECTED AREAS	As per cost, within 30 days from the date of start of the work, based on assessment of need by State Executive Committee for the assistance to be provided under SDRF and as per assessment of the Central team for assistance to be provided under NDRF.
	a) Clearance of debris in public areas.	
	b) Draining off flood water in affected areas	
	c) Disposal of dead bodies / Carcasses	As per actuals based on assessment of need by State Executive Committee and recommendation of the Central Team (in case of NDRF)
5	AGRICULTURE	
	Assistance to farmers

I am directed to invite your attention to the references cited.

2. In the Government order first cited, Government accorded administrative approval for the delegation of powers to the District Collectors to draw and disburse relief assistance of Rs.10,00,000/- (Rupees Ten lakhs only) at a time for the crops damaged more than 50% as per existing norms and after conducting joint inspection by the officials of concerned Departments so as to disburse the relief amount to the affected farmers whose crops are damaged due to Natural Calamities.

3. In the Government order second cited, Government ordered revised norms of financial assistance from the State Disaster Response Fund (SDRF) and the National Disaster Response Fund (NDRF).

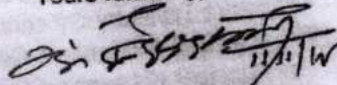

[P.T.O]

2

4. In the reference third cited, orders have been issued authorizing the District Collectors to draw and disburse relief assistance upto Rupees Ten Lakhs at a time for the crops damaged more than 50% as per existing norms and after conducting joint inspection by the officials of the concerned Departments.

5. In this connection, I am directed to clarify that the drawal and disbursement of relief assistance should be as per the norms of assistance ordered in G.O.(Ms) No.380, Revenue [DM.III.(2)] Department, dated 27.10.2015.

Yours faithfully,

for Secretary to Government

103

Tamil Nadu Treasury Rules

[T.R. 23 - 27]

Treasury Rule 23

23. No withdrawal shall be permitted on a claim for the first of any series of payments in a district of pay or allowances to a Government servant, other than a person newly appointed to Government service, unless the claim is supported by last pay certificate in such form as may be prescribed by the Comptroller and Auditor-General of India. A Treasury Officer may not permit any withdrawal in respect of pay or allowances of a Government servant to whom he has granted a last pay certificate, unless the certificate is first surrendered.

Treasury Rule 24

24. The Treasury Officer shall be responsible to the Accountant-General for acceptance of the validity of a claim against which he has permitted withdrawal and for evidence that the payee has actually received the sum withdrawn.

Treasury Rule 25

25. The Treasury Officer shall obtain sufficient information as to the nature of every payment he is making and shall not accept a voucher which does not formally present that information unless there are valid reasons, which he shall record in writing, for omitting to require it.

Treasury Rule 26

26. A Treasury Officer may correct arithmetical inaccuracy or an obvious mistake in any bill presented to him for payment, but shall intimate to the drawing Officer any correction which he makes.

Treasury Rule 27

Payments under Special Authorisation of the Collector

Relief on account of natural calamities

27. (a) The following authorities may in circumstances of urgency, by an order in writing, authorise and require a Treasury Officer to make a payment, not being a payment of pension, without complying with the provisions of these rules, for extending relief on account of natural calamities such as fire, flood and cyclone and the like, upto the monetary limit indicated below:

Tamil Nadu Treasury Rules
[T.R. 27 - 29]

Authority	Monetary Limit in each case
1. Tahsildar	Upto Rs 2 lakhs
2. Revenue Divisional Officer / Sub-Collector	Upto Rs 3 lakhs
3. Collector	Upto Rs 20 Lakhs
4. Commissioner of Revenue Administration	Upto Rs 50 lakhs

The above authorities shall at once forward a copy of order under statement of the circumstances requiring the payment and the Treasury Officer shall at once report the payment to the Accountant-General.

(b) The District Collectors may draw and disburse relief assistance upto Rupees Ten lakhs at a time for the crops damaged more than 50% as per existing norms and after conducting joint inspection by Officials of the concerned Departments.

Note 1: The withdrawals of money under this rule should as far as possible exclude all personal claims of Government servants.

Note 2: The claims will be admitted by the Treasury Officer only till the urgency exists. After the urgency ceases, the claims shall be admitted only after allocation of sufficient funds by the competent authorities under appropriate heads of account.

Treasury Rule 28

28. A Government servant who is authorized to draw moneys by means of cheques shall notify to the bank upon which he draws the number of each cheque book brought into use and the number of cheques it contains.

Treasury Rule 29

29. When a Government servant who is authorized to draw or countersign cheques or bills payable at the treasury or the bank makes over charge of his office to another, he shall send a specimen of the relieving Government servant's signature to the treasury Officer or the bank, as the case may be.

The Expenditure for providing immediate relief to the victims of State - specific disasters within the local context in the State, which are not included in the Government of India notified list of disasters eligible for assistance from State Disaster Response Fund (SDRF)/National Disaster Response Fund (NDRF), can be met from the State Disaster Response Fund (SDRF) within the limit of 10 percent of the funds available under the State Disaster Response Fund (SDRF). However, this flexibility would be applicable only after the State has formally listed the disasters for inclusion and notified transparent norms and guidelines with a clear procedure for identification of the beneficiaries for disaster relief such local disasters with the approval of the State Executive Committee to ensure that individual beneficiary oriented assistance is necessarily disbursed through the bank account of the beneficiary.

The scale of relief assistance against each item for such local disaster should not exceed the norms of State Disaster Response Fund (SDRF)/National Disaster Response Fund (NDRF). Any amount spent by the State for such disasters over and above the ceiling would be borne out of its own resources and would be subject to the same accounting norms.

3. The allocation approved by the Government of India towards State Disaster Response Fund from 2015-2016 to 2019-2020 is as follows:

Year	Centre's Contribution (Rs. in Crores)	State's Contribution (Rs. in Crores)	Total (Rs. in Crores)
2015-2016	509.25	169.75	679.00
2016-2017	534.75	178.25	713.00
2017-2018	561.00	187.00	748.00
2018-2019	589.50	196.50	786.00
2019-2020	618.75	206.25	825.00
Total	2813.25	937.75	3751.00

4. In the Government order first read above, orders have been issued by the Government of Tamil Nadu, revising the norms for sanction of relief assistance to the victims of Natural Calamities namely Cyclone, Flood, Drought, Earth Quake, Fire, Tsunami and hailstorm from the State Disaster Response Fund (SDRF)/National Disaster Response Fund (NDRF) based on the norms of assistance communicated by the Government of India, Ministry of Home Affairs in their letter dated 08.04.2015. In the above Government Order, it has also been ordered therein to adopt the norms of Government of India or the existing norms of the State Government whichever is more beneficial.

5. The Principal Secretary/Commissioner of Revenue Administration in his proposal second read above has stated that the procedure currently followed for identification of beneficiaries of natural disasters may be adopted for identification of beneficiaries of area specific disasters also and hence recommended to include Sea

Erosion, Lightning, Thunder, Whirlwind, Gale Wind as area specific disasters and to sanction relief assistance from State Disaster Response Fund (SDRF).

6. Based on the announcement made by the Hon'ble Minister for Revenue on the floor of the Legislative Assembly on 10.07.2017 and based on the proposal of the Principal Secretary/Commissioner of Revenue Administration, the matter was placed before the State Executive Committee and the State Executive Committee has approved the same.

7. The Government hereby orders the inclusion of area specific disasters such as Sea Erosion, Lightning, Thunder, Whirlwind, Gale Wind in the list of items which are eligible for relief under State Disaster Response Fund (SDRF). The Government also accepts the proposal of the Principal Secretary/Commissioner of Revenue Administration with regard to the guidelines to be followed for sanction of relief as below:-

ABSTRACT

Disaster Management – Inclusion of Pest Attack of severe nature as one of the Natural Disasters eligible for relief under State Disaster Response Fund (SDRF) - Orders - Issued.

REVENUE AND DISASTER MANAGEMENT DEPARTMENT DISASTER MANAGEMENT WING, D.M.III (1) SECTION

G.O. (Ms) No.212

Dated: 03.07.2019

விசாரி-ஆணி 18, திருவள்ளூர் ஆண்டு, 2050

Read:

1. Government of India, Ministry of Home Affairs (Disaster Management Division) Letter No.33-5/2015-NDM-I, dated 30.07.2015.
2. G.O. (Ms) No.380, Revenue [DM.III(2)] Department, dated 27.10.2015.
3. G.O. (Ms) No.246, Revenue and Disaster Management [DM.3(2)] Department, dated 03.08.2017.
4. From the Additional Chief Secretary / Commissioner of Revenue Administration & State Relief Commissioner, Letter No.NC.2(2)/5357/2018, dated 02.07.2019.

ORDER:

The Government of India, Ministry of Home Affairs (Disaster Management Division) in their Office Memorandum first read above, included Pest Attack of severe nature as Natural Calamities qualify for relief assistance from National Disaster Response Fund (NDRF).

2. In the Government Order second read above, the Government issued orders revising the norms for grant of financial assistance to the victims of natural calamities under State Disaster Response Fund (SDRF) and National Disaster Response Fund (NDRF) based on the guidelines issued by the Government of India, Ministry of Home Affairs (Disaster Management Division), New Delhi, No.32-7/2014-NDM1, dated 08.04.2015. It has also been ordered therein that the revised norms of Government of India or the existing State Government norms whichever are more beneficial be adopted.

3. In the Government Order third read above, Government have issued orders for inclusion of areas specific disasters such as sea erosion, lightning, thunder, whirlwind and gale wind in the list of items which are eligible for relief under State Disaster Response Fund (SDRF).

[P.T.O.]

4. In the letter fourth read above, the Additional Chief Secretary / Commissioner of Revenue Administration has stated that the District Collectors of Cuddalore, Perambalur, Virudhunagar, Namakkal, Coimbatore, Thoothukudi, Ramanathapuram, Thiruppur, Salem, Ariyalur, Tirunelveli, Theni, Thiruvannamalai and Vellore districts have reported that the occurrence of invasive pest Fall Army Worm attack in the Maize Crops cultivated in their Districts and due to its fast migrating nature and the climatic factors conducive for the spread of the pest, the respective District Collectors have sent proposals for seeking input subsidy relief assistance under State Disaster Response Fund (SDRF) for the Maize crop damage caused by Fall Army Worm during Rabi 2018-2019. The Director of Agriculture has also recommended the proposals of District Collectors for sanctioning input subsidy from State Disaster Response Fund (SDRF) to the affected farmers whose Maize Crops were damaged due to attack of Fall Army Worm.

5. The Government, after careful consideration decided to accept the proposal of the Additional Chief Secretary / Commissioner of Revenue Administration and orders for inclusion of the item of Pest Attack of severe nature as one of the Natural Disasters, eligible for relief under State Disaster Response Fund (SDRF) for sanction of input subsidy to the affected farmers and to adopt the procedure currently being followed for sanctioning input subsidy under State Disaster Response Fund (SDRF) norms.

9. The World Bank Mail dated: 27.06.2019
10. From the Additional Chief Secretary/ Commissioner of Revenue Administration Letter No.TOP-2 / 2936/2018, dated 15.07.2019

ORDER:

In the Government Order first read above, in accordance with section 25 (1) and (2) of the Disaster Management Act, 2005, the Government Constituted the District Disaster Management Authority for each District.

2. In the Government Order second read above, the Government accorded further continuance for the existing staff of Project Management Unit, 12 Coastal Districts, Tsunami Project Implementation Units of Rural Development and Panchayat Raj Department, Fisheries Department and Environment Department till 31.05.2013. In the Government order third read above, the Government accorded further continuance for one post of Fisheries Consultant, up to 31.05.2013.

3. In the Government Order fourth read above, the Government accorded sanction for post continuance of the staffs of Project Management Unit, 12 coastal Districts, Tsunami Project Implementation Units of Rural Development and Panchayat Raj Department, Fisheries Department and Environment Department ordered in the Government Order second read above from 01.06.2013 to 31.05.2014 or as the case may be as annexed to that order.

4. In the Government order fifth read above, the Government accorded sanction for the post continuance in 12 Coastal Districts for the Project period up to 31.07.2018 and post sanction for 19 non-coastal Districts and Tiruvarur District (total 20 Districts) for 24 months from the date of issue of Government Order subject to the following conditions:-

- (i) break in service has to be given in every year before the completion of one year service to the persons appointed / to be appointed in the above project on temporary /contract/ consolidated pay/outsourcing basis.
- (ii) the claims for permanent absorption from the candidates after appointment in the above project should not be considered.
- (iii) assurance in writing has to be obtained from the candidates during the time of appointment that they should not claim for permanent absorption.

5. In the Government order sixth read above, the Government accorded sanction for the continuance of the following posts,

1.	Tahsildar	1	designated as Tahsildar (Disaster Management) on time scale
2.	Assistant	1	Time Scale
3.	Junior Assistant	1	Consolidated pay
4.	Typist/Data Entry Operator	1	Consolidated pay
5.	Office Assistant	1	Consolidated pay
	Total	5	

and ordered sanction of the above posts for 19 non-coastal districts and Tiruvarur District (20 Districts) for the project period beyond 29.12.2016 to assist the District Disaster Management Authority upto 31.07.2018 or till the need ceases for the posts.

6. In the Government order seventh read above, the Government accorded further continuance of staff and Specialist/Consultant posts in respect of Project Management Unit, Tamil Nadu Disaster Risk Reduction Agency till the end of the project period i.e., 31.03.2020. In the Government order eighth read above, the Government accorded sanction for the further continuance of the above posts for the District Disaster Management Authority in all the 32 Districts for a period of 1 (one) year from 01.08.2018 to 31.07.2019 .

7. In the letter tenth read above, the Additional Chief Secretary/ Commissioner of Revenue Administration has informed that the District Disaster Management Authority has been formed under the provisions of the Disaster Management Act.2005 and the purpose of the District Disaster Management Authority being a work-in-progress for which the activities are of immediate nature, the extension of posts sanctioned from time to time is inevitable. The Additional Chief Secretary/ Commissioner of Revenue Administration has also informed that in order to implement the State Disaster Management Perspective Plan 2018-2030 effectively, it is very much essential to continue the above supporting staff created for the District Disaster Management Authority in all the 32 Districts for a further period of 1 (one) year i.e., from 01.08.2019 to 31.07.2020.

8. The Additional Chief Secretary/Commissioner of Revenue Administration has also requested to sanction the expenditure towards salary of the supporting staff of District Disaster Management Authority under State Funds instead of incurring the same under the World Bank aided Coastal Disaster Risk Reduction Project which has been extended till 31.03.2020. He has also detailed the proposed expenditure towards the salary of the supporting staff of District Disaster Management Authority in all the 32 Districts for a further period for 1 (one) year, around Rs.4,96,89,600/- approximately and the above expenditure shall be met from Grants in Aid of the Tamil Nadu Disaster Risk Reduction Agency.

9. The Additional Chief Secretary/Commissioner of Revenue Administration has therefore requested orders of the Government to accord approval to incur the salary of the supporting staff attached with District Disaster Management Authority, under State Funds with effect from 01.07.2019 instead of incurring the same under World Bank aided Coastal Disaster Risk Reduction Project (CDRRP) and to accord further continuance of the supporting staff attached to District Disaster Management Authority in all the 32 Districts for a further period of 1 (one) year from 01.08.2019 to 31.07.2020.

10. The Government after careful consideration accept the proposal of the Additional Chief Secretary/Commissioner of Revenue Administration and accord approval to incur the salary of the supporting staff attached to District Disaster Management Authority under State Funds with effect from 01.07.2019 instead of incurring the same under World Bank aided Coastal Disaster Risk Reduction Project

(CDRRP) as the project comes to a close by 31.03.2020 and to accord further continuance of the following Supporting Staff for the District Disaster Management Authority in all the 32 Districts for a further period of one year with effect from 01.08.2019 to 31.07.2020.

Sl. No	Category	No. of posts	Scale of pay	Pay and other allowances (Approximately one year) in Rs.
1	Tahsildar (Time Scale)	32	Level-20 (Rs.37700-119500)	-----
2	Assistant (Time Scale)	32	Level-8 (Rs.19500-62000)	-----
3	Junior Assistant	32	(Consolidated pay) (Rs.10,000/- P.M)	38,40,000/-
4	Typist/ Data Entry Operator	32	(Consolidated pay) (Rs.10,000/- P.M)	38,40,000/-
5	Office Assistant	32	(Consolidated pay) (Rs.7,000/- P.M)	26,88,000/-

11. This order issues with the concurrence of Finance Department vide its U.O.No.63768/Fin(Rev)/2019, dated: 31.12.2019.

12. From the Additional Chief Secretary/Commissioner of Revenue Administration Letter No.OP-2/1926/2020, dated: 17.07.2020.

ORDER:

In the Government Order first read above, in accordance with section 25 (1) and (2) of the Disaster Management Act, 2005, the Government Constituted the District Disaster Management Authority for each District.

2. In the Government order fourth read above, the Government accorded sanction for the continuance of the following posts,

1.	Tahsildar	1	designated as Tahsildar (Disaster Management) on time scale
2.	Assistant	1	Time Scale
3.	Junior Assistant	1	Consolidated pay
4.	Typist/Data Entry Operator	1	Consolidated pay
5.	Office Assistant	1	Consolidated pay
	Total	5	

and ordered sanction of the above posts for 19 non-coastal districts and Tiruvarur District (20 Districts) for the project period beyond 29.12.2016 to assist the District Disaster Management Authority upto 31.07.2018 or till the need ceases for the posts.

3. In the Government order fifth read above, the Government accorded further continuance of staff and Specialist/Consultant posts in respect of Project Management Unit, Tamil Nadu Disaster Risk Reduction Agency till the end of the project period i.e., 31.03.2020. In the Government order sixth read above, the Government accorded sanction for the further continuance of the above posts for the District Disaster Management Authority in all the 32 Districts for a period of 1 (one) year from 01.08.2018 to 31.07.2019 .

4. In the Government order eleventh read above, the Government accorded sanction for the further continuance of the above posts for the District Disaster Management Authority in all the 32 Districts for a period of 1 (one) year from 01.08.2019 to 31.07.2020.

5. In the letter twelfth read above, the Principal Secretary/ Commissioner of Revenue Administration has stated that District Disaster Management Authority is an authority formed under the provisions of the Disaster Management Act, 2005 and the roles and responsibilities of the District Disaster Management Authority have been elaborated in Section 30 of the Disaster Management Act, 2005. In as much as the existence of District Disaster Management Authority is essential, the continuance of the supporting staff sanctioned for the District Disaster Management Authority is also inevitable

for performing the above roles and responsibilities of District Disaster Management Authority. He has also informed that in order to implement the State Disaster Management Perspective Plan 2018-2030 effectively, it is very much essential to continue the posts and hence the above posts may be continued for a further period of one year i.e., from **01.08.2020 to 31.07.2021 for 32 districts** and the expenditure towards salary to the above supporting staff would be met from the Grants in Aid of the Tamil Nadu Disaster Risk Reduction Agency.

6. The Principal Secretary/Commissioner of Revenue Administration has therefore requested orders of the Government for the further continuance of the staff of District Disaster Management Authority in 32 Districts for a further period of 1 year from 01.08.2020 to 31.07.2021.

7. The Government after careful consideration accept the proposal of the Principal Secretary/Commissioner of Revenue Administration accord further continuance of the following Supporting Staff for the District Disaster Management Authority in all the 32 Districts for a further period of one year with effect from 01.08.2020 to 31.07.2021.

Sl. No	Category	No. of posts	Scale of pay
1	Tahsildar (Time Scale)	32	Level-20 (Rs.37700-119500)
2	Assistant (Time Scale)	32	Level-8 (Rs.19500-62000)
3	Junior Assistant	32	(Consolidated pay) (Rs.10,000/- P.M)
4	Typist/ Data Entry Operator	32	(Consolidated pay) (Rs.10,000/- P.M)
5	Office Assistant	32	(Consolidated pay) (Rs.7,000/- P.M)

8. This order issues with the concurrence of Finance Department vide its U.O.No. 45384/Fin(Rev)/2020, dated: 05.12.2020.

16. G.O.(Ms)No.24/11-06-2021

Abstract

Social Welfare and Women Empowerment Department – Announcement made by the Hon'ble Chief Minister - Rehabilitation and protection of the children who had lost both the parent or single parent due to Covid-19 – Formal orders for implementation of the Announcement and sanction of funds – Orders – Issued.

Social Welfare and Women Empowerment [SW.5(1)] Department

G.O.(Ms)No.24

Dated: 11.06.2021

பிலவ, வைகாசி 28

திருவள்ளூர் ஆண்டு, 2052

Read:

1. Press Release dated 29.05.2021 on the Announcements made by the Hon'ble Chief Minister.
2. G.O.(D) No.87, Social Welfare and Nutritious Meal Programme Department, dated 05.06.2021

Read also:

3. From the Commissioner of Social Defence, Letter No.6570/B2/2021, dated 02.06.2021 and 08.06.2021.

Order:-

The Hon'ble Chief Minister has announced various welfare measures for the children who had lost both the parent or single parent due to COVID-19. The details are as follows:-

- Deposit of Rs.5.00 lakh in the name of the child who had lost both the parents due to COVID-19 and the deposited amount will be paid to the child with accrued interest when he/she completes 18 years of age.
- Deposit of Rs.5.00 lakh in the name of the child who had lost one of the parents earlier and other parent due to COVID-19. The deposited amount will be paid to the child with accrued interest when he/she completes 18 years of age.
- Preference will be given for admission in Government Homes and Hostels for children who had lost both the parents.
- All the expenditure including educational fees and hostel fees will be borne by the Government up to their graduation for children who had lost both the parents.

*Rs.5.00 lakh due to Covid
one earlier, one due to Covid.*

Surviving
Better/nutritious

D. Level
Committee

- Rs.3.00 lakh will be given to the surviving father or mother of the child who had lost either father or mother due to COVID-19 as immediate relief.
- A child who had lost both the parents and living with his relative / guardian without being admitted in any registered Child Care Institutions or Government Hostels will be given a maintenance grant of Rs.3,000/- per month till the child completes 18 years of age.
- In all the Government schemes, priority will be given to all these children and as well as to the husband or wife who had lost their spouse due to COVID-19 and living with their children.
- A District Level Committee will be constituted to monitor the financial assistance provided to each child, their progress in education, care, protection and development.
- In order to formulate guiding principles to appropriately extend the welfare measures announced by the Hon'ble Chief Minister it has been proposed to constitute a committee under the Chairmanship of Additional Chief Secretary, Finance Department with Principal Secretary to Government Social Welfare and Nutritious Meal Programme Department and representations from voluntary organisations as members.

2. In the Government order second read above, orders have been issued constituting the Committee to formulate a guiding principles to appropriately extend the welfare measures announced by the Hon'ble Chief Minister for protection of the children who had lost both the parent or single parent due to Covid-19 as follows:-

TNPFC

(iii) Preference shall be given for admission in Government / Government aided Homes and Hostels for children who lost both the parents.

(iv) All the expenditure including educational fees and hostel fees shall be borne by the Government up to their graduation for children who had lost both the parents.

(v) A sum of Rs.3.00 lakh shall be given to the surviving father or mother of the child who had lost either father or mother due to COVID-19 from the Chief Minister's Public Relief Fund in the name of the child as immediate relief.

Grant

Priority

- (vi) A child who had lost both the parents and living with his relative / guardian without being admitted in any registered Child Care Institutions or Government Hostels shall be given a maintenance grant of Rs.3,000/- per month till the child completes 18 years of age.
- (vii) Priority shall be given in all the Government schemes, to all these children and as well as to the husband or wife who had lost their spouse due to COVID-19 and living with their children.

6. The Government also approve the detailed Operational Guidelines for implementation of the above Relief Scheme announced by the Hon'ble Chief Minister for children who had lost both the parents or single parent due to COVID-19 as given in Annexure to this order. The Commissioner of Social Defence is directed to follow these guidelines while sanctioning the financial assistance to the beneficiaries as well as other welfare measures mentioned in para 5 above.

7. The Commissioner of Social Defence is directed to send a detailed proposals to Government in Finance (CMPRF) Department, for release of funds to the eligible beneficiaries covered under para 5(i), 5(ii) and 5(v) above from Chief Minister's Public Relief Fund and to deposit the amount in respect of the eligible beneficiaries covered under para 5(i) and 5(ii) in the Tamil Nadu Power Finance Corporation and to give the amount directly to the beneficiaries covered under para 5(v) as immediate relief as per the guidelines.

8. The Government accord sanction of maintenance grant of Rs.3000/- (Rupees Three Thousands Only) per month to the child who had lost both the parents and living with his relative / guardian without being admitted in any registered Child Care Institutions or Government Hostels till the child completes 18 years of age. The Commissioner of Social Defence is authorized to release the above maintenance grant through ECS to the saving bank account of the beneficiary every month.

9. The expenditure sanctioned in para 8 above shall constitute an item of "New Service" and the approval of the Legislature shall be obtained in due course of time by an inclusion in the Supplementary Estimates for the year 2021-2022. Pending approval of the Legislature, the expenditure may initially be met by drawl of an advance from the Contingency Fund. The Commissioner of Social Defence is directed to calculate the actual amount required for the period up to next supplementary Estimates and apply for sanction of the same as advance from the Contingency Fund to Finance (BG-I) Department directly in Form 'A' appended to the Contingency Fund Rules, 1963 along with a copy of this order. Orders for sanction advance from the Contingency Fund will be issued from Finance (BG-I) Department. The Commissioner of Social Defence shall also send necessary draft explanatory notes for inclusion of this expenditure in the Supplementary Estimates for the year 2021-2022 at the appropriate time without fail.

10. The Grants sanctioned in para8 above, shall be debited under the following new head of account under Demand 045-02:-

"2235 – Social Security and Welfare – 02 – Social Welfare – 102
Child Welfare – State's Expenditure –KO Maintenance grant to
the children who lost parents due to COVID – 19 – 309 –
Grants-in-Aid – 03 – Grants for Specific Schemes"
[IFHRMS DPC: 2235 02 102 – KO – 30903]

11. The Commissioner of Social Defence is the Estimating, Reconciling and Controlling Authority of the above New Head of Account. The Pay and Accounts Officer / Treasury Officer concerned is directed to open the above new head of account in their book.

12. This order issues with the concurrence of Finance Department, *vide* its U.O.No.24180/Finance BG-II/2021, dated 11.06.2021 and ASL No.139 (One hundred and thirty nine).

11.6.2021
Section Officer

**Annexure to G.O.(Ms) No.24, Social Welfare and Women
Empowerment Department, dated 11.06.2021**

**Operational Guidelines for Implementation of the Relief Scheme for
COVID-19 affected children announced by the Hon'ble Chief Minister**

Identification of children:-

- i. District Level Task Force headed by District Collector shall identify the families affected due to COVID-19 in their respective District and the children lost both or either of their parent. .
- ii. The DCPO may utilize the data on deaths due to Covid-19 available with the Health Department and enumerate the children in such families.
- iii. The DCPO may also collect data from the Birth and Death Registrars (VAOs and Executive Officer (Town Panchayat), Municipal Commissioner, Corporation Commissioner) as the case may be.
- iv. The DCPO may also collect the data through the sources like print and electronic media) after due verification.
- v. The DISTRICT TASK FORCE shall ensure the veracity of the data through physical verification by visiting the families.
- vi. There are certain incidents where the parents died due to COVID-19 at their home itself. In such cases, they don't get Death Certificate mentioning the cause of death (i.e., due to Covid-19). In such cases, the single surviving parent / guardian may apply for the Death Certificate based on the medical records whatsoever available (diagnosis of the Medical Officer and prescription, RTPCR Test Report, CT scan, X-ray etc.,) to prove that COVID-19 is the cause of death.

Production of children before the Child Welfare Committee

Children lost both the parents or either of their parents shall be considered as children in need of care and protection as per sec. 2(14)(vi) of the Juvenile Justice (Care and Protection of Children) Act, 2015 and produced before the Child Welfare Committee as mandated under sec. 31 of the said Act for proper rehabilitation.

Eligibility Criteria:-

1) Age

The age of the children who had lost both /single parent due to COVID-19 shall be below 18 years at the time of death of the parent.

2) Annual Income:-

- i. In case where the child has lost both the parents due to COVID-19, they shall benefit under the scheme irrespective of the Annual income of the deceased parents. .
- ii. In case where the child has lost any one of the parents due to COVID-19 and the deceased is the only bread winner, instead of seeking income certificate of the deceased, it shall be verified that his/her name is found in the list of approximately 60 lakh BPL families identified and maintained by Tamil Nadu Corporation for Women Development.
- iii. In case where the name of the parent is not found in the above said list, immediate steps shall be taken to ascertain whether such family is eligible for

inclusion in the list of BPL families and if eligible action shall be taken by the District Collector concerned to include the family in the BPL family database.

- iv. In case where both / single deceased parent are Government / Quasi Government / Public Sector undertaking servants, they are not eligible under the scheme.

3) Sanctioning Authority

The Commissioner of Social Defence shall be the Sanctioning Authority.

4) The name of the Financial Institution where the relief amount will be deposited

The Tamil Nadu Power Finance Corporation Limited, Chennai.

Sanction procedure

- 1) The District Collector shall send a proposal to the Commissioner of Social Defence (CSD) with his specific recommendations along with the following necessary documents:-

- a) Application in the prescribed proforma (Proforma-I)
- b) Death Certificate of the parents (at least either of the death certificate of the parent should indicate the cause of the death as COVID-19).
- c) Birth Certificate / School Certificate of the children for age proof.

- 2) The CSD after careful examination of the eligibility criteria:

- a) In case of a child who had lost both parent shall sanction and deposit a sum of Rs. 5.00 lakh in the name of the child with the Tamil Nadu Power Finance Corporation.
- b) The Fixed Deposit certificate shall be issued to the guardian / relative of the child through the DCPOs concerned.
- c) When the child completes the age of 18 years the deposited amount with accrued interest will be paid to the beneficiary through ECS.
- d) In case of a child who had lost single parent shall sanction and disburse a sum of Rs. 3 lakh in the name of the single surviving parent through ECS.

- 3) Maintenance grant:-

A child who had lost both the parent and not willing to be accommodated in any registered Child Care Institutions or Government Hostels, and is living with his relative/care taker, shall be given a maintenance grant of Rs.3,000/- per month till the child completes of 18 years of age through ECS by opening a separate savings bank account in the name of the child and the guardian.

School Education of the Children

- i. The child will be allowed to continue in the same School where the child studied i.e. Government School / Government aided Private School.
- ii. In case the child is studying in a Private School he may be allowed to continue his studies in same school. The school fees as per the RTE norms will be given from the PM-CARES/ State Government.

- iii. The expenditure on uniform, text books and note books will also be given from the PM-CARES/ State Government.

Higher Education of the Children

- i. The State Government will bear all the education cost upto Under Graduate level i.e., tuition fees, course fees, text books etc., and hostel fees.
- ii. If the child is not interested in availing free education offered by the State Government, the child will be assisted in obtaining education loan for pursuing Under Graduate (UG) courses as per the existing education loans norms. The interest on the education loan will be paid through PM-CARES/ State Government.

Residential Facility to Children

- i. If the child requiring accommodation facility shall be admitted in Government run hostels on priority basis.
- ii. Children found to be in need of care and protection shall be admitted in registered child care institution through child welfare committees as per the provisions of the Juvenile Justice (Care and Protection of Children) Act, 2015.

Monitoring and follow up mechanism

Monitoring Committee

The District Level Committee with following composition may be constituted under the Chairmanship of the District Collector to monitor the implementation of the scheme:-

1	District Collector	Chairman
2	District Child Protection Officer	Member Secretary
3	Chief Educational Officer	Member
4	District Social Welfare Officer	Member
5	A Chairperson or any member of the CWC concerned	Member
6	A representative from an active NGO running a Child Care Institution (to be nominated by the District Collector)	Member

Role and responsibilities of the Committee:-

- i. The District Level Committee shall monitor the disbursement of relief to the children under the scheme.
- ii. The committee shall ensure that the selection of the beneficiaries under the scheme as per the guidelines prescribed by the Government.
- iii. The committee shall take speedy steps to get the necessary certificates prescribed to get the relief.
- iv. The committee shall ensure that the child / single parent get the relief and other assistance of Government in time.

- v. The committee shall ensure whether the child pursue his studies without any hindrance, and to avoid drop out from the school through Probation Officer / Protection Officer (non-institutional care) of DCPU. It should be ensured by a follow up action done either by visiting to the family or school once in two months.
- vi. The committee shall ensure that the monthly maintenance grant of Rs.3,000 for month provided to the children who lost both the parent is utilized specifically for education and development of the child.
- vii. The committee shall take action to ensure that the child gets his legal share of moveable and immovable assets pertains to the child in future after the child completes 18 years.
- viii. The committee shall ensure the protection of the children, all rights of the children who have lost both the parents and lives with their guardian and relatives. For this purpose, it may utilize the services of Child Protection of Committees constituted at Village, Town Panchayat, Municipal and Municipal Corporation Levels.
- ix. The committee shall ensure that the children get the above Financial benefits and other Government schemes meant for their Education and Development.
- x. The DCPU shall develop and maintain a individual care plan for every child benefited under this scheme.

SUPERVISION AND MONITORING OF BENEFICIARIES

- 1) The Commissioner of Social Defence shall constitute a District Level Team under the head of Probation Officer of the Social Defence Department comprising of Protection Officer (non-institutional care), Legal cum probation officer, Social worker and outreach worker from the District child protection unit.
- 2) The Probation Officer who is responsible for probation supervision of children under the Juvenile Justice System shall guide the other officers involved in the task.
- 3) The Probation Officer, Protection Officer (NIC), Legal cum Probation Officer are primarily responsible for supervision of children and the children placed under each of such Officer shall not exceed 30 children.
- 4) If the number of children in the District exceeds 90 (children lost both or any one of the parent), the social workers, outreach workers of the DCPU and volunteers enlisted by the DCPU / District Administration shall be entrusted for supervision of children. However the number of children attached with an official shall not exceed 30.
- 5) The officers with whom children are attached shall submit a report (Proforma II) to the Chairperson of the District Task force once in two months on the status of education and health and the care and protection of child by visiting the school/family/neighbourhood.
- 6) The children will be under the supervision of the officials till they attain 18 years of age.
- 7) In cases where the children are drop out from school or suffering without proper care and protection, they shall be produced before the Child Welfare Committee for appropriate intervention.
- 8) The District Task Force shall monitor and oversee the functioning of the District Team constituted for supervision of children by reviewing once in 3 months.

State Level Committee

The overall implementation of the welfare measures for children who had lost both the parents and either of their parent due to COVID -19 shall be reviewed by the State Level Committee already constituted vide G.O.(D)No. 87 Social Welfare and Nutritious Meal Programme Department, dated 05.06.2021.

17. G.O.(Ms).No.411/22-09-2021

ABSTRACT

Committee - Covid - 19 Death Ascertaining Committee (CDAC) at the District Level for issue of the official document for COVID-19 death- Orders - Issued.

HEALTH AND FAMILY WELFARE (P1) DEPARTMENT

G.O.(Ms).No. 411

Dated: 22.09.2021

பிலவ, புரட்டாசி - 06

திருவள்ளூர் ஆண்டு- 2052

Read:

1. From the Ministry of Health and Family Welfare department, New Delhi, O.M. F.No.C.18018/11/2021-DMCell, Dated 03.09.2021.
2. Government letter No. 33211/P1/2021-1, Health and Family Welfare (P1) Department, dated 08.09.2021.
3. From the Director of Public Health and Preventive Medicine, letter R.No. 65878/SBHI-I/S1/2021, dated 09.09.2021.

ORDER:

In the Office Memorandum first read above, the Government of India, Ministry of Health and Family Welfare has framed the "Guidelines for Official Document for COVID-19 Death" in pursuance of the orders of the Hon'ble Supreme Court of India, dated 30.06.2021 in W.P.(C) No. 539/2021 and W.P.(C)No.554/2021.

2. Based on the above Guidelines, in the letter second read above, the Government have instructed all Collectors to form a District Level Committee consisting of Additional District Collector, Chief Medical Officer of Health, Dean or Joint Director of Medical and Rural Health Services and a subject expert for issuance of the official Document for COVID-19 death.

3. In the letter third read above, the Director of Public Health and Preventive Medicine has sent proposal forming a Covid-19 Death Ascertaining Committee(CDAC) at the District Level for issue of the official document for COVID-19 death.

4. The Government accept the proposal of the Director of Public Health and Preventive Medicine and the following notification will be published in the Tamil Nadu Government Gazette :-

NOTIFICATION

Covid-19 Death Ascertaining Committee – Greater Chennai Corporation

Sl. No.	Designation	Role
1	Commissioner and District Registrar of Births and Deaths	Chairman
2	City Health Officer	Member Secretary and Convener
3	Deans of the Medical Colleges	Member
4	Professor of Medicine, Madras Medical College	Member
5	Director, Institute of Child Health	Member
6	Surveillance Medical Officer (SMO, Chennai District)	Member
7	Joint Director of Medical, Office of the Directorate of Medical and Rural Health Service.	Member

The Committee shall follow the guiding principles issued by Government of India, Ministry of Health and Family Welfare and Indian Council of Medical Research for issue of Official Document of COVID-19 Death as detailed below :-

Guiding Principles.

- i. COVID-19 cases, for the purpose of these Guidelines, are those which are diagnosed through a positive RT-PCR/Molecular Tests/ RAT OR clinically determined through investigations in a hospital/in-patient facility by a treating physician, while admitted in the hospital/in-patient facility.
- ii. Deaths occurring due to poisoning, suicide, homicide, deaths due to accident etc. will not be considered as COVID-19 deaths even if COVID-19 is an accompanying condition.

P.T.O

Scenario based approach and interventions

Form 4
4A

within 30
days.

- i. COVID-19 cases which are not resolved and have died either in hospital settings or at home, and where a Medical Certificate of Cause of Death (MCCD) in Form 4 & 4A has been issued to the registering authority, as required under Section 10 of the Registration of Birth and Death (RBD) Act, 1969, will be treated as a COVID-19 death. Registrar General of India (RGI) will issue necessary guidelines to Chief Registrars of all States/UTs.
- ii. As per the study by Indian Council of Medical Research (ICMR), 95% deaths take place within 25 days of being tested Covid positive. To make the scope broader and more inclusive, deaths occurring within 30 days from the date of testing or from the date of being clinically determined as a COVID-19 case, will be treated as 'deaths due to COVID-19', even if the death takes place outside the hospital /in-patient facility.
- iii. However, a COVID-19 case, while admitted in the hospital /in-patient facility, and who continued as the same admission beyond 30 days, and died subsequently, shall be treated as a COVID-19 death.
- iv. In cases where the MCCD is not available or the next of kin of the deceased is not satisfied with the cause of death given in MCCD (Form 4/4A), and which are not covered by the aforesaid scenarios. The Committee shall issue Official Document for COVID-19 Death.

Functions of the District Level Committee (including Greater Chennai Corporation)

- i. The next of kin of the deceased shall submit a petition to the District Collector for issuance of the appropriate Official Document for COVID-19 Death.
The Committee is to scrutinize and examine all the petitions received from the next of the kin of the deceased through District Collector once in a week for issue of 'Official document for COVID-19 Deaths' to the concerned family members.
- ii. The "Official Document for COVID-19 Death" will be issued by the District Level Committee in the specified format annexed after due examination and verification of all facts.
- iii. The official document for COVID-19 death shall also be communicated to the Director of Public Health and Preventive Medicine and Chief Registrar of Births and Deaths and the Registrar of Birth and Death who issued the death certificate.
- iv. The Committee may interview the Stake holders to validate the information in the death related documents.
- v. The Committee shall also examine the grievances of the next of kin of the deceased, and propose necessary remedial measures, including issuance of amended Official Document for COVID-19 Death after verifying facts in accordance with the aforesaid guidelines issued by the Ministry of Health and Family Welfare.

P.T.O

- vi. The Committee would recommend appropriate measures to be taken up while certifying the cause of death in MCCD with regard to COVID-19 Deaths.
- vii. The applications for issuance of Official Document for COVID-19 Death and for redressal of grievances shall be disposed off within 30 days of submission of the application/ grievance.

Sub: Disaster Management - Input Subsidy Relief Assistance to the Crop damages due to Floods, Cyclone, Drought and Pest attacks - Updation of e-adangal - Instruction issued - Regarding.

- Ref:**
1. G.O.(s).No. 380 Revenue (D.M.3(2)) Department dated:27.10.2015.
 2. Review by the Hon'ble Chief Minister on Preparedness on Northeast Monsoon 2021 held on 24.09.2021.

I invite attention to the reference cited.

In the G.O 1st cited above, relief assistance for crop damage has been provided as input subsidy to the farmers where crop loss is 33 % and above for Agriculture, horticulture crops, sericulture crops, Eri, Mulberry, Tussar and Sericulture, Munga also.

The assessment of crop damage is made by the officials from the department of Agriculture, Horticulture and Plantation crops Sericulture along with Revenue Department and validated through joint inspection. The damage assessment report is sent to the State Relief Commissioner after it is approved by the concerned District Collector and Head of the Department. It is then sent to State Executive Committee for sanction of relief assistance.

While validating the damage assessment report the concerned departments including revenue officials are here by instructed to cross-check the land records about the crops cultivated by the individual farmer, to verify the survey number and extent sown with reference to the departmental data.

If there is no entry or correlation with the data in e-adangal the claim for input subsidy for crop damages shall not be recommended by District Collectors.

In view of the above it becomes mandatory for the Revenue and concerned departments to get adangal updated during cultivation season without any omission of entry.

Therefore, the District Collectors are requested to issue clear and firm instruction to field officers and ensure the implementation of the above procedure in letter and spirit. A copy of instructions issued by District Collectors may also be furnished to this office immediately.

Government,
Revenue and Disaster
Management Department,
Secretariat, Chennai - 09.

Lr. no. OP - 2 / 4390 / 2021, Dated: 11.10.2021

Sir,

Sub: Collectors' and Police Officers' Conference
2021 - proposed to be held during the last
week of October 2021 - Intimation furnishing
of agenda topics - Requested - Regarding.

Ref: Letter received from the Public (General - I)
Department, Chennai - 9, Letter no. 15386 /
Genl. I / 2021 - 1, dated: 05.10.2021

<<>>

I invite kind attention to the reference cited, wherein it has been requested to send a list of tentative topics for including as Agenda item in the Collectors Conference to be held during the last week on October 2021.

2. In this connection, I wish to state that the following topics may be included as Agenda items in the Collector's conference.

1) Community Participation in Disaster Management:-

Disaster reduction activities will create good impact, if they are based on participatory approaches by involving local communities and considering them as proactive stakeholders. In order to ensure community participation in disaster management, volunteers / first responders should be identified and trained in each and every habitation and thereby forming a Community Disaster Response Force. All the District Collectors, should initiate immediate action to identify volunteers / first responders from each and every habitation in order to involve them in the disaster management related activities viz., search, rescue, relief operations and maintenance of rain gauges etc.,

2) Village Disaster Management Plan:-

Community participation and community ownership in disaster risk reduction is one of the key factors in reducing

CDRF

vulnerabilities of people and minimizing loss. Communities being the first responder and having more contextual familiarity with hazards and availability of resources at the local level are in a better position to plan and execute immediate rescue and relief actions provided they are properly trained and involved in the planning process. Realizing the importance of community involvement in disaster management, Village Disaster Management Plans (VDMP) has to be prepared in the state by involving the respective communities of the village.

hazards resources

VDMP

Rev./PST

VDME

Village Disaster Management Plan (VDMP) is a document to be prepared by the Revenue Administration and Disaster Management Department and Local Bodies involving the village community. This document would be based on the hazard, vulnerability, risk, resource and capacity analysis, containing village profile supported by maps, emergency response and disaster risk reduction plans, listing out activities and pin pointing responsibility of the Village Disaster Management Committee (VDMC), Task Force Members and the community at normal times, before, during and after a disaster in order to save lives, livelihood and property and integrating it into the long term sustainable village developmental plan.

The plan will address the preparedness, response and mitigation strategies developed by the community with well-defined roles and responsibility. The plan will be helpful in ensuring speedy approach for rescue, rehabilitation in the affected area. The plan will guide the community at the time of disaster preparedness and at the time of relief operation, provides courage to the community to face the eventuality more effectively.

3) Assessment of Vulnerable Locations and suggesting Mitigation Projects:-

The State of Tamil Nadu is vulnerable to tropical cyclones, flood and earthquake induced tsunami. Tamil Nadu also faces annual flooding, flash flood, cloud bursts, cyclonic floods and floods due to surplus releases from reservoirs. Moreover, drought conditions are prevalent in some parts of states due to uneven distribution of rainfall which leads to crop failure, poor yields and drinking water scarcity, heat wave, thunderstorm lightning, sea erosion, sea water incursion, gale wind, and pest attacks have also become a serious concern.

→ tropical cyclone
→ flood
→ tsunami

annual flooding
→ flash flood
- cloud bursts

Based on the legacy data, vulnerable location have been identified. However, it becomes essential to verify and assess the vulnerable locations taking into account the impact of various hazards in the district and chalk out short term and long term mitigation projects. Hence, the District Collectors may study the

vulnerable locations and prepare disaster mitigation projections, in order to avoid recurring requirement for rescue and relief during extreme weather events.

4) Funds drawn under Treasury Rule 27 for extending relief on account of natural calamities:-

As per the Treasury Rule 27, the following authorities may in circumstances of urgency, by an order in writing, authorise and require a Treasury Officer to make a payment for extension of relief on account of natural calamities such as fire, flood and cyclone upto the monetary limit as follows:-

Sl.No.	Authority	Monetary Limit in each case
1.	Tahsildar	Upto Rs.2.00 lakhs
2.	Revenue Divisional Officer / Sub-Collector	Upto Rs.3.00 lakhs
3.	Collector	Upto Rs.20 lakhs
4.	Commissioner of Revenue Administration	Upto Rs.50 lakhs

Accordingly, funds are being drawn by the District Collectors from the Treasury under Treasury Rule 27 for providing immediate relief viz., relief for human loss, loss of livestock, damaged huts/houses. However, necessary adjustment bills are not being presented and reconciliation is also not being done at the Treasury. Since, the expenditure for providing relief on account of natural calamities have to be booked under State Disaster Response Fund, the amount drawn under Treasury Rule 27 should be reconciled every month and the actual expenditure incurred on account of natural calamities should be communicated.

Yours faithfully,
Sd./- N. Subbaiyan,
Director
Disaster Management

Government of India
Ministry of Women & Child Development

D.O.No-11/3/2021-CW-II

Dated: 21st October, 2021

As you are aware, Honourable Prime Minister has announced 'PM CARES for Children' scheme, for supporting children who have lost both parents or surviving parent or legal guardian or adoptive parents due to COVID-19 pandemic. The scheme aims to ensure comprehensive care and protection of children who have lost their parents to COVID pandemic, in a sustained manner, enable their well being through health insurance, empower them through education and equip them for self-sufficient existence with financial support of Rs. 10 lakh, on reaching 23 years of age.

2. A web based portal pmcaresforchildren.in has been launched to facilitate submission of applications, identification of children eligible to receive support under the scheme and processing of applications for securing benefits to them. The portal is being regularly updated with necessary information and modules.

3. You may recall that the guidelines for PM CARES for Children Scheme have been shared vide letter dated 05.10.2021. In this context, it is stated that on 06.10.2021, Department of Economic Affairs, Ministry of Finance, has notified the PM CARES for Children Scheme 2021 (Annexure-I). Para no-3 of the said notification mentions, inter-alia 'an account to be opened in the name of a beneficiary with the concerned District Magistrate as joint account holder for an eligible beneficiary in the respective Post Offices who are under 18 years of age as per scheme guidelines'. States/UTs have already been intimated through an email dated 14.10.2021 for furnishing details of such accounts of DMs.

4. It is therefore requested that all the District Magistrates may be directed to open the joint account for the beneficiaries approved by them. The account may be opened in the Headquarter/Main Branch of the Post Office in their respective districts. The details of joint account may be uploaded on PM CARES for Children portal. This would enable us to transfer the corpus fund in the account at the earliest.

Looking forward to your valuable support in this regard.

Yours sincerely,

Letter No.2455/SCPS/2021
Sir,

Date: 02/11/2021

Sub : SCPS - DSD - Opening Bank Account at Post Office for Children who have been enrolled and approved in PM CARES for Children Scheme 2021 -To all District Collectors - Regarding

- Ref :
1. Letter from Government, Social Welfare and Women Empowerment (SW.5) Departement, Secretariat, Chennai -9, dated : 28.10.2021
 2. Letter received from Secretary, Ministry of Women and Child Development, New Delhi, D.O.No.11/3/2021-CW-II, dated 21.10.2021

I would like to forward the excerpt of the letter cited above which is regarding the opening of Bank Account for the Children who have lost both the parents due to COVID-19, enrolled and approved in PM CARES portal under PM CARES for Children Scheme 2021.

I. Opening and Operation of account:

1. An account may be opened in the name of a beneficiary with the concerned District Magistrate as joint account holder for an eligible beneficiary who has not attained the age of 18 years on the date of event and has also not turned 18 years on the date of opening of account. Age-based upfront lump sum contribution, calculated as per sub-paragraph (Pg.9 of Enclosure), shall be deposited in the account so that the upfront contribution shall become Rs. 10 lakh when the account holder attains the age of 18 years.
2. The above mentioned Account shall operate as a joint account with the account holder (below eighteen years as on date of opening of account) and the concerned District Magistrate.
3. A single account may be opened for a beneficiary who has turned 18 years or more on the date of opening of the account. For account holder of eighteen years of age or above, the account shall be operated by the account holder as single account after submitting KYC documents
4. Upon account holder attaining the age of 18 years, the said account with corpus of Rs.10 lakh, shall become a single account of the account holder, and bear the rate of interest applicable on the National Savings (Monthly

Income Account) Scheme, 2019, as notified by the Central Government from time to time, for the duration from the account holder attaining the age of 18 years to 23 years.

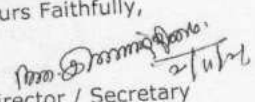

5. For a beneficiary otherwise eligible but has attained the age of 18 years or more as on date of opening of account the upfront lumpsum contribution of Rs. 10 lakhs shall be deposited into a single account in the name of the eligible beneficiary and the corpus of Rs. 10 lakhs shall bear the same prevailing rate of interest

II. Process at Post Office level

1. After identification of beneficiary, the District Magistrate will submit two Form-1 (Account Opening Form duly verified) and KYC document of beneficiary at the designated post office at the district HQ for opening of account Basic Savings Account and "PM CARES for Children Scheme Account" under PM CARES for Children Scheme, 2021.
2. After verification of Account Opening Forms and KYC documents concerned post office shall create two CIF IDs, one each for beneficiary and District Magistrate for opening of account.
3. New CIF for the District Magistrate is to be created through CCRC menu in Finacle, with name as "District Magistrate" by the concerned post office.
4. After opening of Account, the concerned post office will print the passbook of Basic Savings Account and handover to the District Magistrate on same day
5. The District Magistrate will update the details of Basic Savings Account of the beneficiary on the PM CARES for Children Portal developed by the Ministry of Women and Child Development.

In this regard the Government of India has instructed to circulate the same to all the District Magistrates vide reference 1st and 2nd cited. I, hereby request to ensure that immediate action shall be taken for opening of Bank Account and complete this process within 10 days and necessary follow up has to be done for the rehabilitation of COVID-19 orphaned children and submit the report to this office.

Yours Faithfully,

For Director / Secretary

Read:

1. From the Government of India, Ministry of Home Affairs, New Delhi Letter No.32-7/2014-NDM-1, dated 08.04.2015.
2. G.O.(Ms) No.380, Revenue [DM.3(2)] Department, dated 27.10.2015.
3. Orders of the Hon'ble Supreme Court of India in W.P.(C) No.554/2021 and 539/2021, dated 30.06.2021.
4. From the Under Secretary to Government of India, Ministry of Home Affairs (Disaster Management Division), Letter No.16/11/2021-RR, dated 11.09.2021.
5. From the Under Secretary to Government of India, Ministry of Home Affairs (Disaster Management Division), Letter No.33-04/2020-NDM-I, dated 25.09.2021.
6. From the Additional Chief Secretary / Commissioner of Revenue Administration letter No.OC-I/563/2020, dated 05.10.2021.

ORDER:

In the letter first read above, the Ministry of Home Affairs, Government of India have revised the items and norms for assistance from State Disaster Response Fund (SDRF)/National Disaster Response Fund (NDRF).

2. In the Government Order second read above, the Government have issued orders to adopt revised list of items and norms of assistance from State Disaster Response Fund (SDRF) and National Disaster Response Fund (NDRF).

3. In the order third read above, the Hon'ble Supreme Court through its order dated June 30, 2021 in W.P. (Civil) No.539 and WP (Civil) 554 of 2021 has directed the National Disaster Management Authority (NDMA) to recommend guidelines for ex-gratia assistance on account of loss of life to the family members of the persons who died due to COVID-19, as mandated under Section 12(i) of Disaster Management Act (DMA), 2005 for the minimum standards of relief to be provided to the persons affected by disaster.

4. In the letter fourth read above, the Government of India, Ministry of Home Affairs (DM Division) have issued Guidelines for ex-gratia to next of the kin of deceased by COVID-19 under the section 12 (iii) of the Disaster Management Act, 2005, and the guidelines for official document for COVID-19 death also issued by Ministry of Health and Family Welfare.

5. In the letter fifth read above, the Ministry of Home Affairs, Government of India in pursuance to the direction of the Hon'ble Supreme Court and the guidelines issued by NDMA, decided to revise the item 1 of MHA letter No.32/7/2014-NDM-1, dated 08.04.2015 in respect of the 'Gratuitous Relief' by adding a new entry as 1(f) after 1(e) in the 'revised list of items and norms of assistance' under State Disaster Response Fund (SDRF).

6. In the letter sixth read above, the Additional Chief Secretary/Commissioner of Revenue Administration has stated that, in pursuance of the Hon'ble Supreme Court Judgement dated 30.06.2021, in Writ Petition (Civil) No.554/2021 and W.P.(C) No.539/2021, National Disaster Management Authority (NDMA) under Section 12 (iii) of the Disaster Management Act, 2005, has issued guidelines for ex-gratia assistance to next of kin of the deceased by COVID-19 on 11.09.2021. It has been further stated that, in pursuance to the direction of the Hon'ble Supreme Court and the aforesaid guidelines issued by National Disaster Management Authority (NDMA), the Government of India has decided to revise the item 1 of Ministry of Home Affairs (MHA) letter No. 32/7/2014-NDM-I, dated 08.04.2015 in respect of the heading "Gratuitous Relief" by adding a new entry as 1 (f) after 1 (e) in the 'revised list of items and norms of assistance' under State Disaster Response (SDRF), as stated below:-

Sl. No.	Items	Norm
1.	Ex-Gratia payment to next of kin of the deceased due to COVID-19.	Rs.50,000/- (Rupees Fifty thousand only) per deceased person including those involved in relief operations or associated in preparedness activities, subject to the cause of death being certified as COVID-19 as per guidelines jointly issued by Ministry of Health and Family Welfare and Indian Council of Medical Research on 3 rd September 2021. <ul style="list-style-type: none">- Expenditure on this item will be incurred from SDRF only, in strict compliance with the aforesaid NDMA guidelines dated 11th September, 2021.- This ex-gratia assistance will be applicable from the date of first COVID-19 case reported in the country and will continue till de-notification of COVID-19 as a disaster or till further orders, whichever is earlier.

7. The Additional Chief Secretary / Commissioner of Revenue Administration has requested the Government to issue amendment to the G.O.(Ms) No.380, Revenue and Disaster Management Department, dated: 27.10.2015 by incorporating the above details as 1 (f) after 1 (e) under the item 1 "Gratuitous Relief" and also requested the Government to empower the District Collectors to invoke the clause TR 27 for drawal of funds in order to provide immediate relief to the victims of COVID-19.

8. The Government after careful examination of the proposal of the Additional Chief Secretary / Commissioner of Revenue Administration, issue the following amendment to G.O.(Ms)No.380, Revenue [DM.III(2)] Department, dated 27.10.2015.

AMENDMENT

Under the heading "Gratuitous Relief" the following new entry as 1 (f) after 1(e) in the 'revised list of items and norms of assistance from State Disaster Response Fund (SDRF) and National Disaster Response Fund (NDRF) shall be added":-

Sl. No.	Items	Norms of Assistance
1	Gratuitous Relief (f) Ex-Gratia payment to next of kin of the deceased due to COVID -19	Rs.50,000/- (Rupees Fifty thousand only) per deceased person including those involved in relief operations or associated in preparedness activities**, subject to the cause of death being certified as COVID-19 as per guidelines jointly issued by Ministry of Health and Family Welfare and Indian Council of Medical Research on 3 rd September 2021. - Expenditure on this item will be incurred from SDRF only, in strict compliance with the aforesaid NDMA guidelines dated: 11 th September 2021. - This ex-gratia assistance will be applicable from the date of first COVID-19 case reported in the Country and will continue till de-notification of COVID-19 as a disaster or till further orders, whichever is earlier.

**** Excluding those who have been given ex-gratia for COVID death under CMPRF ie., front line workers (Rs.25 lakh), children who have lost both parent (Rs.5 lakh) and children who have lost one parent (Rs.3 lakh).**

9. The District Collectors should utilise the provisions available under TR 27 to provide immediate relief to the victims of COVID-19.

(By order of the Governor)

Dated 16.12.2021

பிலவ-மார்கழி 1

திருவள்ளூர்வராண்டு, 2052

Read:

1. From the Government of India, Ministry of Home Affairs, New Delhi Letter No.32-7/2014-NDM-1, dated 08.04.2015.
2. G.O.(Ms) No.380, Revenue [DM.3(2)] Department, dated 27.10.2015.
3. Orders of the Hon'ble Supreme Court of India in W.P.(C) No.554/2021 and 539/2021, dated 30.06.2021.
4. Orders of the Hon'ble Supreme Court of India in W.P.(C) No.554/2021 and 539/2021, dated 04.10.2021.
5. From the Under Secretary to Government of India, Ministry of Home Affairs (Disaster Management Division), Letter No.16/11/2021-RR, dated 11.09.2021.
6. From the Under Secretary to Government of India, Ministry of Home Affairs (Disaster Management Division), Letter No.33-04/2020-NDM-I, dated 25.09.2021.
7. From the Additional Chief Secretary / Commissioner of Revenue Administration letter No.OC-I/563/2020, dated 05.10.2021.
8. G.O. (Ms) No.831, Revenue and Disaster Management [DM.3(2)] Department, dated 03.12.2021.

ORDER:

In the order third read above, the Hon'ble Supreme Court through its order dated June 30, 2021 in W.P. (Civil) No.539 and W.P. (Civil) 554 of 2021 has directed the National Disaster Management Authority (NDMA) to recommend guidelines for ex-gratia assistance on account of loss of life to the family members of the persons who died due to COVID-19, as mandated under Section 12(i) of Disaster Management Act (DMA), 2005 for the minimum standards of relief to be provided to the persons affected by disaster.

2. In pursuance of the above order, in the Government order eighth read above, the following amendment orders were issued to G.O.(Ms) No.380, Revenue [DM.3(2)] Department, dated 27.10.2015 for payment of ex-gratia amount of Rs.50,000/- to the next of kin of Covid-19:-

AMENDMENT

Under the heading "Gratuitous Relief" the following new entry as 1 (f) after 1(e) in the revised list of items and norms of assistance from State Disaster Response Fund (SDRF) and National Disaster Response Fund (NDRF) shall be added":-

Sl. No.	Items	Norms of Assistance
1	Gratuitous Relief (f) Ex-Gratia payment to next of kin of the deceased due to COVID-19	Rs.50,000/- (Rupees Fifty thousand only) per deceased person including those involved in relief operations or associated in preparedness activities**, subject to the cause of death being certified as COVID-19 as per guidelines jointly issued by Ministry of Health and Family Welfare and Indian Council of Medical Research on 3 rd September 2021. - Expenditure on this item will be incurred from SDRF only, in strict compliance with the aforesaid NDMA guidelines dated: 11 th September 2021. - This ex-gratia assistance will be applicable from the date of first COVID-19 case reported in the Country and will continue till de-notification of COVID-19 as a disaster or till further orders, whichever is earlier.

**** Excluding those who have been given ex-gratia for COVID death under CMPRF i.e., front line workers (Rs.25 lakh), children who have lost both parent (Rs.5 lakh) and children who have lost one parent (Rs.3 lakh).**

3. In the reference fourth read above, the Hon'ble Supreme Court in W.P.(C) No.539 of 2021 filed by Gaurav Kumar Bansal among other things has directed as follows:-

"...the next of the kin of the deceased died due to Covid-19 shall be paid ex-gratia assistance of an amount of Rs.50,000/-, which shall be treated as ex-gratia payment under Section 12 (iii) of the DMA, 2005 and which shall be minimum and which shall be over and above the compensation/amount to be paid by the Union of India/State Governments/ Union Territories to be declared/provided under different benevolent schemes".

4. The Government after careful examination has decided to pay ex-gratia of Rs.50,000/- from State Disaster Response Fund (SDRF) to the excluded category of people also (who were paid Rs.25 lakh/Rs.5 lakh/Rs.3 lakh earlier) and hereby issue the following amended order:-

AMENDMENT

Under the heading "Gratuitous Relief" the following new entry as 1 (f) after 1(e) in the 'revised list of items and norms of assistance from State Disaster Response Fund (SDRF) and National Disaster Response Fund (NDRF) shall be added":-

Sl. No.	Items	Norms of Assistance
1	Gratuitous Relief (f) Ex-Gratia payment to next of kin of the deceased due to COVID -19	Rs.50,000/- (Rupees Fifty thousand only) per deceased person including those involved in relief operations or associated in preparedness activities, subject to the cause of death being certified as COVID-19 as per guidelines jointly issued by Ministry of Health and Family Welfare and Indian Council of Medical Research on 3 rd September 2021. - Expenditure on this item will be incurred from SDRF only, in strict compliance with the aforesaid NDMA guidelines dated: 11 th September 2021. - This ex-gratia assistance will be applicable from the date of first COVID-19 case reported in the Country and will continue till de-notification of COVID-19 as a disaster or till further orders, whichever is earlier.

ABSTRACT

Disaster Management – Natural Calamities – Norms of Assistance under State Disaster Response Fund (SDRF) - Amendment to norms of Assistance for providing Gratuitous relief for families whose livelihood is seriously affected – Amendment orders - Issued.

Revenue and Disaster Management Department, Disaster Management Wing, D.M.III(2) section

G.O.(Ms) No.243

Dated 30.05.2022

சுபகிருது வருடம், வைகாசி 16

திருவள்ளூர் ஆண்டு 2053

Read:

1. From the Government of India, Ministry of Home Affairs, New Delhi Letter No.32-7/2014-NDM-1, dated 08.04.2015.
2. G.O.(Ms) No.380, Revenue [DM.3(2)] Department, dated 27.10.2015.
3. From the Deputy Secretary to Government of India, Ministry of Home Affairs (Disaster Management Division), Letter No.04-01/2018-NDM-I, dated 01.12.2020.
4. From the Additional Chief Secretary / Commissioner of Revenue Administration letter No.NC-1(2)/4675/2021, dated 26.11.2021.

ORDER:

In the letter fourth read above, the Additional Chief Secretary/ Commissioner of Revenue Administration has informed that the norms of assistance for providing relief under State Disaster Response Fund (SDRF) was communicated by Ministry of Home Affairs, Government of India in the year 2015. In continuation to this, the norms of assistance for sanction of relief under State Disaster Relief Fund has been issued by the Government of Tamil Nadu vide G.O.(Ms)No.380, Revenue [DM.3(2)] Department, dated 27.10.2015.

2. The Additional Chief Secretary / Commissioner of Revenue Administration has further stated that, the Government of India, Ministry of Home Affairs (Disaster Management Division) have informed that, it has been decided to revise the norms

/P.T.O./

in respect of Gratuitous Relief for families whose livelihood is seriously affected who are not housed in relief camps as follows:-

S.No.	Items	Existing	Revised
1 (e)	Gratuitous Relief for families whose livelihood is seriously affected.	Rs.60/- per adult and Rs.45/- per child	Rs.100/- per adult and Rs.60/- per child

3. The Additional Chief Secretary / Commissioner of Revenue Administration has therefore requested the Government to issue amendment to the G.O. (Ms) No.380, Revenue [DM.3(2)] Department, dated 27.10.2015, by replacing the above details in 1(e) under the item 1 "Gratuitous Relief":-

S.No.	Items	Norms of Assistance
1 (e)	Gratuitous Relief for families whose livelihood is seriously affected.	Rs.100/- per adult and Rs.60/- per child not housed in relief camps. The Tahsildar shall verify and prepare a list of those affected and identify the beneficiaries. Period of providing gratuitous relief will be as per assessment of State Executive Committee and the Central Team (in case of NDRF). The default periods of assistance will be upto 30 days, which may be extended upto 60 days in the first instance, if required, and subsequently upto 90 days in case of drought pest attack. Depending on the ground situation, the State Executive Committee can extend the time period beyond the prescribed limit subject to the stipulation that expenditure on this account should not exceed 25% of SDRF allocation for the year.

4. The Government after careful examination, accept the proposal of the Additional Chief Secretary / Commissioner of Revenue Administration and issue the following amendment in the annexure-I to G.O.(Ms) No. 380, Revenue Department, dated: 27.10.2015.

AMENDMENT

The following entry in the annexure-I to G.O.(Ms) No. 380, Revenue and Disaster Management Department, dated: 27.10.2015 regarding "revised list of items and norms of assistance from State Disaster Response Fund (SDRF) and National Disaster Response Fund (NDRF)" under the heading "Gratuitous Relief" shall be added :-

S.No.	Items	Norms of Assistance	
		Existing	Revised
1 (e)	Gratuitous Relief for families whose livelihood is seriously affected.	Rs.60/- per adult and Rs.45/- per child, not housed in relief camps. The Tahsildar shall verify and prepare a list of those affected and identify the beneficiaries. Period of providing gratuitous relief will be as per assessment of State Executive Committee and the Central Team (in case of NDRF). The default periods of assistance will be upto 30 days, which may be extended upto 60 days in the first instance, if required, and subsequently upto 90 days in case of drought pest attack. Depending on the ground situation, the State Executive Committee can extend the time period beyond the prescribed limit subject to the stipulation that expenditure on this account should not exceed 25% of SDRF allocation for the year.	Rs.100/- per adult and Rs.60/- per child, not housed in relief camps. The Tahsildar shall verify and prepare a list of those affected and identify the beneficiaries. Period of providing gratuitous relief will be as per assessment of State Executive Committee and the Central Team (in case of NDRF). The default periods of assistance will be upto 30 days, which may be extended upto 60 days in the first instance, if required, and subsequently upto 90 days in case of drought pest attack. Depending on the ground situation, the State Executive Committee can extend the time period beyond the prescribed limit subject to the stipulation that expenditure on this account should not exceed 25% of SDRF allocation for the year.

Annexure to G.O.(Ms) No.335, Revenue and Disaster Management [D.M.3(2)] Department, dated 20.07.2022

STATE DISASTER MANAGEMENT AUTHORITY, TAMILNADU

GUIDELINES ON MINIMUM STANDARDS OF RELIEF

Introduction:-

Section 12 of the Disaster Management Act, 2005 (Central Act 53 of 2005) mandates the National Disaster Management Authority (NDMA) to recommend Guidelines for minimum standards of relief to be provided to persons affected by disaster which shall include:

- (a) The minimum requirements to be provided in the relief camps in relation to shelter, food, drinking water, medical cover, sanitation
- (b) Special provisions to be made for Widows and Orphans.
- (c) Ex-gratia assistance on account of loss of life as also assistance on account of damage to houses and for restoration of means of livelihood
- (d) Such other relief as may be necessary.

Accordingly, the National Disaster Management Authority has released the guidelines for Minimum Standards of relief on 25.02.2016. As per section 19 of the said Act, the State Disaster Management Authority shall lay down detailed guidelines for providing standards of relief to persons affected by disaster in the State and such standards shall in no case be less than the minimum standards in the guidelines laid down by National Authority. Hence, the State Disaster Management Authority, Tamil Nadu has worked out the basic minimum standards of relief to be provided to the persons affected by disaster as follows:-

1. Relief and Rehabilitation Camp:-

Relief shelters and Rehabilitation camps shall be set up in order to accommodate people affected by a disaster. The camp shall be temporary in nature, with basic necessities. People in the camp shall be encouraged to return to their respective accommodation once the normalcy is returned.

The District Administration sometimes may not be able to implement all the basic guidelines recommended by State Disaster Management Authority from the day one of the disaster and therefore, the following method shall be followed:

- (a) First three days - Basic norms to the possible extent may be followed.

- (b) From 4th to 10th day - Efforts should be made to follow most of the norms recommended by the State Disaster Management Authority in this Guidelines.
- (c) From 11th day and above - State Disaster Management Authority's prescribed norms shall be followed.

The factors like terrain, climatic conditions at the site of disaster etc., will also impact the requirement and ability of the administration and other stakeholders to deliver relief. These constraints shall also be kept in view while prescribing minimum standards of relief.

2. Minimum Standards in respect of Shelter in relief camps.-

- Pre identify - Centers*
- (a) District Administration shall take necessary steps to pre-identify locations/buildings like local schools, anganwadi centers/cyclone shelters/community centers/marriage halls etc which can be used as Relief shelters where people can be accommodated in case of disaster in the area. In such centers, necessary facilities like sufficient number of toilets, water supply, generators with fuel for power back up during disasters shall be ensured.
 - (b) After a disaster, large covered space shall be required to accommodate the affected people. In order to avoid last minute arrangement and high cost, District Administration can explore the option of advance Memorandum of Understandings with manufacturers/suppliers for supply of factory made fast track pre-fabricated shelters/tents toilets/mobile toilets and urinate etc. which can be dismantled and taken back by the supplier after the closure of the camp. This arrangement shall avoid delay in setting up of camp and exorbitant billing of essential supplies.
 - (c) In the relief centers, 3.5 Sq.m. of covered area per person with basic lighting facilities shall be catered to accommodate the victims. In mountainous areas, minimum covered area shall be relaxed due to lack of available flat land/built up area. Special care shall be taken for safety and privacy of inmates, especially for women, widows and children and special arrangements should be made for differently-abled persons, old and persons who need immediate medical assistance.
 - (d) Sufficient number of sites based on population density shall be identified as relief centers and earmarked well in advance at the time of planning and development of a metro/city/town.
- MOU.*

3. Minimum Standards in respect of Food in relief camps.-

- (a) Milk and other dairy products shall be provided for the children and lactating mothers. Every effort shall be taken in the given circumstances to ensure sufficient quantity of food is made available to the affected people (especially for aged people and children) staying in the relief shelters/camps.

- (b) Sufficient steps shall be taken to ensure hygiene at community/camp kitchens. Date of manufacturing and date of expiry of the packaged food items shall be ensured before distribution of the same.
- (c) It shall be ensured that men and women are supplied food with minimum calorie of 2,400 Kcal per day. In respect of children/infants, the food to be supplied would be 1,700 Kcal per day.

4. Minimum Standards in respect of Water in relief camps.-

- (a) Sufficient quantity of water shall be provided in the relief camps for personal cleanliness and hand wash,
- (b) It may be ensured that the minimum supply of 3 liters per person, per day of drinking water is made available in the relief camps. Further, the District authorities shall adjust the minimum quantity of water etc as per the geographic, demographic and social practices of the region. If other means for providing safe drinking water is not possible at least double chlorination of water needs to be ensured.
- (c) In order to ensure adequate water supply, the location of the source of water supply shall preferably be within the premises of relief shelter / camp. However, the maximum distance from the relief camp to the nearest water point shall not be more than 500 mtrs, if tapped water supply is available.

5. Minimum Standards in respect of Sanitation in relief camps.-

- (a) Number of toilets: One toilet for 30 persons may be arranged/built. Separate toilet and bath area be catered for women and children. At least 15 litres of water per person needs to be arranged for toilets/bathing purposes. Hand wash facility in toilets should be ensured. Steps may be taken for control of spread of diseases. Dignity kits for women shall be provided with sanitary napkins and disposable paper bags with proper labeling.
- (b) Toilets shall not be more than 50 m away from the relief camps. Pit Latrines and Soak ways shall be at least 30 m from any ground water source and the bottom of any latrine has to be at least 1.5 m above the water level.
- (c) Drainage or spillage from defecation system shall not run towards any surface water source or shallow ground water source.

6. Minimum Standards in respect of medical cover in relief camps.-

- (a) Mobile medical teams shall visit relief camps to attend the affected people. Steps shall be taken to avoid spread of communicable diseases.
- (b) If the relief camps are extended over a long time, then necessary arrangement may be made for psychosocial treatment.

- (c) Helpline should be set up and contact number and details of which shall be displayed at the relief/shelters and adequately publicized to inform the people.
- (d) For pregnant women, necessary basic arrangements shall be made by the local administration for safe delivery.
- (e) Advance tie-up/arrangement shall be made with the Government/private hospitals so that necessary doctors/paramedical staff are available at short notice for relief camps to attend to the affected people. In respect of people who are affected and being referred to hospitals for treatment/operation etc., suitable transportation shall be arranged to reach to referred hospital.
- (f) In order to manage mass casualty in a disaster, advance contingency plans for management of multiple casualties shall be developed.

7. Minimum Standards of Relief for Widows and Orphans.-

- (a) In each camp, a separate register shall be maintained for entering the details of women who are widowed and for children who are orphaned due to the disaster. Their complete details shall be entered in the register, duly counter signed by the concerned officials and this register shall be kept as a permanent record with the District administration.
- (b) Special care shall be given to widows and orphans who are separated from their families.
- (c) As the widow/family shall be economically weak, the District administration shall provide a reasonable amount for the funeral rites of her husband after confirming that the death has caused due to Natural Calamity. Further, this payment shall be deducted from the subsequent financial compensation/relief that shall be paid by the Government.
- (d) Necessary financial compensation and other Government assistance need to be arranged within 45 days of the disaster to the Widow and to the Orphaned children. In respect of orphaned children, similar certificate shall be issued and the children need to be taken care of properly and the funds that may be given to the children by the Government shall be duly deposited in a Public Sector Undertaking Bank in a Joint Account where the District Collector shall be the first account holder of the Bank account. Interest from the fund can be given to the child/guardian every month for his/her proper upkeep. Education for the child shall be ensured by the District / local administration.
- (e) As far as ex-gratia assistance on account of loss of life and also assistance on account of damage to houses and for restoration of means of livelihood, the following norms from State Disaster Response Fund assistance shall be followed :-

Norms of Relief Assistance as provided by Government of India and Government of Tamil Nadu State Disaster Response Fund NORMS

ORDER:

In the Government order first read above, the Government have issued orders adopting the revised norms of Government of India which envisage granting of enhanced relief to the victims of natural calamities under State Disaster Response Fund (SDRF) and the National Disaster Response Fund (NDRF) in the form of financial assistance for loss of lives, loss of limb or eyes, grievous injuries, loss of crops, loss of cattle, damages to the houses etc., to mitigate the suffering and loss caused.

2. Based on the norms of assistance under State Disaster Response Fund (SDRF) and the National Disaster Response Fund (NDRF) communicated by the Government of India, Ministry of Home Affairs, the Government of Tamil Nadu have issued several Government orders

adopting the norms of financial assistance of Government of India from State Disaster Response Fund (SDRF) on various occasions.

3. In the letter fourth read above, the Government of India have revised norms of financial assistance from the State Disaster Response Fund (SDRF) and the National Disaster Response Fund (NDRF) and stated that the revised list of items and norms for assistance from SDRF and NDRF will be effective from the financial year 2023-2024.

4. In the letter fifth read above, the Additional Chief Secretary/Commissioner of Revenue Administration & State Relief Commissioner has sent the approved list of items and norms of Assistance from State Disaster Response Fund (SDRF) and the National Disaster Response Fund (NDRF) based on the report of Ministry of Home Affairs, Government of India and sought the approval of the Government for adopting the revised norms of Government of India for sanction of relief from the State Disaster Response Fund (SDRF) / National Disaster Response Fund (NDRF).

5. The Government after careful consideration, accept the recommendations of the Additional Chief Secretary/Commissioner of Revenue Administration & State Relief Commissioner and direct that the revised norms of Government of India or the existing State Government norms whichever are more beneficial be adopted. Accordingly, the revised consolidated scale of relief assistance under SDRF and NDRF effective from the Financial year 2023-2024 is annexed to this order.

ANNEXURE-I**Enclosure to G.O.(Ms) No.579, Revenue & D.M. [D.M.-III(2)] Department, Dated 09.12.2023****Revised List of Items and Norms of Assistance from State Disaster Response Fund (SDRF) and National Disaster Response Fund(NDRF)
(From the financial year 2023-2024)**

S. No.	Items	Norms of Assistance
1.	Gratuitous Relief	
	a) Ex-Gratia payment to families of deceased persons.	Rs.4.00 lakh per deceased person, including those involved in relief operations or associated in preparedness activities, Subject to certification regarding cause of death from appropriate authority.
	b) Ex-Gratia payment for loss of a limb or eye(s).	Rs.74,000/- per person, when the disability is between 40% and 60%. Rs.2.50 lakh per person, when the disability is more than 60%. Subject to certification by a doctor from a hospital or dispensary of Government, regarding the extent and cause of disability.
	c) Grievous injury requiring hospitalization	Rs.16,000/- per person requiring hospitalization for more than a week. Rs.5,400/- per person requiring hospitalization for less than a week. Note: Injured persons getting treatment under the 'Ayushman Bharat' Yojna, will not be eligible for relief under this item.
	d) Clothing and utensils/ household goods for families, whose houses have been washed away / fully damaged/ severely inundated for more than two days due to a natural calamity.	Rs.2,500/- per family, for the loss of clothing. Rs.2,500/- per family, for loss of utensils/ household goods.
	e) Gratuitous relief for families whose livelihood is seriously affected.	Gratuitous Relief (GR) for families, whose livelihood is seriously affected will be provided to two adults members of the affected family as per actual rate of MNREGA per day or average rate of all States / UTs per day, whichever is lower. For this purpose, notification issued by Ministry of Rural Development from time to time, is to be referred for calculating average rate. The relief amount should be disbursed through DBT / cash (In case of exigency of the situation only) or the State Government may provide this relief in kind. State Govt. will certify that identified beneficiaries are not housed in relief camps, during the period GR is provided. Further the State Govt will provide the basis and process for arriving at such beneficiaries district-wise. Period for providing gratuitous relief will be as per

		assessment of the State Executive Committee (SEC) and the Central Team (in case of NDRF). The default period of assistance will be upto to 30 days, which may be extended upto 60 days in the first instance, if required, and subsequently upto 90 days in case of drought/ pest attack. Depending on the ground situation, the State Executive Committee can extend the time period beyond the prescribed limit. Provided that expenditure on this account in no case, should exceed 30% of SDRF allocation under this window (Response & Relief) for the year. However, in case of drought, in no case, should exceed 50% of SDRF allocation under this window (Response & Relief) for the year. Further, to ensure transparency, the list of persons to whom Gratuitous Relief is provided, should be uploaded on the website of the State Government. The State Government shall notify the basis and proof for the identification of beneficiaries in a transparent manner.
2. Search & Rescue Operations		
	a) Cost of search and rescue measures/ evacuation of people affected/ likely to be affected	As per the actual cost incurred, assessed by SEC and recommended by the Central Team (in case of NDRF). By the time the Central Team visits the affected area, these activities may be already over. Therefore, the SEC and the Central Team can recommend actual / near-actual costs.
	b) Hiring of boats/essential equipments for carrying immediate relief and saving lives.	As per actual cost incurred, assessed by SEC and recommended by the Central Team (in case of NDRF). The quantum of assistance will be limited to the actual expenditure incurred on hiring boats and other essential equipment required for rescuing stranded people and thereby saving human lives during a notified natural calamity.
3. Relief Measures		
	a) Provision for temporary accommodation, food, clothing, medical care, Gen-set etc. for people affected/ evacuated and sheltered in relief camps.	A package of 10 KG rice, one saree and one dhoti, one litre of kerosene and Rs.1,000/- to the families evacuated from their houses and moved to shelters. As per actual cost incurred, and assessed by SEC and recommendation by the Central Team (in case of NDRF), for a period upto 30 days. The SEC would need to specify the number of camps, their duration and the number of persons in camps. In case of continuation of a calamity like drought, or widespread devastation caused by earthquake or flood etc., this period may be extended to 60 days. Depending on the ground situation, the State Executive Committee can extend the time period beyond the prescribed limit. Provided that expenditure on this account, in no cases, should exceed 30% of SDRF allocation under this window (Response & Relief) for the year. Medical care to be provided from National Health Mission (NHM).
	b) Air dropping of essential supplies and rescue by Air Force	As per actual cost incurred, assessed by SEC and recommendation by the Central Team (in case of NDRF). The quantum of assistance will be limited to actual amount raised in the bills by the Ministry of Defence for airdropping of essential supplies and rescue operations only.

	c) Provision of emergency supply of drinking water.	As per actual cost, based on assessment of need by SEC and recommended by the Central Team (in case of NDRF. up to 30 days, which may be extended upto 90 days in case of drought. Depending on the ground situation, the State Executive Committee can extend the time period beyond the prescribed limit. Provided that expenditure on this account, in no case, should exceed 30% of SDRF allocation under this window (Response & Relief) for the year.
4.	Clearance of Affected Areas	
	a) Clearance of debris in public areas.	As per actual cost, for a period upto 30 days from the date of start of the work, based on assessment of need by SEC for the assistance to be provided under SDRF and as per the assessment of the Central team for assistance to be provided under NDRF.
	b) Draining off flood water in affected areas	As per actual cost within 30 days from the date of start of the work based on assessment of need by SEC for the assistance to be provided under SDRF and as per assessment of the Central team (in case of NDRF).
	c) Disposal of dead bodies/ Carcasses	As per actual cost, based on assessment of need by SEC and recommendation of the Central Team (in case of NDRF).
5.	Agriculture	
(i)	Assistance to Small and Marginal Farmers having Landholding Upto 2 Hectares	
A.	Assistance For Land and other Loss	
	a) De-silting of agricultural land (where thickness of sand/ silt deposit is more than 3", to be certified by the competent authority of the State Government.)	Rs.18,000/- per hectare for each item. Above is subject to a minimum assistance of not less than Rs.2,200/- per farmer. (subject to the condition that no other assistance/ subsidy has been availed of by/ is eligible to the beneficiary under any other Government Scheme)
	b) Removal of debris on agricultural land in hilly areas	
	c) De-silting/ Restoration/ Repair of fish farms	
	d) Loss of substantial portion of land caused by landslide, avalanche, change of course of rivers	Rs.47,000/- per hectare to only those small and marginal farmers whose ownership of the land is legitimate as per the revenue records. Above is subject to a minimum assistance of not less than Rs.5000/- per farmer.
B.	Input subsidy (where crop loss is 33% and above)	
	a) For agriculture crops, horticulture crops and annual plantation crops	Rs.8500/- per hectare for crops other than paddy in rainfed areas subject to a minimum assistance of not less than Rs.1,000/- per farmer and restricted to sown areas. Rs.17,000/- per ha. for crops in assured irrigated areas subject to a minimum assistance of not less than Rs.2,000/- per farmer and restricted to sown areas.

	b) Perennial crops/ Agro forestry (Plantation in own farmland)	Rs.22,500/- ha. for all types of perennial crops / Agro forestry (Plantation in own farmland), subject to a minimum assistance of not less than Rs.2,500/- per farmer and restricted to sown areas.
	c) Sericulture	Rs.7,410/- per ha. for Eri, Mulberry, Tussar Rs.7,500/- per ha. for Muga. Above is subject to a minimum assistance of not less than Rs.1,000/- per farmer and restricted to sown areas.
	d) Paddy	Rs.17,000/- per ha. subject to a minimum assistance of not less than Rs.2,000/- and restricted to sown areas.
(ii)	Input subsidy to farmers having more than 2 Ha. of landholding	Rs.8,500/- per ha. other than paddy in rainfed areas and restricted to sown areas. Rs.17,000/- per ha. for crops in assured irrigated areas and restricted to sown areas. Rs.17,000/- per ha. for Paddy crop and restricted to sown areas. Rs.22,500/- ha. for all types of perennial crops / Agro forestry (Plantation in own farmland) and restricted to sown areas. Assistance may be provided where crop loss is 33% and above, subject to a ceiling of 2 ha. per farmer.
6.	Animal Husbandry - Assistance to Small and Marginal Farmers and Landless Livestock Owners	
	i) Assistance for the loss of milch animals, draught animals or animals used for haulage.	Milch animals Rs.37,500/- Buffalo/cow/camel/yak/ Mithun etc. Rs.4,000/- Sheep/ Goat/ Pig Draught animals Rs.32,000/- Camel/ horse/ bullock, etc. Rs.20,000/- Calf/ Donkey/ Pony/ Mule/Heifers Poultry:- Poultry @ 100/- per bird. Note: Relief under these norms is not eligible if the assistance is available from any other Government Scheme, e.g. loss of birds due to Avian Influenza or any other diseases for which the Department of Animal Husbandry has a separate scheme for compensating the poultry owners.
	ii) Provision of fodder / feed concentrate including water supply and medicines in cattle camps.	Large animals- Rs.80/- per day. Small animals- Rs.45/- per day. Period for providing relief will be as per assessment of the State Executive Committee (SEC) and the Central Team (in

		<p>case of NDRF). The default period for assistance will be for the period of calamity upto 30 days, which may be extended upto 60 days in the first instance and in case of severe drought upto 90 days. Depending on the ground situation, the State Executive Committee can extend the time period beyond the prescribed limit. Provided that expenditure on this account, in no case, should exceed 30% of SDRF allocation under this window (Response & Relief) for the year.</p> <p>Based on assessment of need by SEC and recommendation of the Central Team, (in case of NDRF) consistent with estimates of cattle as per Livestock Census and subject to the certificate by the competent authority about the requirement of medicine and vaccine being calamity related.</p>
	(iii) Transport of fodder to cattle outside cattle camp	As per actual cost of transport during notified calamity based on assessment of need by State Executive Committee and recommendation of the Central team (in case of NDRF) consistent with estimates of cattle as per Livestock Census.
7.	Fishery	
	<p>i) Assistance to Fisherman for repair / replacement of non-mechanized boats and damaged/lost nets (This Assistance will not be provided if the beneficiary is eligible or has availed of any subsidy/assistance, for the instant calamity under any other Government Scheme).</p>	<p>i) Replacement of fully damaged/lost wooden catamaran – Rs.50,000/- per unit (inclusive of net) ii) Repair/rebuilding of partially damaged Catamaran Rs.15,000/- per unit iii) Replacement of fully damaged /lost wooden /FRP Vallam (35% to 50% assistance of the total cost subject to maximum subsidy of Rs. 1 lakh) calculated at a unit cost of Rs.2.00 lakh (inclusive of engine and net) iv) Partially damaged FRP Vallam Rs.30,000/- per unit v) Replacement of fully damaged /lost mechanised fishing boats (35% of the total cost, restricted to a maximum subsidy of Rs.7.5 lakh per boat) vi) Repairs of partially damaged mechanised fishing boats (60% of the assessed value of the damages restricted to a maximum subsidy of Rs.4 lakh per boat) vii) Rs.15,000/- for replacement of fully damaged net viii) Repair of OBM/IBE Engines – Rs.7500/- per engine.</p>
	ii) Input subsidy for fish seed farm to Small and Marginal Farmers	<p>Rs.10,000/- per hectare. (This assistance will not be provided if the beneficiary is eligible or has availed of any subsidy/ assistance, for the instant calamity, under any other Government Scheme, except the one time subsidy provided under the Scheme of Ministry of Fisheries, Animal Husbandry & Dairying.)</p>
8.	Handicrafts/Handloom Assistance to Artisans	
	i) For replacement of damaged main functional tools / equipments	Rs.5,000/- per artisan for equipment. subject to certification by the competent authority designated by the Government about damage and its replacement.

	ii) For loss of raw material / goods in process / finished goods	Rs.5,000/- per artisan for raw material. subject to certification by the competent authority designated by the State Government about damage and its replacement
9.	Locust Control	
	Hiring of vehicles, tractors, with spray equipments for spraying of plant protection chemicals for pest control, hiring of water tankers and purchase of plant protection chemicals for locust control.	As per the actual cost, based on the assessment of need by the SEC and recommended by the Central Team (in case of NDRF). The quantum of assistance will be limited to the actual expenditure incurred on hiring vehicles, tractors with spray equipments for spraying of plant protection chemicals for locust control during locust attack. However, expenditure on this account, in no cases, should exceed 30% of SDRF allocation under this window- (Response & Relief) for the year.
10.	Housing	
	a) Fully damaged/destroyed houses and severely damaged houses	
	i) Pucca house	Rs. 1,20,000/- per house, in plain areas.
	ii) Kutcha House	Rs. 1,30,000/- per house, in hilly areas.
	b) Partially Damaged Houses (Other than huts) where the damage is at least 15%	
	i) Pucca house	Rs.6500/- per house
	ii) Kutcha House	Rs.4000/- per house
	c) Damaged / destroyed huts	Rs. 8,000/- per hut 10.Kg rice for each case of damaged huts (Hut means temporary, make shift unit, inferior to Kutcha house, made of thatch, mud, plastic sheets etc. traditionally recognized as hut by the State/ District authorities.)
	d) Cattle shed attached with house	Rs.3,000/- per shed.
11.	Infrastructure [Repair/restoration(of immediate nature) of damaged infrastructure]	
	(1) Roads & bridges, which may include the following activities: i) Filling up of breaches and potholes, use of pipe for creating waterways, repair and stone pitching of embankments. ii) Repair of breached culverts. iii) Providing diversions to damaged / washed out portions	Assessment of requirements: Based on assessment of need, as per States' notified schedule of rates for repairs by SEC and recommendation of the Central Team (in case of NDRF). In case of repair of roads, assistance will be given based on the notified Ordinary Repair (OR) and Periodical Renewal (PR) of the State. In case OR & PR is not available, then assistance will be provided as per rate prescribed in this item. However, in any case, the assistance will be provided at the rate whichever is lower. Prescribed rate are as under:- Repairs of State Highways, Major District Roads (MDR)

<p>of bridges to restore immediate connectivity.</p> <p>iv) Temporary repair of approaches to bridges / embankments of bridges, repair of damaged railing bridges, repair of causeways to restore immediate connectivity, granular sub base, over damaged stretch of roads to restore traffic.</p>	<p>In normal areas -- @ Rs.1.0 lakh / km; In hilly areas -- @ Rs.1.25 lakh / km; Repairs of Rural / village Roads with culverts In normal areas -- @ Rs.60,000/- km; In hilly areas -- @ Rs.75,000/-km; Repairs of RCC Culverts/ Bridges In normal areas -- @ Rs.60,000/- per culvert; In hilly areas -- @ Rs.75,000/- culvert;</p>
<p>(2) Drinking Water Supply Schemes, which may include the following activities:-</p> <p>i) Repair of damaged platforms of hand pumps / ring wells / spring-tapped chambers / public stand posts, cisterns.</p> <p>ii) Restoration of damaged stand posts including replacement of damaged pipe lengths with new pipe lengths, cleaning of clear water reservoir (to make it leak proof)</p> <p>iii) Repair of damaged pumping machines, leaking overhead reservoirs and water pumps including damaged intake-out take structure, approach gantries / jetties.</p>	<p>Damaged drinking water supply schemes will be eligible for assistance as per actual, subject to a ceiling of Rs.2.00 lakh per damaged scheme.</p> <p>Cleaning of Community drinking water wells as per actual, subject to a ceiling of Rs.10,000/- per Well.</p>
<p>(3) Minor Irrigation Schemes, which may include the following activities:</p> <p>i) Immediate repair of damaged canal structures and earthen / masonry works of tanks and small reservoirs with the use of cement, sand bags and stones.</p> <p>ii) Repairs of weak areas such as piping or rat holes in dam walls / embankments.</p> <p>iii) Removal of vegetative material / building material / debris from canal and drainage system.</p> <p>iv) Repair or embankments of minor irrigation projects.</p>	<p>In case of repairs of minor irrigation works, assistance will be given as per the schedule of rates (SOR) for repairs notified by the concerned State.</p> <p>In case SOR is not available, assistance for irrigation scheme / canal will be provided as per actuals, subject to the ceiling of Rs.2.00 lakh per damaged minor scheme.</p> <p>Note: However, in any case, the assistance will be provided at the rate whichever is lower.</p> <p>Assistance for restoration of damaged embankment of minor irrigation projects will be at par with the case of similar rural roads, subject to the stipulation that no duplication would be done with any ongoing schemes.</p>

	(4)Power (only limited to immediate restoration of electricity supply in the affected areas): Damaged Poles / conductors and transformers upto 11 KV.	Regarding repair of damaged power sector, assistance will be given for the damaged conductors, poles and transformers upto the level of 11 KV and LT lines with bare conductor, as per details hereunder: The rate of assistance will be: Rs.5000 / pole; Rs.0.50 lakh per km for repairing of damaged LT lines; Rs.1.00 lakh for replacement of one damaged distribution transformer. (Note: The above assistance will not be applicable for those items which can be reused)
	(5)Schools Repairs of damaged schools building	As per actual, subject to a ceiling of Rs.2.00 lakh per school.
	6)Primary / Community Health Centres Repair of Primary / Community Health Centres	As per actual, subject to a ceiling of Rs.2.00 lakh per unit.
	(7)Community Assets Owned by Panchayat Temporary repair of Mahila Mandal, Yuva Kendra, Panchayat Ghar, Community Hall, Anganwadi, etc.,	As per actual subject to a ceiling of Rs.2.50 lakh per unit.
12.	Procurement of essential search, rescue and evacuation equipments including communication equipments, etc. for response to disaster.	Expenditure from the preparedness and capacity building window will be governed by the Guidelines issued separately by the Ministry of Home Affairs for the Preparedness & Capacity Building window of SDRF / NDRF. (Guidelines for Preparedness and Capacity Building enclosed as Annexure III)
13.	Capacity building.	
D.	State Specific Disasters	
	State specific disasters within the local context in the State, which are not included in the notified list of disasters eligible for assistance from SDRF/ NDRF, can be met from SDRF within the limit of 10% of the annual funds allocation of respective window of the SDRF.	Expenditure is to be incurred from SDRF only (and not from NDRF), as assessed by the State Executive Committee (SEC). The norm for various items will be the same as applicable to other notified natural disasters, as listed above. or In these cases, the scale of relief assistance against each item for 'local disaster' shall not exceed the norms of SDRF. The flexibility is to be applicable only after the State has formally listed the disasters for inclusion and has notified transparent norms and guidelines, with a clear procedure for identification of the beneficiaries for disaster relief for such local disasters with the approval of SEC (provision of relief assistance to local disasters to be sanctioned as per norms and guidelines notified by GoTN).

		<p>(Sea Erosion, Lightning, thunder, whirl wind, gale wind & Pest Attack in severe nature have been notified as State Specific disasters vide G.O.Ms.No.246, R&DM Dept, dated 03.08.2017 & G.O.Ms.No.212, R&DM Dept, dated 03.07.2019 and the norms of assistance have also been issued.</p> <p>As per the revised norms of assistance of Government of India 2023, the norms for various items will be the same for specific disasters as applicable to other notified natural disasters and the scale of relief assistance against each item for 'local disaster' shall not exceed the norms of SDRF. Hence, the norms of assistance for natural disasters may be adopted for specific disasters also as notified by GoI.)</p>

ANNEXURE -II**Items Not Covered Under SDRF/NDRF**

- a) Colleges and other educational institutions buildings
- b) Major / medium Irrigation Schemes
- c) Flood control and anti Erosion Protection work
- d) Hydro Power Project / HT Distribution systems/ Transformers and sub stations
- e) High Tension Lines (above 11 kv)
- f) State Govt. Buildings viz., departmental / office building, departmental/ residential quarters, religions structures, patwarkhana, Court premises, play ground, forest bungalow property and animal / bird sanctuary etc.,
- g) Long term / permanent restoration work
- h) Procurement of equipments / machineries under NDRF
- i) National Highways
- j) Sectors such as Telecommunication and Power (except immediate restoration of power supply), which generate their own revenues, and also undertake immediate repair / restoration works from their own funds / resources, are excluded.

ANNEXURE – III

Guidelines on Constitution and Administration of Preparedness and Capacity Building Funding Window under National Disaster Response Fund (NDRF) and State Disaster Response Fund (SDRF)

Introduction: -

1. The Fifteenth Finance Commission (XV-FC) while recommending Disaster Management Grants has inter-alia allocated 10% of the State Disaster Risk Management Fund (SDRMF) and the National Disaster Risk Management Fund (NDRMF) for Preparedness & Capacity Building (P&CB) Sub-window to support the critical institutional, functional and technological components of the disaster management system. XV-FC has further recommended that a separate set of guidelines be developed for Preparedness & Capacity Building (P&CB) funding window.

2. Therefore, in pursuance to the recommendations of XV-FC, following guidelines are hereunder issued under Sections 46(2), 48(1)(a) and Section 62 of the Disaster Management Act, 2005 for the operationalisation of the P&CB grants under the State Disaster Response Fund (SDRF) and the National Disaster Response Fund (NDRF). These guidelines will be operative for the award period starting from the financial year 2021-22 to 2025-26.

Preparedness and Capacity Building Measures:

3. The Disaster Management (DM) Act, 2005 empowers the National, State and District Disaster Management Authorities to take measures for the prevention of District Disaster Management Authorities to take measures for the prevention of disasters, or the mitigation, or preparedness and capacity building for dealing with the threatening disaster situation or disasters.

4. As per Section 2 (m) of the Disaster Management (DM) Act, 2005, preparedness is the "state of readiness to deal with a threatening disaster situation or disaster and the effects thereof."

5. Further, as per Section 2 (b) of the DM Act, 2005, Capacity Building includes-

- Identification of existing resources and resources to be acquired or created;
- Acquiring or creating resources identified under above sub-clause;
- Organization and training of personnel and coordination of such training for effective management of disasters.

Resource Allocation and Earmarking of funds from NDRF / SDRF

6. Under NDRF:- As recommended by the XV-FC, the aggregate size of the P&CB funding window for the award period commencing from 2021-22 to 2025-26 would be Rs. 6,846 crore. Out of this amount, Rs. 5000 crore is earmarked for 'Expansion and Modernization of Fire Services'. Year-wise allocation from P&CB funding window is as under:

Yearwise Allocation	2021-22	2022-23	2023-24	2024-25	2025-26	Total for the award period 2021-22 to 2025-26 (Rs in crore)
Amount (Rs in crore)	1,239	1,301	1,366	1,434	11506	6,846

7. Under SDRF:- The aggregate size of the P&CB funding window commencing from 2021-2022 to 2025-2026 would be Rs.16,014 crore as recommended by the XV Finance Commission.

Year wise allocation from P&CB funding window is as under :

Year wise Allocation	2021-22	2022-23	2023-24	2024-25	2025-26	Total for the award period 2021-22 to 2025-26 (Rs in crore)
Amount (Rs in crore)	2,898	3,043	3,196	3,355	3,523	16,015 (10% of yearwise allocation of both Union and State Share of SDRMF taken together)

8. NDRF would receive 80 per cent of the total NDRMF. Within the NDRF, there would be three sub-allocations (i) Response and Relief (40 per cent), (ii) Recovery and Reconstruction (30 per cent) and (iii) Preparedness and Capacity Building (10 per cent). While the funding windows of NDRF and NDMF are not inter-changeable, there could be flexibility for re-allocation within the three sub-windows of NDRF for that financial year subject to the condition that earmarked allocation shall not exceed 10 per cent of the amount earmarked for the sub-window.

9. The SDRF would receive 80 per cent of total SDRMF. Within the SDRF there would be three sub-allocations (i) Response and Relief (40 per cent), (ii) Recovery and Reconstruction (30 per cent) and Preparedness and Capacity Building (10 per cent). While the funding windows of SDRF and SDMF are not inter-changeable, there could be flexibility for re-allocation within the three sub-windows of SDRF for that financial year

10. The funds for earmarked allocations for 'Expansion and Modernization of Fire Services' will be provided to the State Governments in the next five years (2021-2026). There shall be no spill-over for the liabilities committed for any of the projects sanctioned against earmarked allocation beyond the award period (2021-2026) of the XV-FC.

Scope of Preparedness and Capacity Building Funding Window under NDRF / SDRF :-

11.1 As recommended by XV-FC:-

- At Central level, this funding window is made available within the NDRF which will largely be used to support national agencies. However, State Government may also seek assistance, if the State Government concerned, has insufficient fund available under P&CB window of SDRF,
- At State level, P&CB funding window is meant to support preparedness and capacity building of State Disaster Management Authorities (SDMAs), State Institutes of Disaster Management (SIDM), training and capacity-building activities, and emergency response facilities. State Governments would not use these resources for personnel support.

11.2 In the light of the recommendations made by XV-FC and the provisions contained in the DM Act, 2005, the P&CB funding window shall support and provide funds to the following type of projects from NDRF / SDRF:-

(i) NDRF:-

Category - A

Projects / Proposals of the following types to be implemented by the Central Ministries / National Agencies / Institutes / Entities:

- (a) Projects aimed at preparedness for hazards which are to be implemented in an area, which cuts across more than one State,
- (b) Projects aimed at setting up / strengthening national level "Early Warning Systems" or promote disaster awareness through intervention of updated technologies or otherwise including strengthening of "Emergency Operations Centres" and preparedness and response mechanisms across the States,
- (c) Projects aimed at preparedness and capacity building including hazard specific if front-line disaster mitigation / response forces, frontline workers and Government functionaries at various levels in the disaster management.

Category B

Under this category, projects / proposal of the following type shall be considered for funding from P&CB funding window of NDRF:-

- (a) Projects of the State Government(s) related to hazard preparedness, disaster awareness, early warning systems, emergency operations centres, training and capacity building. However, the projects for funding from P&CB funding window of NDRF will be considered only if the State Government concerned has exhausted the funds available under P&CB window of SDRF or the proposed project cost is more than the available balance in the P&CB window of SDRF,

- (b) Projects for 'Expansion and Modernization of Fire Services' including setting up of new fire stations / upgradation of existing fire stations and procurement of fire-

(ii) SDRF:

- (a) Projects aimed at preparedness for a specific-hazard which is to be implemented within a State,
- (b) Projects aimed at promoting disaster awareness in the disaster-prone areas of the State through intervention of updated technologies or otherwise preparedness and response mechanisms within the State,
- (c) Projects aimed for preparedness and capacity building including hazard-specific training of front-line disaster mitigation / response forces / local body members / selected volunteers.

11.3 There shall be no State share in the Projects / Proposals covered under Category A above. For all Projects / Proposals under Category B above for which assistance is sought by any State Government from P&CB funding window, as recommended in XV-FC, the concerned State Government shall contribute 10% in case of projects upto Rs. 250 Crore, 20 per cent in case of projects above Rs. 250 Crore and upto Rs. 500 Crore and 25 per cent in case of projects exceeding Rs. 500 Crore. However, for the projects / proposals under the earmarked allocation of 'Expansion and Modernization of Fire Services' through the P & CB Funding Window, State Governments shall contribute 10 per cent of the total cost of such projects / proposals.

12. Exclusions for utilization of P&CB funding window. of NDRF / SDRF

(i) Resources under P&CB funding window cannot be used towards establishment expenditure such as salaries, office expenditure, etc. to be incurred by the Disaster Management Authorities or other entities except for payment of remuneration to technical staff included in the project costs. Such payments will be as per the General Financial Rules, 2017 and the extant Government of India guidelines,

(ii) Resources under P&CB funding window shall not be used for outsourcing the routine and regular activities of the national agencies / State Governments to any consultancy firm including any international agency,

(iii) P&CB funding window shall not be used to support construction-based projects and procurement of large / heavy equipment, except setting up of new fire stations / upgradation of existing fire stations and procurement of fire-fighting and rescue vehicles and equipment as envisaged under Category (B) (b) of para 6.2 (i) above. Further, this funding window shall also not be used for maintenance and upkeep of any structure or engineering measure aimed at mitigation,

(iv) P&CB funding window shall not be used as a source of funding for existing government programmes / ongoing schemes etc. which are under implementation,

(v) P&CB funding window must have a predominant focus on multi-hazard preparedness and capacity development and should not be used for general environmental improvement, plantations, afforestation or landscape beautification without a clear, logical and direct linkage to hazards.

(vi) All preparedness and capacity building activities would need to be undertaken and completed within the time-frame as specified in the approved proposal. Cost and time-frame for such proposals should ideally not be revised barring, some exceptional circumstances.

13. Technical Guidelines

Projects to be undertaken from NDRF / SDRF must have verifiable and measurable outcomes. NDMA will advise implementing authorities in the projects launched / being implemented under the preparedness and capacity building window including prescribing specific format for seeking information / project proposals etc. In addition, for the guidance of Implementing Partners / State Governments etc. for the wide range of activities within the broad framework of preparedness and capacity building, NDMA will also issue technical guidelines separately, with the concurrence of MHA. Further, detailed procedures for project execution will continue to be issued by NDMA from time to time in consultation with MHA.

14. Implementing Partners

Following agencies / entities may act as Implementing Partners for Preparedness and Capacity Building funding window:

For NDRF:

- i) National Disaster Management Authority (NDMA) and National Institute of Disaster Management (NIDM).
- ii) First Responder Organizations within the Central Government such as National Disaster Response Force.
- iii) Ministries / Departments / National Agencies within the Central Government for preparedness & capacity building activities and execution of projects in the States.
- iv) Central Research and Academic institutions in Disaster Management through the National Agencies including NDMA, NIDM and NDRF.
- v) Government supported Organizations e.g. Bharat Scouts & Guides, National Cadet Corps (NCC), National Social Service (NSS) and National Yuva Kendra Sangathan (NYKS) through National Agencies including NDMA, NIDM and NDRF.

For SDRF:

- i) State Disaster Management Authorities (SDMAs).
- ii) District Disaster Management Authorities (DDMAs).
- iii) First Responder Organizations within the State Governments such as State Disaster Response Force, Fire Services and Civil Defence.
- iv) Ministries/ Departments /Institutions within the State Government for preparedness & capacity building activities.
- v) State Research and Academic institutions in Disaster Management through State Agencies like SDMA and SIDM.

vi) State Government supported Organizations e.g. Bharat Scouts & Guides, NCC NSS & NYKS through State Agencies like SDMA and SIDM.

vii) Urban Local Governments/ Zilla Parishad / Gram Panchayats.

Administrative Mechanism for processing of funding proposals Under NDRF:-

15. NDMA will constitute an Appraisal Committee headed by a member of NDMA with representatives from the line-Departments, State Government concerned and subject matter experts (if required) for appraisal of proposals received from national agencies/entities, Central Ministries and State Governments.

16. Projects/proposals submitted by the State Government for funding under PACB funding window of NDRF should be approved by the State Executive Committee (SEC).

17. State Government(s), Central Ministries, and National Agencies/Entities shall submit the projects for which central assistance from the P&CB funding window of NDRF is sought to Ministry of Home Affairs. MHA will forward the same to the Appraisal Committee constituted under the Chairmanship of Member, NDMA for appraisal/evaluation of the proposed project.

18. The Appraisal Committee will make its recommendations to the MHA for placing the same before the Sub-Committee of the National Executive Committee (SC- NEC) for consideration. SC-NEC will have the power to approve proposals up to Rs. 100 Crore.

19. Proposals above Rs. 100 Crores will be placed before High Level Committee (HLC) along with the recommendations of SC-NEC. The HLC will approve the proposals for undertaking Preparedness and Capacity Building activities.

Under SDRF:-

20. SDMA will constitute a committee to be headed by a member of SDMA with members from line Departments of the State Government and State agencies/entities for appraisal/evaluation of the proposals / projects under P&CB funding window of SDRF/NDRF.

21. The Departments of the State Government and the agencies/institutes who wish to take up projects from P&CB funding window of SDRF will submit the projects to the State Government Department dealing with Disaster Management which in turn will refer the project to the committee headed by a member of SDMA as mentioned above.

22. The recommendations of the committee shall be placed before the SEC for consideration and the procedure in place for incurring expenditure from SDRF shall continue to apply mutatis-mutandis for P&CB funding window of SDRF/NDRF including all modalities.

23. SEC constituted by the State Government under the provisions of the DM Act, 2005, shall decide on all matters connected with the administration of P&CB funding window of SDRF.

Release of funds

24. Upon the approval of SC-NEC / HLC, Department of Expenditure, Ministry of Finance will release assistance from P&CB funding window of NDRF to the concerned State Governments based on the recommendations of the MHA.

25. For the projects covered under Category 'A', of NDRF; upon the approval of SC- NEC / HLC, and based on the recommendations of MHA, Department of Expenditure, Ministry of Finance will issue a Letter of Authorization (LOA) to the MHA or National Agencies (NDMA/NIDM/NDRF), as the case may be, so as to enable them to provide funds to the implementing agencies of approved projects.

26. Upon sanctioned by SEC, funds will be released to the States from PaCB Funding window under SDRF. Procedure as in vogue in the State for the release of funds under SDRF shall apply for preparedness and capacity building funding window.

Supervision of Projects

27. NDMA / SDMA need to identify specific disasters and evaluate preparedness for the same, prepare plans for the deficiencies observed either in preparedness or capacity building/ training so that disasters can be responded effectively. Such plans need to specify measures required to be taken to strengthen the capability / capacity of first responders to hazard specific disasters.

28. NDMA shall supervise and monitor the implementation of the preparedness and capacity building projects and in this process can seek progress / performance reports from the Implementing Partners. NDMA shall submit progress report to MHA and Department of Expenditure. In case of any shortfall in the progress of the preparedness and capacity building project, NDMA may take special measures, if required, for smooth and timely implementation of the project.

29. SDMA shall assist and provide technical advice to the State Government / Line Ministries / Departments from conceptualization to completion of the preparedness and capacity building proposals under SDRF.

30. SDMA shall supervise and monitor the Preparedness and capacity building projects/works and submit completion certificate as well as actual benefits achieved from it including population benefitted/ nature of risks reduced/impact analysis etc. to State Government and NDMA.

Disbursements

31. After the project is approved, the funds would be disbursed in the installments as specified in the proposal. The disbursement of funds would be linked to the deliverables and Utilization Certificates. The unspent balance in the preparedness and capacity building funding window under SDRF account as at the end of a financial year 2021-22 shall be the opening balance of said account of the successive financial year. The Central Government will communicate the modalities for handling any balances available at the end of 2025-26 in P&CB funding window under SDRF of the State.

Procurement

32. All the procurements made by government agencies for implementing the proposal would be in accordance with the General Financial Rules (GFR) and from GeM portal, as applicable. The implementing agencies would ensure that the project is implemented in a fair and transparent manner. In the entire implementation process, the DMAs need to ensure that there is no conflict of interest. Appropriate GFR will be followed by States and Government supported Organizations.

Project Database

33. A disaster database should be developed to help assess the impact of expenditures on different aspects of disaster management. All the project-related processes would be digitized. NDMA will maintain a national portal of all the preparedness and capacity-building projects that have been implemented through the NDRF / SDRF. This portal will contain a specific component for capacity building plans. NDMA will also monitor the database by holding periodic review.

Release, Accounting and other procedures

34. The detailed funding pattern, release of funds, investment of funds, accounting & auditing procedures, progress monitoring, savings and cost of maintenance / implementation etc. in respect of the projects initiated under P&CB Funding Window would be same, as envisaged in the primary guidelines issued by MHA on NDRF / SDRF for such purposes. The composition of HLC and SC-NEC will also be same as envisaged in the primary guidelines issued by MHA for NDRF / SDRF.

Interpretation and Amendment

35. In case of any difficulty in interpretation of any of these guidelines, the matter shall be referred to the Disaster Management Division, MHA whose decision in consultation with Department of Expenditure shall be final. Any amendment in this guideline will be issued by MHA in consultation with Department of Expenditure, Ministry of Finance.

SECTION OFFICER

ANNEXURE – IV**GENERAL**

- (i) Ex-Gratia payment of Rs.50,000/- per deceased person, to next of kin of the deceased person, including those involved in the relief operations or associated in the preparedness activities, subject to the cause of death being certified as COVID – 19, as per the guidelines jointly issued by the Ministry of Health and Family Welfare and the Indian Council of Medical Research on 3rd September, 2021, will be given as per guidelines on minimum relief issued by the National Disaster Management Authority (NDMA) dated 11.09.2021. This ex-gratia assistance will be applicable from the date of first COVID-19 case reported in the country and will continue till de-notification of COVID-19 as a disaster or till further orders, whichever is earlier, to next of kin of the deceased due to COVID-19.
- (ii) The State Government are to take utmost care and ensure that all individual beneficiary – oriented assistance is necessarily / mandatorily disbursed through Direct Benefit Transfer in the bank account of the beneficiary.
- (iii) The scale of relief assistance against each item for all notified disaster including 'local disaster' should not exceed the norms of SDRF / NDRF. Any amount spent by the State for such disasters over and above the ceiling, would be borne out of the resources of the State Government and not from SDRF.
